a.org to learn
more. In the
1990s, India's
mediascape
saw the
efflorescence
of edgy soft-
porn films in
the
Malayalam-
speaking state
of Kerala. In
Rated A,
Darshana
Sreedhar Mini
examines the
local and
transnational
influences

that shaped
Malayalam
soft-porn
cinema—such
as vernacular
pulp fiction,
illustrated
erotic tales,
and American
exploitation
cinema—and
maps the
genre's
circulation
among blue-
collar workers
of the Indian
diaspora in
the Middle

East, where pirated versions circulate alongside low-budget Bangladeshi films and Pakistani mujra dance films as South Asian pornography. Through a mix of archival and ethnographic research, Mini also explores the soft-porn industry's utilization of gendered labor and trust-based arrangements, as well as how actresses and production personnel who are marked by their involvement

with a taboo form negotiate their social lives. By locating the tense negotiations between sexuality, import policy, and censorship in contemporary India, this study offers a model for understanding film genres outside of screen space, emphasizing that they constitute not just industrial formations but entire fields of social relations and gendered imaginaries.

The Lesbian Cow and

Other Stories

Hachette UK Perhaps the only novel to have been reprinted nearly every year for over a hundred years, Indulekha (1889) is widely held to be the first Malayalam novel. Often called an 'accidental' and 'flawed' work, at its core lies a love story. The setting of the novel is the Nair community of Kerala, which had for centuries practised polyandrous

matriliny, a most unusual form of inheritance through the woman whom both property and authority flavoured. It gives us glimpses of prevalent social practices much debated amongst a people already under colonial pressure to change their ways of life. Written by a Nair, Indulekha is not a grandiose outpouring but the author's effort to achieve certain social

goals: firstly, to create a novel much like those of the English authors he had read, and secondly, to illustrate Nair society at that time, both of which met with success. The novel influenced the deliberations of the Malabar Marriage Commission which it predated, and of which Chandum enon was a member. This novel will appeal to general readers interested in Indian writings in translation.

Students of literature, history and culture, political and legal theory, and gender studies, will also find it useful. *The Housemaid* Simon and Schuster Collector Bro: The quixotic 'thallals'*of a civil servant (*Thallal - exaggerated bragging in colloquial Malayalam)This is a true story. An untold one that played out in the district of Kozhikode when a young IAS officer

took charge as the District Collector in 2015. Over the next two years, he led the district and transformed the very concept of public administration with the use of social media, public consultation, usage of technology, volunteerism and public participation in governance. The two year tenure of 'Collector Bro' in Kozhikode transformed the landscape and narrative of district

administration and communication with the citizens forever. Within a couple of months, 'Collector Kozhikode' Facebook page became a trendsetter in Kerala, and the most followed district administration page in India. It still is. With initiatives like Compassionate Kozhikode, Operation Sulaimani, Savari Giri, Kozhipedia, Freedom Café, Yo Appooppa and Tere Mere

Beach Mein, IAS officer Prasanth Nair, who was the District Collector of Kozhikode at that time, ushered in a new language of governance that endeavoured to bridge the gap between the district administration and citizens through the optimal employment of social media. The District Collector descended from the colonial ivory towers and mingled as one amongst the common

man, totally dismantling the hierarchical stereotypes that the society was used to. This book traces the story of how exactly this happened and how and why the public responded so overwhelmingly to such an initiative. It also chronicles how these experiences transformed the young officer also - from a hesitant public speaker to a crowd-puller, from an introvert to a seemingly extrovert

energetic leader. For the first time, the emotional roller-coaster of events that re-shaped the attitude and language of engagement by District administration is narrated with all the inside-stories. Straight from the horse's mouth. The author however takes pains not to take centre-stage in the book and manages that somewhat with wit and self-deprecating humour. This book has got nothing to do

with government; but it is all about governance, life and compassion. At one level it is a collection of case-studies, the most readable and engrossing ones, narrated with fun and illustrations. At another level it is a chronicle of a personal journey of a compassionate administrator. This is not a typical arrogant bureaucratic 'I did this' book, but an 'I went through this'

book. Not a high-horsed motivational 'you can do it' book, but a book that makes you think and prioritise what you want to do in life. As Dr. Shashi Tharoor says in the foreword, a must read for all civil servants, civil-service aspirants, students of public administration and all citizens who dream for a better tomorrow.

**Numerical
Secrets of
the Bible**

Hachette UK

The classic guide for dealing with grief and loss. Daily reflections to find solace in our own lives, and comfort in the connection of sharing these meditations with countless others. After the focus on planning and outpouring of love from family and friends in the immediate aftermath following the loss of a loved one, we are left to enter a new version of our lives where someone important is

missing. For days, months, years, the pain of the loss can crash in all at once. It is tempting to push that wave of grief back and soldier on with our new lives, but the loss will never lose its controlling power if we don't find the courage and love to face it. Meditating on the loss, along with the rush of love that comes with it, gives us a chance to rejoice in the life that was shared, and to look forward in which memories of

our loved ones
continue to
bless us. The
short,
poignant
meditations
given here
follow the
course of the
year, but it is
not a
necessity to
follow them
chronological-
ly. They will
strengthen,
inspire, and
give comfort
for as long as
they are
needed.

