The Healer Random House Books for Young Readers

It is Christmas eve, and Thomas wishes he was safe and warm in his shed with the other engines. But Thomas is a Really Useful Engine and has several important deliveries to make. Will he get home in time to make sure his stocking has been carefully hung? And when a big blizzard blows up, Thomas fears that Father Christmas may not find the engine shed at all. The Reverend W Awdry first started telling his young son tales of Thomas, Percy and the other Really Useful

Engines in 1944. In 1945, he started writing the tales down, and upon their publication they were immediately embraced by train lovers in Great Britain and worldwide. Before his death in 1997, the Reverend wrote 26 volumes of stories that continue to thrill generations of young readers.

When Heidi's parents pass away, her aunt takes her in, but she soon sends Heidi to live with her grandfather in the Swiss Alps. At first, Heidi's grandfather seems gruff, but over time he becomes fond of her. Heidi grows to love the mountains and spends many hours with the goats and Peter, the goatherd, until she is sent to

back to the city to be a companion to Clara, an invalid, and receive an education. Heidi learns that though the people in the city have more money, the people in the country lead richer lives. This classic Swiss children's book by Johanna Spyri was published in two parts in 1880 and 1881. This unabridged version comes from a 1915 edition, translated from the original German by Elisabeth P. Stork and illustrated by Maria L. Kirk.

Escape to Christmas Past: A Colouring Book Adventure

Penguin

Most residents are glad to live in the snowy and picturesque village of Alpine City. However, one little boy finds little to appreciate. Mean-spirited and bratty, eight-year-old Nicholas Claus causes townspeople to shake their heads at his antics. But one day, the evil trolls, led by the Ice Queen, invade the village and capture Nicholas. He has something the Ice Queen and Troll King want. Young Nicholas is no match for the King and Queen and their thousands of trolls. But, fortunately, Nicholas has a lot of

help coming his way. His sister, Shelby, and friends Madison and Rett Kringle are determined to rescue Nicholas, as is Prince Hero, Alpine City's savior. God has also sent the guardian angel Walter to watch over Nicholas, Shelby, and the Kringles as they battle the forces of evil. Santa Claus: The Spirit of Christmas combines traditional Christmas characters including Santa Claus, Frosty, and Rudolph with the true meaning of Christmas and the birth of Jesus Christ. This fantasy-adventure story chronicles the childhood years of young Nicholas Claus and recalls the events that unfold to inspire him to become the famous Christmas icon. **Worlds Within Worlds** Independently
