The Mutiny on Board H.M.S. Bounty

Xs Books

An account of the purchase by the Navy of the merchant vessel *Bethia* and her subsequent conversion into a naval transport *The Bounty*, as she was renamed, was made eternally famous by the mutiny against Captain Bligh in 1789.

Mutiny on the "Bounty" Createspace Independent Pub

A British crew mutinies against the cruel commander of the *Bounty* in 1787.

[The Mutiny on the Bounty & Pandora's Box](#) Cambridge University Press

A must-read for true-crime buffs and fans of maritime history, *The Eventful History of the Mutiny and Piratical Seizure of H.M.S. Bounty: Its Cause and Consequences* is widely recognized as the most detailed historical account of the mutiny on the *Bounty* that has spawned dozens of novels, movies, and other pop-culture retellings.

Bounty Trilogy Back Bay Books

This is a new version of the whole story of the *Bounty*, it covers everything, from its disastrous crew selection, the Mutiny, incitement of Polynesian wars, trials, executions, pardons, kidnaps, rapes, enslavement to the brutal island murders. Make no mistake; it may have been the beginning of the Romantic Age but there was nothing romantic about the mutiny on the *Bounty*, why did Fletcher Christian choose oblivion over common sense on that hot sunny morning so long ago? Was it because far from freeing the crew from oppression he was actually mentally unstable? Where exactly was Peter Heywood and

why did half the crew choose certain death in an open boat rather than sail away with the mutineers? Just some of the questions answered in this book, for the first time the whole story, the complete story, including the *Pandora's* hunt for the mutineers and the Admiralty's revenge, and the true price of Peter Heywood's freedom.

[A Narrative of the Mutiny, on Board His Majesty's Ship Bounty](#) Good Press

The names William Bligh, Fletcher Christian, and the *Bounty* have excited the popular imagination for more than two hundred years. The story of this famous mutiny has many beginnings and many endings but they all intersect on an April morning in 1789 near the island known today as Tonga. That morning, William Bligh and eighteen surly seamen were expelled from the *Bounty* and began what would be the greatest open-boat voyage in history, sailing some 4,000 miles to safety in Timor. The mutineers led by Fletcher Christian sailed off into a mystery that has never been entirely resolved. While the full story of what drove the men to revolt or what really transpired during the struggle may never be known, Penguin Classics has brought together-for the first time in one volume-all the relevant texts and documents related to a drama that has fascinated generations. Here is the full text of Bligh's *Narrative of the Mutiny*, the minutes of the court proceedings gathered by Edward Christian in an effort to clear his brother's name, and the highly polemic correspondence between Bligh and Christian-all amplified by Robert Madison's illuminating Introduction and rich selection of subsequent *Bounty* narratives. For more than seventy years, Penguin has been the leading publisher of classic literature in the English-

speaking world. With more than 1,700 titles, Penguin Classics represents a global bookshelf of the best works throughout history and across genres and disciplines. Readers trust the series to provide authoritative texts enhanced by introductions and notes by distinguished scholars and contemporary authors, as well as up-to-date translations by award-winning translators.

Mr Bligh's Bad Language Back Bay Books
James Norman Hall (1887-1951) was an American author best known for the novel *Mutiny on the Bounty* with co-author Charles Bernard Nordhoff (1887-1947) an English-born American novelist and traveler. *Mutiny on the Bounty* is the title of the 1932 novel by Charles Nordhoff and James Norman Hall, based on the mutiny against Lieutenant William Bligh, commanding officer of the *Bounty* in 1789. It has been made into several films and a musical. It was the first of what became "The *Bounty* Trilogy," which continues with *Men Against the Sea*, and concludes with *Pitcairn's Island*.

