This book examines the youth sport parent experience through the lens of social capital, a cornerstone social science concept of the past 30 years. Social capital reflects the value of one's social networks, and the actual and potential benefits – and costs – of relationships. Bringing together a team of kids for a season also brings together their families who all must negotiate this new social world. Within this world, relationships are bound to form, and these are the foundation upon which this project rests. Youth sport scholars have traditionally been interested in questions such as: how many kids play sports, what sports they play, how and why do they start playing and stop playing, and the costs and benefit of participation. However, aside from sensational examples of youth sport parents behaving badly, scholars know far less about the parental experience. This time is meaningful for parents, because parents often spend as much or even more time at the fields than their children. It is

thus worth examining what they might get out of this investment. Utilizing two years of fieldwork and over 30 interviews with parents and board members of a youth baseball league in the southwestern United States, this book provides an inside look at the beneficial relationships that can be found in the bleachers of a kids' baseball game, as well as the unseen, high-stakes games waged in the boardroom, where relationships can carry heavy costs as well. This book was originally published as a special issue of Sport in Society.

This is the story of one man's triumph over Cult Religion. As a preacher's son, Jasper Love struggled to comply with the dogma and bigotry of the unpredictably changeable Doctrine of Good Enough dictated by Cult Religion. He and four sisters labored to comply with cult demands consistent with their mother's mantra: "People expect preacher's kids to be perfect." The Voice of Truth (bestowed on Jasper as a child in a genuine salvation encounter with

Jesus Christ) conflicts with voices of deception from pulpits and pews, triggering crippling anxiety, depression, and suicidal ideation. Further compounding his confusion is a terrifying awareness of the cult's distortion of scripture concerning his innate identity. When a Connecticut preacher detects his private struggle, the Bible scholar promises: "If you marry a good Pentecostal girl, this thing will just fade away." Jasper foolishly accepts the challenge, believing that the pastor's counsel is based on Truth. A 32-year battle ensues, during which a Pentecostal preacher's daughter who, aware of his struggle and trained in Exploitation of Advantage, manipulates and controls the miserable husband who strives to suppress and conceal an innate identity which "simply won't leave me alone." Cultists despise his genuine relationship with God when the Holy Spirit weakens the tenacious grasp of the antiChrist's claim on his soul, rescuing him from abominable doctrines through Spiritual Enlightenment to Truth Absolute. Spiritual Warfare ensues, during which he is molested by

authority figures, betrayed by cult dishonesty, falls into sin, is attacked by demons, and is delivered by the Holy Ghost through visions of spiritual combat between the demons of Cult Religion and the Angels of Truth. In the end, his foolish attempt to conform with the Doctrine of Good Enough predictably results in the destruction of everything he wasted a lifetime building: marriage, family, home, career, material wealth, and reputation. Yet, in losing all, he is delivered from the Darkness of cult idolatry, whereupon he is finally free to immerse himself in genuine Truth, Light, and Love, breaking the tyrannical chains of Cult Religion. Released by the Holy Spirit from cult bondage, he is at last unleashed to fulfill his destiny: To teach the Truth about Jasper Love (that boundless, unconditional love known only to those who genuinely experience Spiritual Enlightenment) to a people deceived by the hateful harlots of idolatry who are nothing more than power-crazed, authoritarian, self-aggrandizing, despotic antiChrist heretics who worship only one god -

Would you

ever take a job without a job description, let alone one that requires a lifetime contract? Parents do this every day, and yet there is no instruction manual that offers achievable methods for containing and organizing the seemingly endless job of parenting. Finding a healthy balance between raising a human and being a human often feels impossible, but Julie Morgenstern shows you how to harness your own strengths and weaknesses to make the job your own. This revolutionary roadmap includes: A unique framework with eight quadrants that separates parenting responsibilities into actionable, manageable tasks—for the whole bumpy ride from cradle to college. Simple strategies to stay truly present and focused, whether you're playing with your kids, enjoying a meal with your significant other, or getting ahead on that big proposal for work. Clever tips to make the most of in-between time—just 5-15 minutes of your undivided attention has a huge impact on kids. Permission to take personal time without feeling guilty, and the science and case studies that show how important

self-care is and how to make time for it.

**Prove Your Love** Simon and Schuster From the legendary Oklahoma coach, a candid and inspiring memoir. When Bob Stoops took over as football coach in 1999, the Oklahoma Sooners were in disarray with back-to-back losing seasons. But in just two years' time, Stoops achieved the seemingly impossible: winning a national championship and returning the struggling Sooners to their powerhouse status, churning out NFL talent, Heisman Trophy winners and conference championships, bowl wins and national title runs on a regular basis. During his 18 seasons at OU, his record was a remarkable 190-48. At only age 56, at the peak of his career, he stunned the college football world by walking away. For the first time, Bob opens up about his career alongside the evolution of the game itself. From his unlikely emergence as a star player at the University of Iowa, to his coaching apprenticeships under giants like Hayden Fry, Bill Snyder, and Steve Spurrier, Stoops recounts how the game he fell in love with as a boy has

evolved into a billion-dollar business often compromised by recruiting wars, aggressive agents, overzealous boosters and alumni, and the emergence of the CEO head coach rather than mentor and teacher. Bob holds nothing back while explaining why it was time to step away from the game--and players--he still loves. Told with a rare combination of sincerity, vulnerability, and pure heart, No Excuses is both an engaging and eye-opening football memoir and an unprecedented portrait of a coach of one of the greatest legacy programs in the history of the college game.

