COHEN ELLIANA

Winning the Money Game Xlibris Corporation

“Simply put, there is absolutely nothing on the market with the range of ambition of this strikingly eclectic collection of essays. Not only is it impossible to imagine a more comprehensive view of the subject, most readers – even specialists in the subject – will find that there are elements of the Gothic genre here of which they were previously unaware.” - Barry Forshaw, Author of *British Gothic Cinema and Sex and Film* The Palgrave Handbook of Contemporary Gothic is the most comprehensive compendium of analytic essays on the modern Gothic now available, covering the vast and highly significant period from 1918 to 2019. The Gothic sensibility, over 200 years old, embraces its dark past whilst anticipating the future. From demons and monsters to post-apocalyptic fears and ecological fantasies, Gothic is thriving as never before in the arts and in popular culture. This volume is made up of 62 comprehensive chapters with notes and extended bibliographies contributed by scholars from around the world. The chapters are written not only for those engaged in academic research but also to be accessible to students and dedicated followers of the genre. Each chapter is packed with analysis of the Gothic in both theory and practice, as the genre has mutated and spread over the last hundred years. Starting in 1918 with the impact of film on the genre's development, and moving through its many and varied international incarnations, each chapter chronicles the history of the gothic milieu from the movies to gaming platforms and internet memes, television and theatre. The volume also looks at how Gothic intersects with fashion, music and popular culture: a multi-layered, multi-ethnic, even a trans-gendered experience as we move into the twenty first century.

The Literature of Rock, II, 1979-1983 Penguin

The best of the cult-favorite music magazine *Rock* covers conversations with overlooked or forgotten artists, from the Outlaw Country singer David Allan Coe to the frustrated interstellar glam act Zolar X.

Fast access to the facts—the 1997 Information Please Sports Almanac showcases all the winners and losers, year by year, sport by sport, like no other almanac. With more than 950 fact-filled pages, the IPSE has been revised and updated to reflect every change in the universe of sports during the past year, including the newly created Pro Soccer and Indy Racing leagues, a greatly expanded Olympics section, and complete coverage of the World Series.

Are We Rich Yet? AUYK Books

Theodore G. Manno traces the history of nutria from their natural range in South America to their status as an invasive species known for destroying the environmentally and economically important wetlands along the Gulf Coast. In this definitive book on “swamp rats,” Manno vividly recounts western expansion and the explosion of the American fur industry. Then he details an apocalyptic turn—to replace an overhunted beaver population in North America, humans introduced nutria. With an eclectic repertoire of true stories that read like fiction and are played out by larger-than-life characters, Manno conveys the legend of empire-seeking fur trappers, the bizarre miscommunications that led to nutria releases, and the sadness that comes with killing millions of nutria whose ancestors were never meant to leave their South American habitat. He tells of disastrous interactions among hungry nutria, storm surges from Hurricane Katrina, and major oil spills. His extensively researched and epic narrative, accompanied by more than thirty photographs and entertaining interviews with biologists, historians, fashion designers, and chefs, weaves a poignant tale of empire, conquest, fortune, and even Tabasco Sauce. Manno provides a full overview of what is currently known about nutria—a species now aggressively hunted with a bounty program

because of their reputation for wetland destruction.

Broadway Musicals, 1943-2004 Duke University Press

“A refreshing and rigorous analysis of financial self-help that gets to the heart of identity formation in neoliberalism . . . sociology at its best.” —Peter Miller, London School of Economics In this era where dollar value signals moral worth, Daniel Fridman paints a vivid portrait of Americans and Argentinians seeking to transform themselves into people worthy of millions. Following groups who practice the advice from financial success bestsellers, Fridman illustrates how the neoliberal emphasis on responsibility, individualism, and entrepreneurship binds people together with the ropes of aspiration. *Freedom from Work* delves into a world of financial self-help in which books, seminars, and board games reject “get rich quick” formulas and instead suggest to participants that there is something fundamentally wrong with who they are, and that they must struggle to correct it. Fridman analyzes three groups who exercise principles from *Rich Dad, Poor Dad* by playing the board game *Cashflow* and investing in cash-generating assets with the goal of leaving the rat race of employment. Fridman shows that the global economic transformations of the last few decades have been accompanied by popular resources that transform the people trying to survive—and even thrive. “A gifted observer, Fridman’s ethnographic account uncovers a unique blend of morality and economics in self-help groups pursuing their dream of financial freedom. This book contributes to economic and cultural sociology but will also fascinate general readers.” —Viviana A. Zelizer, Lloyd Cotsen '50 Professor of Sociology, Princeton University “A wonderful portrait of how financial technologies of the self work in modern culture.” —Marion Fourcade, University of California, Berkeley