The Bounty Mutiny Bloomsbury Publishing USA

It is night in the south seas near Tahiti, and the ship "HMS *Bounty*" has begun the long voyage home to England. But the sailors on the ship are angry men, and they have swords and guns. They pull the captain out of bed and take him up on deck. He tries to run, but a sailor holds a knife to his neck. "Do that again, Captain Bligh, and you're a dead man!" he says. The mutiny on the *Bounty* happened in April, 1789. This is the true story of Captain Bligh and Fletcher Christian, and the ship that never came home to England.

Paradise in Chains DigiCat

The *Bounty* Trilogy is a book comprising

three novels by Charles Nordhoff and James Norman Hall. It relates events prior to, during and subsequent to the *Mutiny on the Bounty*. "*Mutiny on the Bounty*" is novel based on the mutiny against Lieutenant William Bligh, commanding officer of the HMS *Bounty* in 1789. It tells the story through a fictional first-person narrator by the name of Roger Byam, based on a crew member Peter Heywood. HMS *Bounty* was on a voyage to Tahiti for breadfruit plants and some of the crew members were complaining about Lieutenant William Bligh's harsh treatment. The mutiny broke out under the leadership of Fletcher Christian, master's mate on the ship. Mutineers set Bligh afloat in a small boat with members of the crew loyal to him. Byam, although not one of the mutineers, remained with the *Bounty* after the mutiny. Mutineers continued to sail on the *Bounty*, looking for a place build a colony, conflicting with natives. "*Men Against the Sea*" follows the journey of Lieutenant William Bligh and the eighteen men set adrift in an open boat by the mutineers of the *Bounty*. The story is told from the perspective of Thomas Ledward, the *Bounty*'s acting surgeon, who went into the ship's launch with Bligh. It begins after the main events described in the novel and then moves into a flashback, finishing at the starting point. "*Pitcairn's Island*" - After two unsuccessful attempts to settle on the island of Tubuai, the *Bounty* mutineers returned to Tahiti where they parted company. Fletcher Christian and eight of his men, together with eighteen Polynesians, sailed from Tahiti in September 1789, and for a period of eighteen years nothing was heard of them. Then, in 1808, the American sailing vessel *Topaz* discovered a thriving community of mixed blood on

Pitcairn Island under the rule of Alexander Smith.

The Mutiny on the Bounty Chatham Publishing

An account of the tragic voyage of the British ship to the island of Tahiti.

Mutiny on the "Bounty" The Floating Press

On April 28, 1789, a band of mutineers turned an ordinary voyage into an unforgettable legend. The conflict between Lieutenant William Bligh and Master's Mate Fletcher Christian of the H.M.S. *Bounty* is one of the most famous stories in maritime history. Many volumes have been written about the mutiny, its protagonists and its aftermath on Pitcairn Island. From Bligh's firsthand account in 1790 through 2006, this copiously illustrated reference book examines more than 1700 books, articles and other materials dealing with the mutiny and its legacy. Major works, including nonfiction accounts, fiction, poetry, articles, plays and movies, are given analytical discussions. These works (presented chronologically) trace the history of the emotions and opinions of the public, allowing consideration of each work within the cultural and scholarly context of its period. Lesser works and related readings, also annotated, are provided as well. Appendices direct readers to Internet resources and notable documentaries. The book is thoroughly indexed.

Mutiny on the Bounty White Star Publishers

In this journal Boatswain's Mate James Morrison recounts the Royal Navy ship HMS *Bounty*'s 1787 voyage and the ensuing mutiny, providing an invaluable resource for naval historians and an enthralling tale for the general reader.

