### Lilly's Wedding Quilt Simon and Schuster

From four bestselling authors of Amish fiction come four delightful stories perfect for celebrating love, joy, and the everyday miracles Christmas brings. Evergreen Love by Amy Clipston Ryan Lapp had promised to marry Lorene Bontrager as soon as he was able to build them a house, but the day never came. Ryan moved away. Five years later, Lorene has settled in to her old maid role, and she's shocked when her younger sister announces her quick engagement to Ryan's younger brother. As they rush to plan the wedding, Lorene is constantly around the family she almost joined. Worse, she's forced to face Ryan himself, who has returned to town. As both Ryan and Lorene examine their own feelings, they must decide if they can find grace with each other—and the young people they once were—this Christmas season. There just might still be love in their future. Holiday of Hope by Kelly Irvin Henry Lufkin is one of four bachelors who lived in the West Kootenai, Montana, cabins that were destroyed by wildfires. He's the only one of them who hasn't since married, but he likes his solitude. Then an old friend asks him to care for his son, and Henry has to share his small cabin and his life with bewildered and rebellious ten-year-old Tommy. When the child encounters trouble at school, Henry reaches out to Tommy's teacher. Leesa Yoder never expected to find herself single and teaching sixteen young scholars, and she certainly didn't anticipate an inexperienced bachelor telling her how to do her job. Amid the flying sparks, can Henry and Leesa see that there might be hope and love in this unexpected situation? Wreathed in Joy by Kathleen Fuller Mary Wengerd and Jakob Mullet have been best friends since childhood. Pressured by friends and family, they decided to date—with disastrous results. When they break up, their friendship is ruined. A year later, Mary is baking her English friend's wedding and groom cakes for a Christmas Eve wedding. Mary loves the Christmas season, and had always dreamed of

marrying during that time. Now she wonders if she'll ever marry. After she and Jakob form a tenuous new friendship, Mary breaks her arm. As he steps in to help her with the cakes, Mary is inexplicably and suddenly falling for him. But they've already dated, and that ended so horribly. Could it be better this time? A Christmas Prayer by Vannetta Chapman Widower Micah Miller runs the Amish Tour Company, offering Englishers a glimpse of a simpler life as well as tea at Rachel King's. Rachel has never married and has recently lost her parents. When Micah comes across an abandoned and injured dog, he gives it to Rachel for company. As Rachel is charmed by the dog and shocked by news of the existence of family she never expected, her heart and mind bend toward the possibilities of change in her life—even toward the possibility of love. Four stand-alone romantic holiday novellas Includes a glossary of Amish words Includes discussion questions for book clubs

AS SEEN ON NETFLIX - AN UPLIFTING ROMANTIC COMEDY FROM THE INTERNATIONALLY BESTSELLING AUTHOR OF THE BODYGUARD Sometimes to find your way, you have to get really, really lost... Helen Carpenter has always lived her life as far from the edge as possible. Finding herself newly divorced and a little lost, Helen decides she needs a reset. So when her annoying younger brother convinces her to sign up for a hardcore wilderness survival course, she hopes the adventure will be exactly what she needs. Instead, it's a disaster. It's nothing like she expected. She doesn't expect the surprise summer blizzard, for example—or the blisters, or the mean pack of sorority girls. And she especially doesn't expect that her annoying brother's even-more-annoying best friend, Jake, would show up for the exact same course—and distract her, derail her, and... kiss her. But it turns out sometimes disaster can teach you exactly the things you need to learn. Like how to keep going, even when you think you can't. How being scared can make you brave. And how sometimes getting really, really lost is your only hope of getting found. \_\_\_\_\_ "The things we remember are what we hold on to, and what we hold on to becomes the story of our lives. We only get one story. And I am determined to make mine a good one."

\_\_\_\_\_ Readers love Happiness for Beginners \_\_\_\_\_ 'One of the best reads of this decade for me, featuring an unforgettable, gutsy heroine and an equally endearing, swoon-worthy hero. What more could you ask for?' \_\_\_\_\_ 'A stupidly cute romance with plenty of humour and a survival story in the middle of the mountains... you've completely got me hooked.' \_\_\_\_\_ 'This book! I loved it with a passion, sometimes you start a book and you know you are going to love it, you fall in love with the characters, the authors voice and you just know that you are going to read something spectacular, well that is how I felt reading Happiness for Beginners.' \_\_\_\_\_ 'LOVE LOVE LOVE LOVE LOVE. Already gave two copies of this book and forced people to read it. They loved it too.' \_\_\_\_\_ 'I didn't read this book, I inhaled it! It certainly brought me lots of happiness - and more than a few tears. Katherine Center is a phenomenal author' \_\_\_\_\_ 'This book completely owned me. I picked it up to read one chapter before bed to see if I was into it and it's less than 24 hours later and I cannot wipe the grin off my face. This is definitely a new top favorite!' \_\_\_\_\_ "Wise, delicious, page-turning... Katherine Center writes about falling down, growing up, and finding love like nobody else." With this tome, physician James G.M. Ramsey assembled the most comprehensive account of Tennessee's history as a territory and fledgling state that we know of. Covering the years 1769 to 1800, these 743 pages address each of the major political and governmental episodes, with their principal participants, in the formative period of the Volunteer State. To produce this achievement, the author worked assiduously in the archives of Tennessee, Georgia, North Carolina, and Virginia. He was also an indefatigable collector of original documents relating to the founding of Tennessee, a number of which appear here in transcription or facsimile. Additionally, since the author was born in 1797, he was able to embellish the narrative with information collected from conversations with such founding fathers as James White, Charles McClung, and his maternal grandfather, John McKnitt Alexander, secretary of the Mecklenburg Convention of 1775.