 Every parent worries about their children when they start to drive. You want to know they are safe, but you also don't want to alienate them with countless phone calls and texts. When my son started driving himself to

school, I was a bundle of nerves. I found that a single, simple, daily prayer sent to him via text message kept me calm. It also served to let him know he was being thought of with love each morning. It's a tradition that continues to this day even though my son is now in college. I never thought anyone other than my son would read the prayers I sent him, and I am honored he thought them worthy of a book. This is our collection of the prayers from his high school days. It is my hope that these love-filled words will give you inspiration and leave you feeling blessed.

It is 1969 as fifteen-year-old Derek Moore pedals to his new high school for the first day of summer conditioning. He has no idea what is in store for him. After all, he is the fresh meat rookie on the football team. But when he is befriended by popular upperclassman, Mark Maris, a tiny sliver of hope begins to emerge for Derek. The teams illustrious leader is Coach Sizemore, a determined motivator who has a staff of passionate assistant coaches under him who have made it their mission to work the boys on the field until they achieve more than they ever believed they could. With a pop song always in his mindset, Derek must learn to navigate through classroom, first love, and social challenges, all while attempting to make a positive impact on the football field. But it is not until the season culminates in an exciting game that Derek finally realizes the true value of being a part of a team intent on achieving great things. In this coming-of-age novel, a teenage boy growing up during late

sixties America must attempt to adjust to a new schooland football teamwhile facing adolescent obstacles

Just before starting second grade, Jim Kristofic moved from Pittsburgh across the country to Ganado, Arizona, when his mother took a job at a hospital on the Navajo Reservation. Navajos Wear Nikes reveals the complexity of modern life on the Navajo Reservation, a world where Anglo and Navajo coexisted in a tenuous truce. After the births of his Navajo half-siblings, Jim and his family moved off the Reservation to an Arizona border town where they struggled to readapt to an Anglo world that no longer felt like home. With tales of gangs

and skinwalkers, an Indian Boy Scout troop, a fanatical Sunday school teacher, and the author's own experience of sincere friendships that lead to ho?zho? (beautiful harmony), Kristofic's memoir is an honest portrait of growing up on—and growing to love—the Reservation. Journal FriesenPress Born in Bosnia in the former Socialist Federal Republic of Yugoslavia, Aleksandar Duric overcame a difficult childhood to become a junior canoeing champion. Against all odds, he made an unlikely appearance at the 1992 Olympic Games whilst the fires of the Bosnian War raged in his homeland, a war that had tragic consequences for the Duric family. A nomadic career in football followed, before Duric finally found his feet – and his home – in Singapore. It was in this Southeast Asian nation that Duric truly made his name, becoming an all-conquering force in Singapore's top domestic league and going on to represent the Singapore national team more than 50 times. Told in a refreshingly frank and honest manner, *Beyond Borders* is far more than a footballer's memoir.

Duric's tale of tragedy and triumph, adversity and adventure, is as surprising as it is inspiring.

iUniverse Fans of Pamela Kelley and Robyn Carr will love this small-town, feel-good romance! Running a successful ranch vacation business means everything to Jordan. But his wide grin and easy charm aren't going to get him out of the mess he's in this time. He's a desperate man on a tight time frame and Sarah Thornton is the only woman who can give him what he needs. Sarah didn't come to Montana looking for love. She's been down that road before and her lowlife fiancé stomped on her heart and stole the computer program she designed. Working on a cattle ranch was supposed to give her a year away from the city and time to sort out her life. But Jordan changes everything. He complicates her life and leaves her wondering why she ever thought Montana would be good for her. With more at stake than a broken heart, Sarah has to decide if she's ready for what Jordan wants. Because he wants her -

for forever and a day.

"A mighty portrait of poverty amid cruelty and optimism."—Kirkus (starred review) Free Lunch is the story of Rex Ogle's first semester in sixth grade. Rex and his baby brother often went hungry, wore secondhand clothes, and were short of school supplies, and Rex was on his school's free lunch program. Grounded in the immediacy of physical hunger and the humiliation of having to announce it every day in the school lunch line, Rex's is a compelling story of a more profound hunger—that of a child for his parents' love and care. Compulsively readable, beautifully crafted, and authentically told with the voice and point of view of a 6th-grade kid, Free Lunch is a remarkable debut by a gifted storyteller.
