*Billboard* Hachette UK

**Only Fools and Horses - The Official Inside Story** takes us behind the scenes to reveal the secrets of the hit show and is fully authorised by the family of John Sullivan, the show's creator and writer. The book is based on dozens of one-to-one interviews conducted by author Steve Clark with the show's stars including Sir David Jason and Nicholas Lyndhurst and key members of the production team.

**Rick Steves Berlin** Hachette UK

Pink Floyd are one of the most iconic and influential rock bands in

the world: their sonic ambition, lyrical dexterity and structural ability are unparalleled in rock music. Since their formation in 1965, they have released 15 studio albums and sold over 250 million records. Their eighth album, *Dark Side of the Moon*, is one of the highest-selling British albums in the world. Mike Cormack takes a deep dive into the music of Pink Floyd, resulting in the first serious appraisal of the band's immense achievements, whilst also giving an overview of the UK's concurrent social and political history as seen through the prism of the band. In addition to a song-by-song analysis, Mike also shares exclusive band interviews, a full chronology and gig guide, and a full bootleg guide. *Everything Under the Sun* is the definitive account of the career of rock's most devastatingly emotional and articulate band.

**U2 - The Best of 1990-2000 (Songbook)** Penguin UK

The Irish rock band U2, and especially its frontman Bono, are among the most effective activists ever. U2 has convinced wealthy governments to forgive tens of billions of dollars in loans while spreading its activist messages to billions of people, helping save millions of lives. So how did four boys from one of the poorest countries in the West achieve this? Who and what influenced them? What strategies did they use to succeed as much as they did as activists, and how did those strategies change over time? In particular, how did lead singer Bono make the leap into superstar lobbying? And, with so much attention on him, how has he handled critics who have taken to task his work on behalf of developing countries? In *The World and U2: One Band's Remaking of Global Activism*, Alan McPherson trains a historian's eye on the evolution and influence of the band's activism from its formation in 1976 to its most recent album and concert tour. Throughout its nearly four decades, the band has held up a mirror to the increasing selfishness in the world while at the same time working to fill the void left by those who have abandoned the world's poor to their plight. From raising awareness about war and human rights in the 1980s to engaging in direct action in the 1990s to moving mountains of cash for the planet's poorest in the twenty-first century, the band, and especially Bono, have both raised the bar and set the example for other celebrity activists. But it is also a success that has brought a greater scrutiny to bear on U2's activism and initiated a healthy debate about the merits of Western development aid. *The World and U2: One Band's Remaking of Global Activism* tells this story of U2's successful storming of the world's philanthropic stage. It will enchant the band's fans, engage its critics, and offer lessons—and warnings—to activists seeking to change things for the better.

**U2: A Diary** Lexington Books

They've frequently been described as the biggest band in the world. The Joshua Tree alone has sold more than fifteen million copies worldwide. They hold the record for the most Grammy wins by a rock act. And their 360 tour, which started in 2009, attracted more than seven million fans and is one of the highest-grossing tours of all time. U2 has revolutionized the definition of rock band by staying true to its beliefs and passions, through meteoric success, public controversy, and an astounding forty-year working relationship. Now for the first time, get the complete photographic history of one of the world's most influential and legendary rock bands. Mat Snow's *U2: Revolution* is lushly illustrated with over two hundred photos and two gatefold timelines exploring the band's incredible history. Starting with their roots in Dublin where the four teenaged friends first started playing together in Larry Mullen's kitchen, Snow follows the band through their debut album, *Boy*, their chart-topping albums of the 1980s, their record-breaking tours and global activism of the 1990s, and their reflective reconnection with core fans in the twenty-first century.

**U2: Song by Song** Pan Macmillan

In its 114th year, Billboard remains the world's premier weekly music publication and a diverse digital, events, brand, content and data licensing platform. Billboard publishes the most trusted charts and offers unrivaled reporting about the latest music, video, gaming, media, digital and mobile entertainment issues and trends.

**Billboard** Ballantine Books

Is it possible to be a committed Christian and a rock superstar? Can political activists make good music? Do hugely successful rock bands really care about AIDS and poverty in Africa, or is it just another image-enhancing schtick? U2 and Philosophy ponders these and other seeming dichotomies in the career of

the Irish supergroup. For over two decades, U2 has been one of the biggest acts in rock music. They've produced over a dozen platinum and multiplatinum records and won 15 Grammy Awards. Critics everywhere have praised the band's thoughtful, complex lyrics and the artistry of their music. At the same time, Bono, the group's lead singer, has dedicated himself to political and social causes, blurring the line between rock star and respected statesman. Offering fresh insight into the band's music and activism, these thought-provoking essays allows fans to discover philosophy through the eyes of U2, and rediscover U2 through the eyes of philosophers.

**Straight Into Darkness** Hachette UK

What if safety felt like prison? How does a girl who never had a place in the world before it ended, find her place in the new world? Ninety-five percent of the people on the planet are dead. Lizzie is pregnant from an end of world one-night stand, and the situation is complicated. Her family, friends, the government of Provo, aka The City and one of the last outposts of civilization, all want to keep her safe. And it's driving her nuts. She should be staying safe inside the walls of The City, but she's got to get out. A dangerous mission is exactly what she needs right now.

