The Watermen of the Chesapeake Bay Rowman & Littlefield  
The final novel in #1 New York Times bestselling author Nora Roberts' stunning Chesapeake Bay Saga, where the Quinn brothers must return to their family home on the Maryland shore, to honor their father's last request... It's been a long journey. After a harrowing boyhood with his drug-addicted mother, Seth had been taken in by the Quinn family, growing up with three older brothers who'd watched over him with love. Now a grown man returning from Europe as a successful painter, Seth is settling down on Maryland's Eastern Shore, surrounded once

again by Cam, Ethan, and Phil, their wives and children, and all the blessed chaos of the extended Quinn clan. Finally, he's back in the little blue-and-white house where there's always a boat at the dock, a rocker on the porch, and a dog in the yard. Still, a lot has changed in St. Christopher's since he's been gone—and the most intriguing change of all is the presence of Dru Whitcomb Banks. A city girl who has opened a florist shop in this seaside town, she craves independence and the challenge of establishing herself without the influence of her wealthy connections. In Seth, she sees another kind of challenge—a challenge that she can't resist. Don't miss the other books in the Chesapeake Bay Saga

The first novel in #1 New York Times bestselling author Nora Roberts' stunning Chesapeake Bay Saga, where the Quinn brothers must return to their family home on the Maryland shore, to honor their father's last request... A champion boat racer, Cameron Quinn traveled the world spending his winnings on champagne and women. But when his dying father calls him home to care for Seth, a troubled young boy not unlike Cameron once was, his life changes overnight. After years of independence, Cameron has to learn to live with his brothers again, while he struggles with cooking, cleaning, and caring for a difficult boy. Old rivalries and new resentments flare between Cameron and his brothers, but they try to put aside their differences for Seth's sake. In the end, a social worker will decide

Seth's fate, and as tough as she is beautiful, she has the power to bring the Quinns together—or tear them apart... Don't miss the other books in the Chesapeake Bay Saga Rising Tides Inner Harbor Chesapeake Blue

**Chesapeake Bay Blues** Cornell Maritime Press/Tidewater Publishers

This book has become the definitive field guide to the Chesapeake. Flora and fauna descriptions are arranged according to the bay's nine major habitats--from freshwater wetlands to saltwater marshes. The most important field marks of more than 500 species are shown in 350 superb pen-and-ink drawings, which make this benchmark work as beautiful as it is useful. The book is designed as a user-friendly introduction to the natural history of the Chesapeake Bay. Scientific jargon is kept to a minimum. Illustrations and text are paired to present an easy-to-use primer on the estuarine system. The book takes an ecological approach to life above and below the Chesapeake's surface. Wetland and aquatic communities are emphasized.

**Nora Roberts' The Chesapeake Bay Saga** Dial Press

"An epic history of piracy . . . Goodall explores the role of these legendary rebels and describes the fine line between piracy and privateering." —WYPR The story of Chesapeake pirates and patriots begins with a land dispute and ends with the untimely death of an oyster dredger at the hands of the Maryland Oyster Navy. From the golden age of piracy to Confederate privateers and oyster pirates, the maritime communities of the Chesapeake Bay are intimately tied to a fascinating history of intrigue, plunder and illicit commerce raiding. Author Jamie L.H. Goodall introduces infamous men like Edward "Blackbeard" Teach and "Black Sam"

Bellamy, as well as lesser-known local figures like Gus Price and Berkeley Muse, whose tales of piracy are legendary from the harbor of Baltimore to the shores of Cape Charles. "Rather than an unchanging monolith, Goodall creates a narrative filled with dynamic movement and exchange between the characters, setting, conflict, and resolution of her story. Goodall positioned this narrative to be successful on different levels." —International Social Science Review

*Tributaries of the Chesapeake Bay* Johns Hopkins University Press  
Such knowledge can help illustrate the Bay's potential fertility and stimulate efforts to restore this pivotal maritime system's ecological health and productivity.

