A FINALIST for the Booker Prize, the National Book Critics Circle John Leonard Prize, the VCU/Cabell First Novelist Prize, the Lambda Literary Award, the NYPL Young Lions Award, and the Edmund White Debut Fiction Award “A blistering coming of age story” —O: The Oprah Magazine Named a Best Book of the Year by The New York Times, The Washington Post, New York Public Library, Vanity Fair, Elle, NPR, The Guardian, The Paris Review, Harper's Bazaar, Financial Times, Huffington Post, BBC, Shondaland, Barnes & Noble, Vulture, Thrillist, Vice, Self, Electric Literature, and Shelf Awareness A novel of startling intimacy, violence, and mercy among friends in a Midwestern university town, from an electric new voice. Almost everything about Wallace is at odds with the Midwestern university town where he is working uneasily toward a biochem degree. An introverted young man from Alabama, black and queer, he has left behind his family without escaping the long shadows of his childhood. For reasons of self-preservation, Wallace has enforced a wary distance even within his own circle of friends—some dating each other, some dating women, some feigning straightness. But over the course of a late-summer weekend, a series of confrontations with colleagues, and an unexpected encounter with an ostensibly straight, white classmate, conspire to fracture his defenses while exposing long-hidden currents of hostility and desire within their community. *Real Life* is a novel of profound and lacerating power, a story that asks if it's ever really possible to overcome our private wounds, and at what cost.

After the long exile on Earth, John Carter finally returned to his beloved Mars. But beautiful Dejah Thoris, the woman he loved, had vanished. Now he was trapped in the legendary Eden of Mars -- an Eden from which none ever escaped alive. The Gods of Mars is a science fantasy novel by American writer Edgar Rice Burroughs, the second of his Barsoom series. It was first published in *The All-Story* as a five-part serial in the issues for January-May 1913.[1] It was later published as a complete novel by A. C. McClurg in September, 1918. Excerpt: For moments after that awful laugh had ceased reverberating through the rocky room, Tars Tarkas and I stood in tense and expectant silence. But no further sound broke the stillness, nor within the range of our vision did aught move. At length Tars Tarkas laughed softly, after the manner of his strange kind when in the presence of the horrible or terrifying. It is not an hysterical laugh, but rather the genuine expression of the pleasure they derive from the things that move Earth men to loathing or to tears. Often and again have I seen them roll upon the ground in mad fits of uncontrollable mirth when witnessing the death agonies of women and little children beneath the torture of that hellish green Martian fete-the-Great Games. I looked up at the Thark, a smile upon my own lips, for here in truth was greater need for a smiling face than a trembling chin.

*El-Hi Textbooks & Serials in Print, 2003* The Creative Company These lively stories follow Rey Castaneda from sixth through eighth grade in Nuevo Penitas, Texas. One side of Rey's family lives nearby in Mexico, the other half in Texas, and Rey fits in on both sides of the border. In Nuevo Penitas, he enjoys fooling around with his pals in the barrio; at school, he's one of the "A list" kids. As Rey begins to cross the border from childhood into manhood, he turns from jokes and games to sense the meaning of work, love, poverty, and grief, and what it means to be a proud Chicano—moments that sometimes propel him to show feelings un hombre should never express. It's a new territory where Rey longs to follow the example his hardworking, loving father has set for him.

Of Nathaniel Hawthorne's insight into the Puritan's simultaneous need for fulfillment and self-destruction, D. H. Lawrence wrote, "Nathaniel knew disagreeable things in his inner soul. He was careful to send them out in disguise." By means of artfully crafted and compelling tales, Hawthorne explored the destinies and concerns of early American settlers and citizens. In several of the stories in this collection, characters who hold themselves apart from their fellow man fall prey to the corroding desires of lust for perfection. Then they unwittingly commit evils—against themselves and others—in the name of pride. Edgar Allan Poe noted of Hawthorne's writing: "Every word tells, and there is not a word which does not tell."
