IZAIAH JAIDYN

James Baldwin's Another Country: Bookmarked Vintage
'Exquisite, a feat of fire-breathing, imaginative daring' Guardian
David, a young American in 1950s Paris, is waiting for his fiancée to return from vacation in Spain. But when he meets Giovanni, a handsome Italian barman, the two men are drawn into an intense affair. After three months David's fiancée returns and, denying his true nature, he rejects Giovanni for a 'safe' future as a married man. His decision eventually brings tragedy. Filled with passion, regret and longing, this story of a fated love triangle has become a landmark of gay writing. James Baldwin caused outrage as a black author writing about white homosexuals, yet for him

the issues of race, sexuality and personal freedom were eternally intertwined. 'If Van Gogh was our 19th-century artist-saint, James Baldwin is our 20th-century one' Michael Ondaatje 'Baldwin writes of these matters with unusual candour and yet with such dignity and intensity' The New York Times 'Violent, excruciating beauty' San Francisco Chronicle

The Evidence of Things Not Seen Oxford University Press, USA

Published in 1962, this is an emotionally intense novel of love, hatred, race and liberal America in the 1960s. Set in Greenwich Village, Harlem and France, ANOTHER COUNTRY tells the story of the suicide of jazz-musician Rufus Scott and the friends who search for an understanding of his life and death, discovering uncomfortable truths about themselves along the way.

Sea Stories Vintage

When Ada Calhoun found herself in the throes of a midlife crisis, she thought that she had no right to complain. She was married with children and a good career. So why did she feel miserable? And why did it seem that other Generation X women were miserable, too? Calhoun decided to find some answers. She looked into housing costs, HR trends, credit card debt averages, and divorce data. At every turn, she saw a pattern: sandwiched between the Boomers and the Millennials, Gen X women were facing new problems as they entered middle age, problems that were being largely overlooked. Speaking with women across America about their experiences as the generation raised to “have it all,” Calhoun found that most were exhausted, terrified about money, under-employed, and overwhelmed. Instead of their issues being heard, they were told instead to lean in, take “me-time,” or make a chore chart to get their lives and homes in order. In *Why We Can't Sleep*, Calhoun opens up the cultural and political contexts of Gen X's predicament and offers solutions for how to pull oneself out of the abyss—and keep the next generation of women from falling in. The result is reassuring, empowering, and essential reading for all middle-aged women, and anyone who hopes to understand them.

Just Above My Head Vintage

In gay men's writing, tenderness lies side by side with rage; existential rejection of convention rubs shoulders with sexual hedonism. Beginning with Wilde's and Byron's existentialist outlaw, the theme of social rebellion, and the fight against conformity, form a common link among the literary works of the twentieth century. But mainstream academic criticism has shown itself for the most part incapable of engaging gay work without

distorting or ignoring its most central features.

James Baldwin's America and Its Urgent Lessons for Our Own Grove Press

A rare, lucidly composed screenplay from one of America's greatest writers, based on the bestselling classic *The Autobiography of Malcolm X*. *The Times Literary Supplement* praises “the depth and sincerity of Baldwin's admiration for Malcolm X.” Son of a Baptist minister; New York City hustler; honor student; convicted criminal; powerful minister in the Nation of Islam; father and husband: Malcolm X transformed himself, time and again, in order to become one of the most feared, loved, and undeniably charismatic leaders of twentieth-century America. No one better represents the tumultuous times of his generation, and there is no one better to capture him and his milieu than James Baldwin. With spare, elegant, yet forceful dialogue and fresh, precise camera directions, Baldwin breathes cinematic life into this controversial and important figure, offering a new look at a man who changed himself in order to change the country.

If Beale Street Could Talk Ig Publishing

Baldwin's early essays have been described as ‘an unequalled meditation on what it means to be black in America’ . This rich and stimulating collection contains ‘Fifth Avenue, Uptown: a Letter from Harlem’, polemical pieces on the tragedies inflicted by racial segregation and a poignant account of his first journey to ‘the Old Country’ , the southern states. Yet equally compelling are his ‘Notes for a Hypothetical Novel’ and personal reflections on being American, on oother major artists - Ingmar Bergman and Andre Gide, Norman Mailer and Richard Wright - and on the first great conferance of Negro - American writers and artists in Paris.