Rescue of the Bounty Hachette UK
On December 31 1787, the HMS *Bounty*,

a small sailing vessel embarked from Spithead Harbor, England bound for Tahiti. Her mission was sponsored by the Royal Society in London and aimed at picking up breadfruit plants and fruit from Tahiti and conveying them to the West Indies, where it was hoped they would take root and become a commercial crop. The *Bounty* was an old ship with a young captain and 46 young officers. The captain's cabin was converted into a potting shed for the expected breadfruit cargo. He was quartered in a cramped cabin next to the men. In Tahiti, the crew suddenly found themselves transported into an exotic land, rich with strange and delicious fruits and food, country made liquor and beautiful women. The easy and relaxed lifestyle enticed the Englishmen. As the date of departure neared in 1789, the crew seemed reluctant to leave. Tensions increased as the relationship between the captain and crew began to break down. What followed became one of the most sensational events in seafaring history. The *Eventful History of the Mutiny and Piratical Seizure of HMS Bounty* by Sir John Barrow is deemed as the definitive account of the entire horrific episode. It follows the entire case as it happened, starting with the *Bounty* sailing from Spithead, and includes detailed descriptions of Tahiti, the events on board the ship as recounted by survivors, the trial of the mutineers in 1792 and narratives provided by others who escaped to Pitcairn Island. Original documents and papers are the mainstay of this book and they provide riveting reading. Captain Bligh's epic voyage with a handful of loyal crew in an open raft across the East Timor Sea to the Dutch East Indies, where he sought help and then traveled back to England also makes fascinating reading...

After the Bounty Penguin

The Truth About the Mutiny on HMAV BOUNTY - and the Fate of Fletcher Christian brings this famed South Pacific saga into the 21st century. By combining unprecedented research into Fletcher Christian and his fate with deep knowledge of Bounty's Polynesian women, Glynn Christian presents a fresh and comprehensive telling of a powerful maritime adventure that still captivates after 230 years. Of over 3000 books and major articles on the mutiny, or the five feature films starring such as Clark Gable, Charles Laughton, Marlon Brando and Mel Gibson, none has told the true story as until 1982, no author knew the real Fletcher Christian, or could understand his relationship with William Bligh, his mentor-turned-nemesis. Glynn Christian's extraordinary research into Bligh, Christian and Bounty included every deposit of documents worldwide and a sailing expedition to Pitcairn Island. This book details the cramped dark conditions on the ship and how Bligh bravely commanded it at Cape Horn, saving it and the crew. Yet he was unable to keep discipline because he didn't punish enough, instead relying on his brutal tongue. Forced to remain in Tahiti for 23 weeks, Bligh struggled to retain order when Bounty sailed. Glynn Christian reveals how this affected Fletcher Christian mentally, explaining his out-of-character mutiny. Then Christian showed revolutionary social conscience, using democracy and uniforms on Bounty to maintain leadership, including through the little-known settlement of Fort George on Tubuai. After this, he and Bounty disappeared for 18 years. Bounty's story becomes that of Pitcairn Island, of revolutionary black women who protected their children with the blood of

their fathers and continued Fletcher's ideals to become the first women in the world permanently to have the vote and guarantee education for girls. But where was Fletcher Christian?

Men Against the Sea Turtleback Books

The mutiny on HMS Bounty, in the South Pacific on 28 April 1789, is one of history's truly great stories - a tale of human drama, intrigue and adventure of the highest order - and in the hands of Peter FitzSimons it comes to life as never before. Commissioned by the Royal Navy to collect breadfruit plants from Tahiti and take them to the West Indies, the Bounty's crew found themselves in a tropical paradise. Five months later, they did not want to leave. Under the leadership of Fletcher Christian most of the crew mutinied soon after sailing from Tahiti, setting Captain William Bligh and 18 loyal crewmen adrift in a small open boat. In one of history's great feats of seamanship, Bligh navigated this tiny vessel for 3618 nautical miles to Timor. Fletcher Christian and the mutineers sailed back to Tahiti, where most remained and were later tried for mutiny. But Christian, along with eight fellow mutineers and some Tahitian men and women, sailed off into the unknown, eventually discovering the isolated Pitcairn Island - at the time not even marked on British maps - and settling there. This astonishing story is historical adventure at its very best, encompassing the mutiny, Bligh's monumental achievement in navigating to safety, and Fletcher Christian and the mutineers' own epic journey from the sensual paradise of Tahiti to the outpost of Pitcairn Island. The mutineers' descendants live on Pitcairn to this day, amid swirling stories and rumours of past sexual transgressions and present-day repercussions. Mutiny on the Bounty

is a sprawling, dramatic tale of intrigue, bravery and sheer boldness, told with the accuracy of historical detail and total command of story that are Peter FitzSimons' trademarks.