**Life in the Chesapeake Bay** The Countryman Press

Here is a dazzling array of swashbuckling pirates, picaroons, and sea rovers pitted against the often feckless representatives of an outpost government authority in the Chesapeake Bay region. It is an exciting and dramatic 200-year history that begins grimly with the starving time in the Virginia colony in 1609 and ends with the peaceful resolution of the Othello affair with the French in 1807. In between lies a full panoply of violent and bizarre buccaneering incidents that one is hard pressed to imagine.

*Life in the Chesapeake Bay* Cornell Maritime Press/Tidewater Publishers

#1 New York Times bestselling author Nora Roberts presents a collection including all four novels in her captivating saga about the lives and loves of four brothers on the windswept shores of the Chesapeake Bay. *SEA SWEEP* Cameron Quinn is coming home to say goodbye to the only father he ever loved. And he'll have to put his fast-paced life on hold to care for the last lost boy Ray

Quinn hoped to save... *RISING TIDES* Though not born to the tradition of a waterman, Ethan Quinn has embraced the life. But now, he must face his own dark past to accept not only who he is but what he hopes to become... *INNER HARBOR* As Phillip Quinn struggles to draw his new brother into his life, he must deal with a beautiful woman who has secrets that will affect them all—a woman who needs both his trust and his heart... *CHESAPEAKE BLUE* When world-renowned artist Seth Quinn returns to his home on Maryland's eastern shore, he finds the woman of his dreams. But someone from his past is determined to destroy his newfound happiness...

*Shifting Baselines in the Chesapeake Bay* Johns Hopkins University Press+ORM

"Shellenberger has perfected the art of gunkholing . . . An excellent book for both those who enjoy weekend cruises and those who merely want to know more about Chesapeake Bay." -- Daily Press (Newport News, VA) "With more than 3,000 miles of shoreline, the Chesapeake Bay offers a treasury of cruising spots. Shellenberger's book provides the key to unlock it." -- Virginian-Pilot "An 'insider's' look at the hundreds of places cruisers and weekend boaters love to hole up in. . . . It is also a loving portrait of the bay, its history, its people, its wildlife, and its environment." -- The Mariner "A truly monumental guide." -- Sunday Capital (Annapolis, MD) Dotting its more than 3,000-mile shoreline are creeks, coves, and inlets--or gunkholes in Chesapeake Bay parlance. They are as challenging as they are charming for cruisers to find and enter, sometimes discouraging the less adventuresome. But thanks to author Bill Shellenberger, you will be able to enjoy these hidden treasures like an old pro.

For more than twenty years, Bill Shellenberger's *Cruising the Chesapeake* has been the guide of choice for sailors and motor cruisers seeking to avoid the beaten path. Here Bill shares with you his engaging, heartfelt evocation of the Bay, its shores, history, wildlife, and people. No other guide to the region offers such complete, detailed coverage of virtually every point of interest on the Bay—from the secluded east fork of Langford Creek to the bustling hearts of Baltimore, Washington, and Norfolk. Find your path to *Cruising the Chesapeake* with a cruise planner with suggested itineraries for cruises of 3, 9, and 16 days, supported by overview charts and planning tips. Waypoints for anchorages and key locations that make planning your cruises and integrating navigational data into your GPS unit a snap. NOAA charts and aerial photos of key anchorages and tricky passages. Updated information on piloting and shoreside facilities. Expanded coverage up the Atlantic seaboard from the entrance of the Chesapeake to New York City and its anchorages that make this the ONE guide for the mid-Atlantic boater. A comprehensive cruise planner and navigation guide and a vivid celebration of one of North America's natural treasures, *Cruising the Chesapeake* is a book no Chesapeake boater will want to be without.