Press
The first book specifically for daughters suffering from the emotional abuse of selfish, self-involved mothers, Will I Ever Be Good Enough? provides the expert assistance you need in order to overcome this debilitating history and reclaim your life for yourself. Drawing on over two decades of experience as a therapist specializing in women's psychology and health, psychotherapi

st Dr. Karyl McBride helps you recognize the widespread effects of this maternal emotional abuse and guides you as you create an individualized program for self-protection, resolution, and complete recovery. An estimated 1.5 million American women have narcissistic personality disorder, which makes them so insecure and overbearing, insensitive and domineering

that they can psychologically damage their daughters for life. Daughters of narcissistic mothers learn that maternal love is not unconditional, and that it is given only when they behave in accordance with their mothers' often unreasonable expectations and whims. As adults, these daughters consequently have difficulty overcoming their insecurities and feelings of inadequacy, disappointment, sadness,

and emotional emptiness. They may also have a terrible fear of abandonment that leads them to form unhealthy love relationships, as well as a tendency to perfectionism and unrelenting self-criticism, or to self-sabotage and frustration. Her self the recovering daughter of a narcissistic mother, Dr. McBride includes her personal struggle, which adds a profound level of authority to her work,

along with the perspectives of the hundreds of suffering daughters she's interviewed over the years. Their stories of how maternal abuse has manifested in their lives -- as well as how they have successfully overcome its effects -- show you that you're not alone and that you can take back your life and have the control you want. Dr. McBride's step-by-step program will enable you to: (1)

Recognize your own experience with maternal narcissism and its effects on all aspects of your life (2) Discover how you have internalized verbal and nonverbal messages from your mother and how these have translated into a strong desire to overachieve or a tendency to self-sabotage (3) Construct a step-by-step program to reclaim your life and enhance your sense of self,

a process that includes creating a psychological separation from your mother and breaking the legacy of abuse. You will also learn how not to repeat your mother's mistakes with your own daughter. Warm and sympathetic, filled with the examples of women who have established healthy boundaries with their hurtful mothers, Will I Ever Be Good Enough? encourages and

inspires you as it aids your recovery.

 Now the Netflix Limited Series Unbelievable, starring Toni Collette, Merritt Wever, and Kaitlyn Dever • Two Pulitzer Prize-winning journalists tell the riveting true crime story of a teenager charged with lying about having been raped—and the detectives who followed a winding path to arrive at the truth.
 “Gripping . . .

[with a] John Grisham-worthy twist.”—Emily Bazelon, New York Times Book Review (Editors’ Choice) On August 11, 2008, eighteen-year-old Marie reported that a masked man broke into her apartment near Seattle, Washington, and raped her. Within days police and even those closest to Marie became suspicious of her story. The police swiftly pivoted and began investigating Marie.

Confronted with inconsistencies in her story and the doubts of others, Marie broke down and said her story was a lie—a bid for attention. Police charged Marie with false reporting, and she was branded a liar. More than two years later, Colorado detective Stacy Galbraith was assigned to investigate a case of sexual assault. Describing the crime to her husband that night,

Galbraith learned that the case bore an eerie resemblance to a rape that had taken place months earlier in a nearby town. She joined forces with the detective on that case, Edna Hendershot, and the two soon discovered they were dealing with a serial rapist: a man who photographed his victims, threatening to release the images online, and whose calculated steps to erase all physical

evidence suggested he might be a soldier or a cop. Through meticulous police work the detectives would eventually connect the rapist to other attacks in Colorado—and beyond. Based on investigative files and extensive interviews with the principals, *Unbelievable* is a serpentine tale of doubt, lies, and a hunt for justice, unveiling the disturbing truth of how sexual assault

is investigated today—and the long history of skepticism toward rape victims. Previously published as *A False Report With My Mummy* Harper Collins A Warning from the Publisher: Many readers have questions about Lemony Snicket, author of the distressing serial concerning the trials of the charming but unlucky Baudelaire orphans, published under the

collective title A Series of Unfortunate Events. Before purchasing, borrowing, or stealing this book, you should be aware that it contains the answers to some of those questions, such as the following: 1. Who is Lemony? 2. Is there a secret organization I should know about? 3. Why does Lemony Snicket spend his time researching and writing distressing books concerning the Baudelaire orphans? 4.

Why do all of Lemony Snicket's books contain a sad dedication to a woman named Beatrice? 5. If there's nothing out there, what was that noise? Our advice to you is that you find a book that answers less upsetting questions than this one. Perhaps your librarian, bookseller, or parole officer can recommend a book that answers the question, "Aren't ponies adorable?"

Amma Darko's new novel is a dramatic story of exploitation in modern Ghana.

The Eighth Ring

Bloomsbury Publishing USA

This sweeping, emotionally-resonant fantasy from beloved author Jessica Day George is perfect for fans of Princess Academy and Black Beauty. When orphaned Anthea Cross-Thornley receives a

letter from a long-lost uncle, she wonders if she will finally find a true home. But she is shocked to learn that her uncle secretly breeds horses-animals that have been forbidden in her kingdom for centuries. More alarming is Anthea's strange ability to sense the horses' thoughts and feelings, an ancient gift called The Way. Confused and terrified, Anthea is desperate to leave, but when her

family and kingdom are put at risk, can she embrace The Way and the exciting future it might bring her? A Mighty Girl Best Book of the Year Money Magic John Wiley & Sons Truly Mars and Venus celebrates the wisdom of the number one international bestseller Men Are from Mars, Women Are From Venus. With passages drawn from John Gray's groundbreaking classic on relationships, this beautiful book is

illustrated with humorous cartoons and charming artwork by Barbara State. The perfect gift for a loved one or for yourself, Truly Mars and Venus delivers John Gray's rich and inspiring advice for creating and sustaining healthy and loving relationships. **The Birthday Of The World and Other Stories** D C Books Hva skjer med Sam og Choru når de drar på fisketur?