You can count on Rick Steves to tell you what you really need to know when traveling in Berlin. In this compact guide, Rick Steves covers the best of Berlin, including tips on arrival, orientation, and transportation. Visit the Jewish Museum, the Reichstag Parliament Building, the New Synagogue, or the Kaiser Wilhelm Memorial Church—you'll get tips on all the best tours and least-crowded visiting hours. Rick offers his firsthand advice on the best sights, eating, sleeping, and nightlife, and the maps and self-guided tours will ensure you make the most of your experience. More than just reviews and directions, a Rick Steves Snapshot guide is a tour guide in your pocket. Rick Steves Snapshot guides consist of excerpted chapters from Rick Steves' European country guidebooks. Snapshot guides are a great choice for travelers visiting a specific city or region, rather than multiple European destinations. These slim guides offer all of Rick's up-to-date advice on what sights are worth your time and money. They include good-value hotel and restaurant recommendations, with no introductory information (such as overall trip planning, when to go, and travel practicalities).

**The World and U2** Lexington Books

Here, in one complete volume, is the depth and breadth of the great island nation and its people represented in an easily browsed, friendly format. From the Abbey Theatre to the Dublin storyteller Zozimus; from the origin of the Troubles to the origin of the limerick; from the stunning beauty of Connemara to the shattering tragedy of Bloody Sunday; from the greatest writers of the English language to the "confrontational television" of Gay Byrne's *The Late Late Show*—every aspect of Irish culture, geography, and history is collected and annotated in more than 900 entries from A to Z. Readers will encounter heroes and terrorists, poets and politicians, all of Ireland's counties, ancient myths, and pivotal events—all expertly and succinctly described and explained. With entries written by some of the world's leading authorities on Ireland, *Everything Irish* is perfect for everyone, from the inquiring reader to the serious student. You can spend a few minutes learning about the much-maligned Travelers and then move on to the equally contentious (in its time) medieval tithe. Visit the majestic Cliffs of Moher and then delve into an analysis of paramilitary groups like the Irish Republican Army and the Ulster Volunteer Force. Explore the ruins of a Romanesque castle or experience the piercing light of the winter solstice inside prehistoric Newgrange, a passage grave older than the pyramids. Across centuries and across counties,

the rich landscape of Irish life and heritage springs to life in these pages. An indispensable source of fascinating information and captivating anecdote, this is one book that will never be far from the hands of those with curious minds or an adventurous spirit.

Things That Make You Go Hmmm: The '90s Music Party Game

Bloomsbury Publishing USA

U2's ongoing popular appeal is constructed in the spaces between band and fan, commercialism and community, spirituality and nihilism; finding meaning in a surface-oriented popular culture and contradiction in the depths of political and faith-based institutions. The band's long-term success and continued relevance is a result of their ability to hold these energies in tension without one subsuming the other—to live in the liminal space that such contradictions invite. U2's mythic trajectory was born from a bygone electronic era, realized in our current digital era but with an eye on the forthcoming virtual era; it is a new myth for the whole world, found in the most unlikely of places, popular culture. This book approaches the band's mythic trajectory through a combination of rhetorical analysis and autoethnographic explorations that unveil the more personal experiences most of us have with media. Drawing heavily upon

the works of Marshal McLuhan, Joseph Campbell, Thomas S. Frentz, and Janice Hocker Rushing, Myth, Fan Culture, and the Popular Appeal of Liminality in the Music of U2 unpacks U2's popular appeal through the lenses of Agape (spiritual, communal love), Amor (romantic love), and Eros (erotic love). Check out the book's official website for additional information:

Exploring U2: Is This Rock 'n' Roll? features new writing in the growing field of U2 studies. In keeping with U2's own efforts to remove barriers that have long prevented dialogue for understanding and improving the human experience, this collection of essays covers such disciplines as literature, music, philosophy, and theology.

U2 - Uncensored On the Record Fonthill Media

This new and updated edition of U2 A Diary brings U2's story up to date with information about the band's ground-breaking film, U2 3D, recording sessions for No Line on the Horizon and the story of how the album was leaked online twice before its official release, the U2 360 world tour and Bono's back injury that forced an entire leg to be postponed and the band's struggles to decide how to follow No Line on the Horizon and the 360 Tour with new material. Here is the complete history of U2 told exactly as it happened in day-by-day diary format. As well as following the mid-1970's birth of the band to the present day in journal form, U2: A Diary also includes new revelations and fresh insights into key moments of U2's development. Through interviews and extensive research, author Matt McGee sheds light on stories. Fully illustrated with pictures spanning the band's career, this is a fanatically detailed account of a legendary group's life!

*U2 and Philosophy* Open Court

U2's success and significance are due, in large part, to finding inventive, creative solutions for overcoming obstacles and moving past conventional boundaries. As it has embraced change and transformation over and over again, its fans and critics have come to value and expect this element of U2. These new essays from the disciplines of organizational communication, music theory, literary studies, religion, and cultural studies offer perspectives on several ways U2's dynamic of change has been a constant theme throughout its career. These essays came from the U2 Conference 2013 exploring the music, work, and influence of U2, and to further the scholarship on U2.