#### Voices of the Chesapeake Bay Penguin

Second Place Winner of the Design and Effectiveness Award of the Washington Publishers Buttonbush. Hercules' Club. Panic Grass. Tearthumb. Beach Spurge. Sea Rocket. Ladies' Tresses. These name a few of the wild and wonderful plants found in this quick reference guide to plants of the Chesapeake Bay. Written by wetland scientists with decades of experience in the Bay's waterways, this guide includes detailed descriptions and beautiful

photographs of the plants most commonly found in the Chesapeake Bay. Grasses, trees, wildflowers, aquatic vegetation—if it grows in the tidal or nearshore regions of the Bay, chances are it is in this book, the features of which include • over 200 illustrations • information on more than 100 species of plants • clear, accessible descriptions of each plant accompanied by close-up photographs for quick, accurate identification • discussion of where to find each plant, how they reproduce, and how humans use them • easy-to-follow organization by habitat. The guide's vivid text and photographs make the wide array of plants along the waters, marshes, and shorelines of the Chesapeake Bay easy to identify and wondrous to behold. Its compact, portable design encourages naturalists, local residents, boaters, researchers, and the curious-minded alike to throw the guide in their pack and explore the botanical bounty of the Chesapeake Bay.

#### **Plants of the Chesapeake Bay** Algonquin Books

In this classic novel, James A. Michener brings his grand epic tradition to bear on the four-hundred-year saga of America's Eastern Shore, from its Native American roots to the modern age. In the early 1600s, young Edmund Steed is desperate to escape religious persecution in England. After joining Captain John Smith on a harrowing journey across the Atlantic, Steed makes a life for himself in the New World, establishing a remarkable dynasty that parallels the emergence of America. Through the extraordinary tale of one man's dream, Michener tells intertwining stories of family and national heritage, introducing us along the way to Quakers, pirates, planters, slaves, abolitionists, and notorious politicians, all making their way through American history in the

common pursuit of freedom. BONUS: This edition includes an excerpt from James A. Michener's *Hawaii*. Praise for *Chesapeake* "Another of James Michener's great mines of narrative, character and lore."—*The Wall Street Journal* "[A] marvelous panorama of history seen in the lives of symbolic people of the ages . . . An emotionally and intellectually appealing book."—*The Atlanta Journal-Constitution* "Michener's most ambitious work of fiction in theme and scope."—*The Philadelphia Inquirer* "Magnificently written . . . one of those rare novels that is enthusiastically passed from friend to friend."—Associated Press

*Icy Winters on the Chesapeake Bay* Gareth Stevens Publishing LLLP

*Life in the Chesapeake Bay* is the most important book ever published on America's largest estuary. Since publication of the first edition in 1984, tens of thousands of naturalists, boaters, fishermen, and conservationists have relied on the book's descriptions of the Bay's plants, animals, and diverse habitats. Superbly illustrated and clearly written, this acclaimed guide describes hundreds of plants and animals and their habitats, from diamondback terrapins to blue crabs to hornshell snails. Now in its third edition, the book has been updated with a new gallery of thirty-nine color photographs and dozens of new species descriptions and illustrations. The new edition retains the charm of an engaging classic while adding a decade of new research. This classic guide to the plants and animals of the Chesapeake Bay will appeal to a variety of readers—year-round residents and summer vacationers, professional biologists and amateur scientists, conservationists and sportsmen.

*The Disappearing Islands of the Chesapeake* Arcadia Publishing

The many streams and rivers that are part of the Chesapeake Bay watershed provide the freshwater that helps make the bay such a unique ecosystem. The brackish waters are home to lots of plants and animals that are a factor in keeping the bay healthy. However, the tributaries of the Chesapeake Bay can also have negative effects on the health of the bay if the water they feed to the bay is polluted. Readers will learn about the interconnectedness of the bay watershed as well as the importance of this estuary's tributaries. Including a map of the key rivers flowing into the Chesapeake Bay, the main content will engage readers with the conservation conversation surrounding the bay in addition to its geography. Vivid photographs and detailed sidebars will further draw readers into the growing region surrounding the Chesapeake Bay.

