This book examines
both specific issues
and more general
problems stemming
from the interaction of
religion, travel and
tourism with hospitality

and culture, as well as
the implications for site
management and
interpretation. It
explores the oldest
form of religious
tourism - pilgrimage -
from its original form
to the multiple spiritual
and secular variations
practised today, along
with issues and
conflicts arising from
the collision of religion,
politics and tourism.
The volume considers

the impact of tourism and tourist numbers on religious features, communities and phenomena, including the deliberate involvement of some religious agencies in tourism. It also addresses the ways in which religious beliefs and philosophies affect the behaviour and perceptions of tourists as well as hosts. The book illustrates how different faiths interact with tourism and the issues of catering for religious tourists of the major faiths, as well as managing the interaction between increasing numbers of secular tourists and pilgrims at religious sites.

Guru Charitra is one of the most revered

scriptural texts of Hinduism. Containing the biographies of Lord Dattatreya, (Lord Bramha, Vishnu and Mahesh) and his subsequent incarnations Sripada Sri Vallabha and Sri Narasimha Saraswati, it clarifies several doubts on religious dogmas, rituals and doctrines through a conversation between the master and his disciple. This book, steeped in lofty Hindu philosophical ideas also portrays a picture of the social and economic condition of the medieval times in India, and the message conveyed by the numerous teachings of the Guru needs to be understood in the context of those days. Reading of this interactive account, written in simple and

lucid language will give strength and encouragement to spiritual aspirants to continue with their sadhana (spiritual pursuit), enable them to overcome the various problems of modern day living and fulfil their inherent wishes.

COMPARABLE IN

TheWay of a Pilgrim

Lawrence's The
Practice of the
Presence of God, this
book is an
extraordinary spiritual
autobiography. It
recounts the story of a
homeless monk's
journey as he travels
the dusty roads and
paths of the Indian
subcontinent, from the

ancient temples of the south to the awe-inspiring, snow-covered Himalayas of the north. This is the tale of a pilgrimage, vividly and compellingly told, taken with the hallmarks of complete faith in the Creator and constant remembrance of God. Swami Ramdas did not accept money and treated all people he encountered as manifestations of his Beloved. The narrative contains many inspiring accounts of how his pure love transformed people who at first treated him very harshly. Whatever situation he was placed in, he didn't fail to notice the lighter side, which appealed to his keen sense of the comic and ludicrous in life. He never lost this quality, even after he

became God-intoxicated and lived on the road in total, blissful surrender to the divine will. Many readers find themselves in a lifelong love affair with this story. This book is the first in a trilogy chronicling Swami Ramdas' pilgrimage to God-realization. The next two volumes, *In the Vision of God*, volumes I and II, are also available from Blue Dove Press.

The material in this volume is culled from over two thousand stories about Maharajji gathered during five years from more than one hundred devotees. To these devotees who shared their treasured memories, I wish to express my deep love and appreciation. Some of them felt that no book could or should be written about a being with qualities as vast, formless, and subtle as

Maharajji's, and yet they contributed their stories nevertheless. I honor them for this kindness and I hope that in my zeal to share experiences of Maharajji with others who were not fortunate enough to have met him, I have not misused their trust. Some devotees tell me that stories told by other devotees are not factually accurate. I have no way of ascertaining the authenticity of any single story. All I can report is that those of us who gathered the stories were impressed by the credibility of those of us who told the stories. Though the responsibility for this manuscript lies solely with me, I am delighted to acknowledge a lot of loving help from my

friends:

