America, America  
Schocken  
"The book shows how  
rapid social change  
gives rise to novel  
religious  
interpretations and  
how new religious  
movements, in turn,  
try to influence the  
process of change. This  
analysis is illustrated  
by studies of the  
advanced societies of  
North America and  
Europe, of Japan during  
the first phase of  
industrialization, and of  
countries and regions  
in the developing  
world. New religious  
movements are  
revealed as a normal  
aspect of social life and

as critical indicators of social change. This is reflected in each movement's social composition, teachings, values, religious practices and organizational structures as well as their engagement in politics, business and their structuring of social relationships."-- Publisher's description.

*Efraim's Book* PONS

In the Heart of the Seas follows Hananiah, along with many rabbis and their wives, on a spiritual journey to

Palestine. The trip is a test of courage and mirrors the daily trials and experiences of modern existence, yet yields renewed faith.

**The Ancient Dialect**

Springer Science & Business Media  
Lily Forrester, a Ventura County judge, finds herself in a mix of bizarre circumstances that lead her onto the trail of a vicious criminal mind. Her husband calls her from a Las Vegas jail where he has been arrested for attempted rape—but Las Vegas wasn't on his itinerary. His accuser, Anne Bradley, is an enigmatic woman with an eerie past, a woman to whom Lily is strangely drawn. FBI Agent Mary Stevens is tracking a killer whose victims are husbands who cheat on their

wives. Their mutilated bodies are disposed of in ghastly ways and strange locations. The murderer's trail leads to a web service that provides alibis for cheating spouses and into a thick web of deception that puts both Lily's and Mary's lives in jeopardy. At the Publisher's request, this title is being sold without Digital Rights Management Software (DRM) applied.

*Macbeth* PONS

This title is part of UC Press's Voices Revived program, which commemorates University of California Press's mission to seek out and cultivate the brightest minds and give them voice, reach, and impact. Drawing on a backlist dating to 1893, Voices Revived makes high-quality,

peer-reviewed scholarship accessible once again using print-on-demand technology. This title was originally published in 1988.

Peace is Possible

Harper Collins

Most Americans know about the "Hare Krishnas" only from encounters in airports or from tales of their activities in the East Village and Haight-Ashbury in the 1960s. This entertaining and sensitive book deepens our knowledge by tracing the paths of those Western Hare Krishnas who eventually traveled to or lived in India. The charismatic leader of the sect, the Indian monk Swami Bhaktivedanta, aimed to save Westerners from what he saw as materialism and

atheism by converting them to worship of the Hindu god Krishna. In addition, he hoped that Western disciples would inspire Indians to rediscover their own religious heritage.

Charles Brooks

describes in full detail the work of the "reverse missionaries" in the town of Vrindaban--which, since it is traditionally considered to be identical with Krishna's spiritual world, is one of the holiest places in India and the site of some of its most engaging rituals. Have the Western Hare Krishnas really become part of Indian culture? Can it be that Indians accept these foreigners as essentially Hindu and even Brahman? Brooks answers in a way that radically challenges our

accepted images of Indian social dynamics. Analyzing the remarkable success of the International Society for Krishna Consciousness and their temple complex in Vrindaban (where Bhaktivedanta was buried in 1977), Brooks describes the intricate social, economic, and religious relationships between Westerners and Indians. He demonstrates that social rank in the town is based not only on caste but also on religious competence: many Indians of Vrindaban believe, in Bhaktivedanta's words, that "Krishna is for all." Originally published in 1989. The Princeton Legacy Library uses the latest print-on-demand technology to again make available previously out-of-print

books from the distinguished backlist of Princeton University Press. These editions preserve the original texts of these important books while presenting them in durable paperback and hardcover editions. The goal of the Princeton Legacy Library is to vastly increase access to the rich scholarly heritage found in the thousands of books published by Princeton University Press since its founding in 1905. *PONS Lektürehilfe A Raisin in the Sun, Lorraine Hansberry* Ernst Klett Sprachen What does an elephant do? It stomps its foot. Can you? From the creator of such beloved classics as *The Grouchy Ladybug* and *The Mixed-Up Chameleon* comes this interactive story that

invites kids to imitate animal movements. Watching giraffes bend their necks or monkeys wave their arms is fun, but nothing could be better than joining in. From their heads down to their toes, kids will be wriggling, jiggling, and giggling as they try to keep up with these animals!

members of the  
penitentes.