In his introduction Baldwin describes the writer as requiring 'every ounce of stamina he can summon to attempt to look on himself and the world as they are' ; his uncanny ability to do just that is proclaimed on every page of this famous book.

The Best Things Yale University Press

NEW YORK TIMES BESTSELLER • “A powerful study of how to bear witness in a moment when America is being called to do the same.”—Time James Baldwin grew disillusioned by the failure of the civil rights movement to force America to confront its lies about race. What can we learn from his struggle in our own moment? Named one of the best books of the year by Time, The Washington Post, and the Chicago Tribune • Winner of the Stowe Prize • Shortlisted for the Goddard Riverside Stephan Russo Book Prize for Social Justice “Not everything is lost. Responsibility cannot be lost, it can only be abdicated. If one refuses abdication, one begins again.”—James Baldwin *Begin Again* is one of the great books on James Baldwin and a powerful reckoning with America’s ongoing failure to confront the lies it tells itself about race. Just as in Baldwin’s “after times,” argues Eddie S. Glaude Jr., when white Americans met the civil rights movement’s call for truth and justice with blind rage and the murders of movement leaders, so in our moment were the Obama presidency and the birth of Black Lives Matter answered with the ascendance of Trump and the violent resurgence of white nationalism. In these brilliant and stirring pages, Glaude finds hope and guidance in Baldwin as he mixes biography—drawn partially from newly uncovered Baldwin interviews—with history, memoir, and poignant analysis of our current moment to reveal the painful cycle of Black resistance and white retrenchment. As Glaude

bears witness to the difficult truth of racism’s continued grip on the national soul, *Begin Again* is a searing exploration of the tangled web of race, trauma, and memory, and a powerful interrogation of what we must ask of ourselves in order to call forth a new America.

James Baldwin Now David R. Godine Publisher

An essential compendium of James Baldwin’s most powerful nonfiction work, calling on us “to end the racial nightmare, and achieve our country.” Personal and prophetic, these essays uncover what it means to live in a racist American society with insights that feel as fresh today as they did over the 4 decades in which he composed them. Longtime Baldwin fans and especially those just discovering his genius will appreciate this essential collection of his great nonfiction writing, available for the first time in affordable paperback. Along with 46 additional pieces, it includes the full text of dozens of famous essays from such books as: • *Notes of a Native Son* • *Nobody Knows My Name* • *The Fire Next Time* • *No Name in the Street* • *The Devil Finds Work* This collection provides the perfect entrée into Baldwin’s prescient commentary on race, sexuality, and identity in an unjust American society.

Another Country Beacon Press

Following the success of his #1 New York Times bestseller *Make Your Bed*, which has sold over one million copies, Admiral William H. McRaven is back with amazing stories of bravery and heroism during his career as a Navy SEAL and commander of America's Special Operations Forces. Admiral William H. McRaven is a part of American military history, having been involved in some of the most famous missions in recent memory, including the capture of

Saddam Hussein, the rescue of Captain Richard Phillips, and the raid to kill Osama bin Laden. *Sea Stories* begins in 1963 at a French Officers' Club in France, where Allied officers and their wives gathered to have drinks and tell stories about their adventures during World War II—the place where a young Bill McRaven learned the value of a good story. *Sea Stories* is an unforgettable look back on one man's incredible life, from childhood days sneaking into high-security military sites to a day job of hunting terrorists and rescuing hostages. Action-packed, humorous, and full of valuable life lessons like those exemplified in McRaven's bestselling *Make Your Bed*, *Sea Stories* is a remarkable memoir from one of America's most accomplished leaders.

