""In the following chapters I have merely aimed at setting down, in simple language, a record of my impressions, so far as I can recall them, of what I have seen of many and varied phases of the Great Drama which has now been played to a finish on the other side of the English Channel. Most of those recollections were penned at odd moments, soon after the events chronicled, when they were still fresh in mind, often within range of the guns. It was my good fortune for two years to be

one of the Official War Office Kinematographers. I was privileged to move about on the Western Front with considerable freedom. My actions were largely untrammelled; I had my instructions to carry out; my superiors to satisfy; my work to do; and I endeavoured to do all that has been required of me to the best of my ability, never thinking of the cost, or consequences, to myself of an adventure so long as I secured a pictorial record of the deeds of our heroic Army in France."" This book is part of the World War One Centenary series; creating, collating and reprinting new and old works of poetry, fiction, autobiography and analysis. The series forms a commemorative tribute to mark the passing of one of the world's bloodiest wars, offering new perspectives on this tragic yet fascinating period of human history. Each publication also includes brand new introductory essays and a timeline to help the reader place the work in its historical context.

 Chevengur is a revolutionary novel about revolutionary ardor and despair. Zakhar Pavlovich comes from a world of traditional crafts to work as a train mechanic, motivated by his belief in the transformative power of industry. His adopted son, Sasha Dvanov, embraces revolution, which will transform everything: the words we speak and the lives we live, souls and bodies, the soil underfoot and the sun overhead. Seeking communism, Dvanov joins up with Stepan Kopionkin, a warrior for the cause whose steed is the fearsome cart horse Strength of the Proletariat. Together they cross the steppe, encountering counterrevolutionaries,

desperados, and visionaries of all kinds. At last they reach the isolated town of Chevengur. There communism is believed to have been achieved because everything that is not communism has been eliminated. And yet even in Chevengur the revolution recedes from sight. Comic, ironic, grotesque, disturbingly poetic in its use of language, and profoundly sorrowful, Chevengur—here published in a new English translation based on the most authoritative Russian text—is the most ambitious of the extraordinary novels that the great Andrey Platonov wrote in the 1920s and 1930s, when Soviet Russia was moving from revolutionary euphoria to state terror.

As World War I begins, life will never be the same again. A heart-breaking saga for all fans of Dilly Court and Val Wood. In the drab Yorkshire town of Garsthwaite, Lacey Barraclough works hard in the textile mill, determined to fight for improvements to the dismal working conditions she and her fellow weavers face. But she hadn't reckoned on falling in love with the boss's son, Nathan. Nathan returns her love, but to succeed they must overcome the class divide, as well as persuade their families that their love for each other is real. Before Nathan and Lacey can make a life together, World War I breaks out and Nathan enlists to fight. When Nathan

heads off to the Front, he takes Lacey's dreams with him, and she must find a new way to face the future. As hard times come to Garsthwaite, will there be a home for the returning heroes to come back to? And for those men who do make it back from France, can they ever outrun the horrors they have witnessed, and learn to love again?