### Das Gehirn meines Vaters Simon and Schuster

Efraim's Book is the  
sophisticated, offbeat  
novel about the  
peculiar society of  
post-World-II Berlin. Its  
hero George Efraim is a  
Jewish reporter who  
has fought for the  
British on the Italian  
front and lost both  
parents to Auschwitz.  
He returns home to  
Berlin in 1962 for the  
first time since the war  
to investigate the  
wartime disappearance  
of his editor's  
daughter, only to begin  
writing a novel, which  
helps him "to embark

on a certain  
arrangement of signs  
with the help of which I  
hope to chart my  
position." Like the  
great German novels of  
Günter Grass and  
Heinrich Böll, Alfred  
Andersch's Efraim's  
Book grapples with the  
legacy of World War II  
and the Holocaust in all  
its horror and sad  
humanity. A troubling  
yet often humorous  
book, it offers a  
poignant account of  
the traumatized  
German state.

### *Mystics and Commissars* Terrace Books

Neuaufgabe des zuletzt  
unter "Mobil-  
Sprachtraining-Aufbau  
Englisch" laufenden  
Titels (vgl. BA 7/07).  
Inhaltlich völlig  
unverändert. Für  
Lerner mit Kenntnissen  
ab Stufe B1 bieten die  
12 Original-Interviews

(zu Themen rund um Land, Leute, Beruf, Kultur ...) mit britischen oder amerikanischen Sprechern ein gutes Training, um vor allem das Hörverständnis zu schulen. Laufzeit der CD ca. 100 Minuten, Trackübersicht vorhanden. Durch Übungen zu Wortschatz, Grammatik und Aussprache werden aber auch Sprachkenntnisse verbessert. Alle Interviews sind im Begleitheft abgedruckt, ebenso die Übungen plus alphabetischer Wortliste. Neu ist das übersichtlichere Layout und eine Zusatz-Vokabeltrainer-App für 250 Vokabeln. Gute Möglichkeit, auch für unterwegs, vorhandene Kenntnisse unterhaltsam aufzufrischen. Als

Ersatz bei Verschleiss oder auch als Neuanschaffung empfohlen. (2)  
*Intermediate Kanji Book 1* New Directions Publishing  
 One Dictionary for all subjects For Secondary School Learners Ideal for Learners in CBSE, ICSE and International Schools  
 The perfect companion for learners studying other subjects through English, this dictionary includes vocabulary from all subjects. Every word is explained in clear, simple English, along with all the grammar and usage information you need.

### **Laser Physics** PONS

This textbook originates from a lecture course in laser physics at the Karlsruhe School of Optics and Photonics at the Karlsruhe Institute

of Technology (KIT). A main goal in the conception of this textbook was to describe the fundamentals of lasers in a uniform and especially lab-oriented notation and formulation as well as many currently well-known laser types, becoming more and more important in the future. It closes a gap between the measurable spectroscopic quantities and the whole theoretical description and modeling. This textbook contains not only the fundamentals and the context of laser physics in a mathematical and methodical approach important for university-level studies. It allows simultaneously, owing

to its conception and its modern notation, to directly implement and use the learned matter in the practical lab work. It is presented in a format suitable for everybody who wants not only to understand the fundamentals of lasers but also use modern lasers or even develop and make laser setups. This book tries to limit prerequisite knowledge and fundamental understanding to a minimum and is intended for students in physics, chemistry and mathematics after a bachelor degree, with the intention to create as much joy and interest as seen among the participants of the corresponding lectures. This university textbook describes in its first three chapters the fundamentals of

lasers: light-matter interaction, the amplifying laser medium and the laser resonator. In the fourth chapter, pulse generation and related techniques are presented. The fifth chapter gives a closing overview on different laser types gaining importance currently and in the future. It also contains a set of examples on which the theory learned in the first four chapters is applied and extended.

*PONS Lektürehilfe Romeo & Juliet, William Shakespeare* C. HURST & CO. PUBLISHERS

Like the successful first edition, this version offers a separate section for each Office application, plus additional chapters dedicated to using the applications together. The book covers Web

publishing techniques using Office, and it also shows how to use common elements across the applications.

Do you know your own

feelings? Sometimes,

we're happy, so we

laugh and shout with

glee. Other times,

we're angry, and want

to rage and roar. It is

not easy to deal with

our many contradictory

emotions. To recognize

our own feelings and

deal with them

responsibly is an

important learning

process for children, and a trial of limits. This vibrantly and expressively illustrated book invites children to talk about feelings. It takes readers through a range of potential emotions without ever calling them "good" or "bad," allowing children to recognize and examine their own emotional world.