Understanding James Baldwin Skyhorse

The Harlem-born son of a storefront preacher, James Baldwin died almost thirty years ago, but his spirit lives on in the eloquent and still-relevant musings of his novels, short stories, essays, and poems. What concerned him most—as a black man, as a gay man, as an American—were notions of isolation and disconnection at both the individual and communal level and a conviction that only in the transformative power of love could humanity find any hope of healing its spiritual and social wounds. In *Understanding James Baldwin*, Marc K. Dudley shows that a proper grasp of Baldwin's work begins with a grasp of the times in which he wrote. During a career spanning the civil rights movement and beyond, Baldwin stood at the heart of intellectual and political debate, writing about race, sexual identity, and gendered politics, while traveling the world to promote dialogue on those issues. In surveying the writer's life, Dudley traces the

shift in Baldwin's aspirations from occupying the pulpit like his stepfather to becoming a writer amid the turmoil of sexual self-discovery and the harsh realities of American racism and homophobia. The book's analyses of key works in the Baldwin canon—among them, *Go Tell It on the Mountain*, *Giovanni's Room*, "Sonny's Blues," *Another Country*, *The Fire Next Time*, and *The Devil Finds Work*—demonstrate the consistency, contrary to some critics' claims, of Baldwin's vision and thematic concerns. As police violence against people of color, a resurgence in white supremacist rhetoric, and pushback against LGBTQ rights fill today's headlines, James Baldwin's powerful and often-angry words find a new resonance. From early on, Baldwin decried the damning potential of alienation and the persistent bigotry that feeds it. Yet, even as it sometimes wavered, his hope for both the individual and the nation remained intact. In the present historical moment, James Baldwin matters more than ever.

The Empire City Vintage

'Everyone wishes to be loved, but in the event, nearly no one can bear it' At the height of his theatrical career, the actor Leo Proudhammer is nearly felled by a heart attack. As he hovers between life and death, we see the choices that have made him enviably famous and terrifyingly vulnerable. For between Leo's childhood on the streets of Harlem and his arrival into the world of the theatre lies a wilderness of desire and loss, shame and rage. And everywhere there is the anguish of being black in a society that seems poised on the brink of racial war. In this tender, angry 1968 novel, James Baldwin created one of his most striking characters: a man struggling to become himself.

Uncollected Writings NYU Press

James Baldwin was beginning to be recognized as the most brilliant black writer of his generation when his first book of essays, *Notes of a Native Son*, established his reputation in 1955. No one was more pleased by the book's reception than Baldwin's high school friend Sol Stein. A rising New York editor, novelist, and playwright, Stein had suggested that Baldwin do the book and coaxed his old friend through the long and sometimes agonizing process of putting the volume together and seeing it into print. Now, in this fascinating new book, Sol Stein documents the story of his intense creative partnership with Baldwin through newly uncovered letters, photos, inscriptions, and an illuminating memoir of the friendship that resulted in one of the classics of American literature. Included in this book are the two works they created together—the story “Dark Runner” and the play *Equal in Paris*, both published here for the first time. Though a world of difference separated them—Baldwin was black and gay, living in self-imposed exile in Europe; Stein was Jewish and married, with a growing family to support—the two men shared the same fundamental passion. Nothing mattered more to either of them than telling and writing the truth, which was not always welcome. As Stein wrote Baldwin in a long, heartfelt letter, “You are the only friend with whom I feel comfortable about all three: heart, head, and writing.” In this extraordinary book, Stein unfolds how that shared passion played out in the months surrounding the creation and publication of Baldwin's *Notes of a Native Son*, in which Baldwin's main themes are illuminated. A literary event published to honor the eightieth anniversary of James Baldwin's birth, *Native Sons* is a celebration of one of the most fruitful and influential friendships in American letters.

A Novel Penguin

This is the thirty year epic story of Horatio, an idealist who struggles to learn the hardest lesson of all -- how to take his place in a conformist society and still retain his personal identity.

Giovanni's Room Univ of South Carolina Press

Drawing lessons from writers of all ages and writing across genres, a distinguished teacher and writer reveals the enduring importance of writing for our time In this new contribution to Yale University Press's *Why X Matters* series, a distinguished writer and scholar tackles central questions of the discipline of writing. Drawing on his own experience with mentors such as John Updike, John Gardner, and James Baldwin, and in turn having taught such rising stars as Jesmyn Ward, Delbanco looks in particular at questions of influence and the contradictory, simultaneous impulses toward imitation and originality. Part memoir, part literary history, and part analysis, this unique text will resonate with students, writers, writing teachers, and bibliophiles.