*Chesapeake Bay Country* Penguin

"The best-written and best-illustrated guide ever about a North American tidal estuary. It is the model for all future coastal nature guides." —*Whole Earth Review* *Life in the Chesapeake Bay* is the most important book ever published on America's largest estuary. Since publication of the first edition in 1984, tens of thousands of naturalists, boaters, fishermen, and conservationists have relied on the book's descriptions of the Bay's plants, animals, and diverse habitats. Superbly illustrated and clearly written, this acclaimed guide describes hundreds of plants and animals and their habitats, from diamondback terrapins to blue crabs to hornshell snails. Now in its third edition, the book has been updated with a new gallery of thirty-nine color photographs and dozens of new species descriptions and illustrations. The new edition retains the charm of an engaging classic while adding a

decade of new research. This classic guide to the plants and animals of the Chesapeake Bay will appeal to a variety of readers—year-round residents and summer vacationers, professional biologists and amateur scientists, conservationists and sportsmen. “Handsome, generously illustrated . . . All of the Bay’s richness is catalogued here.” —The Washington Post Book World “A story book, a field guide and a reference work, and anyone interested in fishing, ecology, or our bay should own it.” —The Baltimore Sun “The region’s quintessential field and reference guide.” —Chesapeake Life Magazine “One of the most popular, well written, and useful guides to the Chesapeake.”

—Northeastern Naturalist

*The Waterman Penguin*

The definitive book on the Chesapeake Bay, with a new focus on Baltimore, Annapolis, and Maryland's portion of the Bay area! Once again, travel writer and longtime Maryland resident Allison Blake surveys the Chesapeake Bay area and its distinctive lodgings, aquatic adventures, and tucked-away towns. In *Explorer's Guide Baltimore, Annapolis & The Chesapeake Bay: A Great Destination*, the new version of her well-loved guidebook *The Chesapeake Bay Book*, Blake has also thoroughly explored from Baltimore (the colorful old port city that anchors the northern end of the Bay), to Maryland's 300-year old capital, Annapolis (known as America's Sailing Capital), south to the Potomac River and the Eastern Shore and onto the Virginia border. This is Maryland's Chesapeake Bay plus iconic Tangier Island, located in Virginia. This expansive guide will give visitors and residents alike all the information they need to fully explore and enjoy the thousands of miles of shoreline, the towns and

cities, and the adjoining countryside of this lovely and historically significant area. Whether you're interested in urban or outdoors adventures, oysters in a chic bistro or famous Maryland blue crabs on a paper-covered picnic table, pursuits like hiking, biking, boating, museum-hopping, or relaxing on a beach, Maryland's Chesapeake Bay has everything you're looking for. As in every *Explorer's Great Destinations* title, you'll find helpful information for lodging, dining, shopping, transportation, recreational activities, and special events. The focused and very helpful "If Time Is Short" advice, historical notes, and many maps and photographs make this an indispensable guide. Use it to help you discover all the Chesapeake region has to offer. Includes: history, lodging, dining, culture, recreation, shopping, transportation and more! Previous editions of this guide were published under the title *The Chesapeake Bay Book*.

*The Chesapeake Bay Country* JHU Press

An appendix documents the many small islands that have dropped entirely from view since the seventeenth century.

*Pirates on the Chesapeake* Gareth Stevens Publishing LLLP

The Chesapeake Bay is certainly an amazing body of water -- the largest estuary in North America. This book, the first of its kind, stimulates elementary and middle school children's interest in the Bay by exposing them to the fascinating creatures and plants found in and around the Bay's 2,500 square miles. Concepts like watershed, airshed, and food web as they relate to the Bay are explained in concise, understandable terms. This book is an effective means for children to discover the interesting traits of some of the plants, animals, birds, and fish they are likely to find in and around the Bay.