Captain Bligh and Mr Christian Simon and Schuster

A trip across the Pacific turns into a life or death scenario when the crew of the HMS Bounty stages a revolt against their commander. The Bounty Mutiny tells the controversial story of the mutineers and the acting lieutenant who sparked a movement. Commanding Lieutenant William Bligh was instructed to use the HMS Bounty to transport breadfruit plants to the West Indies. He worked alongside skilled colleague Fletcher Christian, who was selected to be acting lieutenant. During their time at sea, the crew experienced many challenges with complaints of abuse and tyranny at the hands of Bligh. This eventually leads to a mutiny, in which Christian and the crew take control of the vessel. This harrowing tale is one of the most adapted events of all-time. Over the past century, it has been interpreted across multiple mediums including five feature films starring George Cross, Errol Flynn, Clark Gable, Marlon Brando and Anthony Hopkins. It's an enduring story that continues to fascinate and provoke the masses. With an eye-catching new cover, and professionally typeset manuscript, this edition of *The Bounty Mutiny* is both modern and readable.

The Bounty Bloomsbury Publishing
More than two centuries after Master's Mate Fletcher Christian led a mutiny against Lieutenant William Bligh on a small, armed transport vessel called Bounty, the true story of this enthralling adventure has become obscured by the legend. Combining vivid characterization and deft storytelling, Caroline Alexander

shatters the centuries-old myths surrounding this story. She brilliantly shows how, in a desperate attempt to save one man from the gallows and another from ignominy, two powerful families came together and began to create the version of history we know today. The true story of the mutiny on the Bounty is an epic of duty and heroism, pride and power, and the assassination of a brave man's honor at the dawn of the Romantic age.

The Bounty Mutiny McFarland

After the mutiny on the Bounty on 28 April 1789, led by Fletcher Christian, Captain William Bligh and 18 others were forced onto a 7-metre-long open boat and cast adrift. It was the beginning of a 47-day, 6700-kilometre journey from Tofua (a volcanic island in the Tonga group) to Timor. On this amazing voyage of survival, Bligh wrote daily entries in a small water-stained notebook and a selection of facsimile pages from this notebook is the foundation of *In Bligh's Hand: Surviving the Mutiny on the Bounty*. All but one of the men survived to reach Timor. *In Bligh's Hand* gives readers an insight into the character of William Bligh, the man who saved his men's lives through his iron will and stubborn adherence to a relentless regime of rationing and navigational calculations that kept the launch on course.

The Eventful History of the Mutiny and Piratical Seizure of H.M.S.

Bounty Saddleback Educational Publishing

Celebrated historian Diana Preston presents betrayals, escapes, and survival at sea in her account of the mutiny of the Bounty and the flight of convicts from the Australian penal colony. The story of the mutiny of the Bounty and William Bligh and his men's

survival on the open ocean for 48 days and 3,618 miles has become the stuff of legend. But few realize that Bligh's escape across the seas was not the only open-boat journey in that era of British exploration and colonization. Indeed, 9 convicts from the Australian penal colony, led by Mary Bryant, also traveled 3,250 miles across the open ocean and some uncharted seas to land at the same port Bligh had reached only months before. In this meticulously researched dual narrative of survival, acclaimed historian Diana Preston provides the background and context to explain the thrilling open-boat voyages each party survived and the Pacific Island nations each encountered on their journey to safety. Through this deep-dive, readers come to understand the Pacific Islands as they were and as they were perceived, and how these seemingly utopian lands became a place

where mutineers, convicts, and eventually the natives themselves, were chained.
