Complete Starter Guide to Whittling Batsford Books

Your go-to guide for getting started with whittling! Are you thrilled by the thought of hand carving wood into rugged, rustic pieces to decorate your space or give as gifts? Then you've come to the right place. Whittling for Beginners walks you through the tools, techniques, and materials you need to whittle everything from a butter spreader to a garden gnome to a full chess set! Beginner wood carving — Start from scratch with guidance on choosing your knives, sourcing your wood, and whittling safely. Learn the fundamentals — Find step-by-step instructions for the most common cuts and finishing techniques, so you can build the basic skills to whittle almost anything. 24 woodworking projects to try —This whittling book includes 24 projects that progress in complexity along with your knowledge—begin with a super-simple magic wand and work your way up to detailed animal figurines! Pick up a relaxing new hobby today with this wood carving book for beginners.

Whittling for Beginners Handbook Fox Chapel Publishing

A woodcarving book devoted solely to magical little gnomes and other charming creatures! The perfect source of inspiration for beginning and experienced whittlers and carvers alike, *Learn to Carve Gnomes, Trolls, and Mythical Creatures* boasts a menagerie of 15 woodcarving projects that range in difficulty from easy to more challenging. With complete plans and step-by-step instructions and photography, carve charismatic characters and objects, from a mushroom house, unicorn, and gnome to a wizard, dragon, hedgehog, and much more. Sara Barraclough is a master carver and a regular contributor to *Woodcarving Illustrated Magazine*, as well as the author of the incredibly charming *Weekend Whittling Projects*.

The Whittling Handbook Fox Chapel Publishing

In a fast-paced and noisy world that makes your head spin, the classic craft of whittling is the perfect antidote. It makes you slow down, take a breath, and live in the moment. Your hands are crafting instead of typing or texting. Best of all, whittling is simple to learn, lasts a lifetime, and requires only a simple knife. It's no wonder it's become more popular over recent years. No longer something only old men do, whittling has reached parents spending time with kids, techies taking a break from computer screens, and anyone who enjoys being outdoors. In *Classic Whittling*, author Rick Wiebe - a whittler for more than 60 years - provides the fundamentals for anyone looking to slow down and learn this classic craft. *Classic Whittling* begins with the basics of a good knife and how to keep it sharp. Wiebe then covers the best woods to use, ranging from sticks to blocks of wood, along with the basic techniques that will get you started. After that, there's no limit to what

you can do. Projects start out with toys, a whistle, and "treens" -- simple forks, spoons, and other utensils used while camping. From there, it's on to the more challenging projects: the chain, the interlinking hearts, the ball-in-a-cage, the sphere-within-a-sphere and several other classics. This handy and fun guide covers them all step-by-step. By the end of *Classic Whittling*, your knife will become a magic wand that turns firewood into fun, fascinates your family and friends, and lowers your blood pressure.

The Danish Art of Whittling Courier Corporation

Scrap Wood Whittling Fox Chapel Publishing

In this book, Harley shows you how to carve and paint engaging folk-art caricatures in the classic Scandinavian style. Carving Flat-Plane Style Caricatures presents more than 50 imaginative figure patterns for you to carve--from lumberjacks and golfers to trolls and elves.

Easy Woodcarving Fox Chapel Publishing

This early work on wood carving is both expensive and hard to find in its first edition. It contains details of the tools, materials and techniques involved in different styles of wood carving. This is a fascinating work and highly recommended for anyone interested in the art of the decorative woodwork. Many of the earliest books, particularly those dating back to the 1900s and before, are now extremely scarce. We are republishing these classic works in affordable, high quality, modern editions, using the original text and artwork.

Intermediate Guide to Whittling Luke Byrd

Have fun creating amusing figures with ideas, expert techniques and tips collected in this great reference book of projects from the editors of Woodcarving Illustrated.

Quick and Cute Carving Projects Fox Chapel Publishing

Carving Flat-Plane Style Caricatures Sourcebooks, Inc.

Provides patterns and instructions for carving over 20 characters in wood. This title helps readers find step-by-step carving and painting instructions for a Scandinavian inspired man and woman.

Whittling and Woodcarving Fox Chapel Publishing

In this wonderful resource for both novice and veteran carvers, two masters of the craft present detailed instructions and illustrations on how to confidently carve animals, flowers, figures, and more.

Whittling for Beginners Handbook Courier Corporation

A delightfully Danish guide to whittling for the home, crammed with projects for all ages and abilities. Our interest in the simple but satisfying art of whittling has never been higher. Our Danish-inspired book on whittling (snitte in Danish) has a range of wonderful simple whittling projects for the home. The beautiful Scandinavian projects range from simple wooden toys for children, including a bird whistle, ring catcher, animal figures and a wooden sword to practical items like door hooks, butter knives and then to decorative pieces such as a wooden necklace, buttons, delicate carved flowers and a chess set. All the projects are amazingly simple, and with the visual step-by-step technique section at the front of the book, even a beginner could take on these projects. The art of whittling has never been more accessible and these beautiful but simple projects capture the spirit of the Scandinavian love of craft and nature. Author and Danish craftsman Frank Egholm shares not only his considerable knowledge but also his passion for simple wooden carving.

Learn to Carve Gnomes, Trolls, and Mythical Creatures Fox Chapel Publishing