Miracle of Love - Stories about Neem Karoli Baba Read Books Ltd

Highly revered by hundreds of millions of Indian devotees over that past three centuries, Dasbodh is truly a "Grantharaj," a King among spiritual books. The great Saint Samartha Ramdas has many literary works attributed to him, of which, Dasbodh and Manache Shlok are the two most well-known. Dasbodh is very highly revered and commonly studied, even in many business and

management courses. The sound principles contained within its pages help people from all walks of life to be successful not only in spiritual life, but in business, politics, society, and family life as well. Saint Samartha Ramdas is considered to be somewhat unique when compared to other previous or contemporary Maharashtran saints such as Jnanadev, Eknath, and Tukaram, in that their teachings for the most part focused exclusively on the topics Vedanta, devotion, mysticism, and spiritual practice. The teachings of Samartha Ramdas not only includes these topics, but in them, we also find messages of the importance of the wise use of positive effort, discrimination,

determination, and practical shrewdness in daily life and politics. Samartha is recognized as having been a great leader and an advocate for socio-political and religious reforms, regeneration, and reorganization. He is well-known for promoting the ideal of establishing and maintaining a harmonious, happy, and morally healthy society supported by a solid foundation of deep spirituality.

Shivaji is a well-known hero in western India. He defied Mughal power in the seventeenth century, established an

independent kingdom, and had himself crowned in an orthodox Hindu ceremony. The legends of his life have become an epic story that everyone in western India knows, and an important part of the Hindu nationalists' ideology. To read Shivaji's legend today is to find expression of deeply held convictions about what Hinduism means and how it is opposed to Islam. James Laine traces the origin and development of the Shivaji legend from the earliest sources to the contemporary accounts of the tale. His primary concern is to discover the meaning of Shivaji's life for those who have composed- and those who have read-the legendary accounts of his military victories, his daring

escapes, his relationships with saints. In the process, he paints a new and more complex picture of Hindu-Muslim relations from the seventeenth century to the present. He argues that this relationship involved a variety of compromises and strategies, from conflict to accommodation to nuanced collaboration. Neither Muslims nor Hindus formed clearly defined communities, says Laine, and they did not relate to each other as opposed monolithic groups. Different sub-groups, representing a range of religious persuasions, found it in their advantage to accentuate or diminish the importance of Hindu and Muslim identity and the

ideologies that supported the construction of such identities. By studying the evolution of the Shivaji legend, Laine demonstrates, we can trace the development of such constructions in both pre-British and post-colonial periods.

The book contains 108 stories. Many of the stories were either

heard or read by Ramdas on various occasions. The reader will find in the book also stories told by Sri Ramakrishna, Sri Ramana Maharshi and other saints of India and abroad. The collection is by no means exhaustive. But the stories presented here will no doubt prove to be a source of instruction and enlightenment to the spiritual aspirant.

The most popular book 'Manache Shlok or Manobodh' includes 205 shloka with 4 lines each. Since the 17th century, 'Manache

Shlok are being recited by common people in Maharashtra. Many have learnt them by heart, since the style of shlokas is unique, easy, beautiful and simple, though artistic and meaningful. Manache Shlok teaches your mind to change yourself gradually. The great saint Samartha Ramdas teaches us to have dialogue with our own mind. Your own mind is your friend, your enemy and your own mind can be also your Guru. Find out the reasons of your anger, jealousy, greed, sorrow, depression, fear, because these are the negative emotions, which you have to face constantly in your life. Convince your mind with Ramdas's words as he says, "O you, my coward mind, why are you afraid of worldly

sorrows? Get rid of fear and hold courage".

this book to be an eye-opener. A mature seeker will be catapulted into the highest meditative states in the very process of reading this.

Lokrajya

The present book is an English translation of Mahipati's Marathi poem Bhakta-Vijaya which records the legends of Indian saints, irrespective of their difference in caste, community, creed, language and place of origin. Thus we have the record of different saints - Yayadeva, Jnanadeva, Namadeva, Ramananda,

Tulasidasa, Kabir, Suradasa, Narsi Mehta and Guru Nanakadeva. A lot of information is available on Ekanath-the greatest scholar-philosopher-saint-poet-cum-social reformer and the towering personalities Tukaram and Ramadasa. It also records the miraculous and fascinating legends of several saints, how they spread the Bhakti cult, how they struggled against discrimination between man and man and how they tried to uproot the malpractices which prevailed in the name of Religion in those days.