James Baldwin Library of America James Baldw

Since 1989, there have been over 200 post-conviction DNA exonerations in the United States. On the surface, the release of innocent people from prison could be seen as a victory for the criminal justice system: the wrong person went to jail, but the mistake was fixed and the accused set free. A closer look at miscarriages of justice, however, reveals that such errors are not aberrations but deeply revealing, common features of our legal system. The ten original essays in *When Law Fails* view wrongful convictions not as random mistakes but as organic outcomes of a misshaped larger system that is rife with faulty eyewitness

identifications, false confessions, biased juries, and racial discrimination. Distinguished legal thinkers Charles J. Ogletree, Jr., and Austin Sarat have assembled a stellar group of contributors who try to make sense of justice gone wrong and to answer urgent questions. Are miscarriages of justice systemic or symptomatic, or are they mostly idiosyncratic? What are the broader implications of justice gone awry for the ways we think about law? Are there ways of reconceptualizing legal missteps that are particularly useful or illuminating? These instructive essays both address the questions and point the way toward further discussion. *When Law Fails* reveals the dramatic consequences as well as the daily realities of breakdowns in the law's ability to deliver justice swiftly and fairly, and calls on us to look beyond headline-grabbing exonerations to see how failure is embedded in the legal system itself. Once we are able to recognize miscarriages of justice we will be able to begin to fix our broken legal system. Contributors: Douglas A. Berman, Markus D. Dubber, Mary L. Dudziak, Patricia Ewick, Daniel Givelber, Linda Ross Meyer, Charles J. Ogletree, Jr., Austin Sarat, Jonathan Simon, and Robert Weisberg.

The FBI File Prentice Hall

The literary themes and impact of the Black novelist and playwright are explored as well as his characterization of fathers, sons, mothers, and whores

The Fire Next Time Grand Central Publishing

Peopled by larger-than-life heroes and villains, charged with towering questions of good and evil, *Atlas Shrugged* is Ayn Rand's magnum opus: a philosophical revolution told in the form of an action thriller—nominated as one of America's best-loved

novels by PBS's *The Great American Read*. Who is John Galt? When he says that he will stop the motor of the world, is he a destroyer or a liberator? Why does he have to fight his battles not against his enemies but against those who need him most? Why does he fight his hardest battle against the woman he loves? You will know the answer to these questions when you discover the reason behind the baffling events that play havoc with the lives of the amazing men and women in this book. You will discover why a productive genius becomes a worthless playboy...why a great steel industrialist is working for his own destruction...why a composer gives up his career on the night of his triumph...why a beautiful woman who runs a transcontinental railroad falls in love with the man she has sworn to kill. *Atlas Shrugged*, a modern classic and Rand's most extensive statement of Objectivism—her groundbreaking philosophy—offers the reader the spectacle of human greatness, depicted with all the poetry and power of one of the twentieth century's leading artists.

Atlas Shrugged GRIN Verlag

In this honest and stunning novel that inspired the award-winning major motion picture of the same name, James Baldwin has given America a moving story of love in the face of injustice. "A major work of Black American fiction." -*The New Republic* Told through the eyes of Tish, a nineteen-year-old girl, in love with Fonny, a young sculptor who is the father of her child, Baldwin's story mixes the sweet and the sad. Tish and Fonny have pledged to get married, but Fonny is falsely accused of a terrible crime and imprisoned. Their families set out to clear his name, and as they face an uncertain future, the young lovers experience a kaleidoscope of emotions—affection, despair, and hope. In a love

story that evokes the blues, where passion and sadness are inevitably intertwined, Baldwin has created two characters so alive and profoundly realized that they are unforgettably ingrained in the American psyche.

A Novel of New York City Another Country

A comprehensive compilation of Baldwin's previously published, nonfiction writings encompasses essays on America's racial

divide, the social and political turbulence of his time, and his insights into the poetry of Langston Hughes and the music of Earl Hines.