New York Magazine Troubadour Publishing Ltd

In 2000 No Logo described a vision of rapacious corporations building brands at the expense of impoverished third world employees and ripped-off first world consumers. Now, only eight years later, No Logo looks almost optimistic against the rise of a new and insidious club of global billionaires who are buying up once unfashionable industries like oil, steel, shipping and mining from distressed third-world nations and formerly Communist powers. Often backed by mafia money or dubious political connections, these oligarchs have no shareholders and no home nation - they are the sum total of their corporations. We are dependent on these men - they fuelled our recent boom. They come to us for our light taxation and our willingness to sell them class and influence via an Eton education for their kids and cheaply bought honours. These men are becoming ever richer as the rest of the world suffers credit crunch and recession. They deal in the commodities that the planet's economies need but which are becoming ever more scarce. There are no national governments that can control or legislate against them - they will simply move to another of their five or six palatial homes. In this recession, we are all acutely aware of our dwindling wealth and the spiralling prices of essentials. The fact that these are in fewer and nastier hands than ever before has rarely - if ever - been explained by the media. It's time for a book that points out the power of these individuals and how they are just the start of a deeply worrying trend. The buyers of Tesco and No Logo have long been aware of overly powerful corporations. The rise of men whose personal wealth and power far outranks most of the companies in these books should alarm these concerned citizens - and encourage them to find out more. This book will paint a vivid picture using interviews, first hand experience, expert comment and some futurology to give them the information they need.

The Best Plays Hachette UK

Morgan, a young entrepreneur and self-made businessman who made a fortune and lost it all, had to fight for his life to rebuild his business and build an empire while struggling to make ends meet. He details the motivation, success, hard work and no-bull attitude people need to make their dreams come true.

Swamp Rat Rowman & Littlefield

Some extraordinary rats come to the aid of a mouse family in this Newbery Medal Award-winning classic by notable children's author Robert C. O'Brien. Mrs. Frisby, a widowed mouse with four small children, is faced with a terrible problem. She must move her family to their summer quarters immediately, or face almost certain death. But her youngest son, Timothy, lies ill with pneumonia and must not be moved. Fortunately, she encounters the rats of NIMH, an extraordinary breed of highly intelligent creatures, who come up with a brilliant solution to her dilemma. And Mrs. Frisby in turn renders them a great service.

Paranoid Finance Stanford University Press

Published for the first time in hard cover this invaluable handbook contains 1000 entries taken from the Encyclopedia of Popular Music, offering an insight into the 60s -- the most analyzed yet least understood decade in the history of popular music. It includes every artist who had a significant impact on the development of rock and pop music in those ten years, from the Beatles-led invasion of America to the States' own pop aristocracy of Phil Spector and the Beach Boys, from the rise of Motown to the arrival of psychedelia and the Summer of Love. A perfect mix of fact and informed opinion contained in one single volume. Covers the essential elements -- dates, career facts, discography, album ratings plus a sense of context for each artist.

An Embarrassment of Riches Virgin Books Limited

On March 31, 1943, the musical Oklahoma! premiered and the modern era of the Broadway musical was born. Since that time, the theatres of Broadway have staged hundreds of musicals--some more noteworthy than others, but all in their own way a part of American theatre history. With more than 750 entries, this comprehensive reference work provides information on every musical produced on Broadway since Oklahoma's 1943 debut. Each entry begins with a brief synopsis of the show, followed by a three-part history: first, the pre-Broadway story of the show, including out-of-town try-outs and Broadway previews; next, the Broadway run itself, with dates, theatres, and cast and crew, including replacements, chorus and understudies, songs, gossip, and notes on reviews and awards; and finally, post-Broadway information with a detailed list of later notable productions, along with important reviews and awards.

Rats Saw God ARMOUR PUBLISHING PTE LTD

More than two decades strong, the Saint-Germain cycle is one of the most compelling works of dark fantasy and horror of our age. Historically accurate, often involving key events or figures from throughout world history, these deeply emotional novels have a devoted readership. Each novel is written as a stand-alone and they are not chronologically consecutive, so readers may enter the saga with any book and move backward or forward in time as they choose, from Pharaonic Egypt to Paris in the 1700s, from the fall of the Roman Empire to World War II Europe. In *An Embarrassment of Riches*, the vampire Count finds himself a virtual prisoner in the Court of Kunigunde in Bohemia in the 1200s. Rakoczy Ferncsi, as Saint-Germain is known, passes his days making jewels to delight Queen Kunigunde and trying not to become involved in the Court's intrigues. In this, the vampire fails. Handsome, apparently wealthy, and obviously unmarried, he soon finds himself being sexually blackmailed by Rozsa, an ambitious lady-in-waiting. If he does not satisfy her, she will denounce him to the priests and he'll be burned at the stake, resulting in his True Death. Despite his care, the vampire makes more than one enemy at the Bohemian Court, and by the end of *An Embarrassment of Riches*, the Count can see only one road to freedom...through death. At the Publisher's request, this title is being sold without Digital Rights Management Software (DRM) applied.

From Rags to Riches John Wiley & Sons

There is a link between finance and paranoia, and that link may well be inescapable. At the core of financial imagination lies a notion of value -- of 'value creation' -- that is loaded with trouble. This is the trouble of a fragile metaphor: a metaphor of fecund money and future return, of true value and false value, of true value that should be protected from the perils of dilapidation, expropriation and speculation, but whose substance is in fact nowhere to be found. Contemporary conspiratorial, millennialist discourse on money, banking and wealth does not embody a delirious misrepresentation of the logic of finance: rather, it exacerbates the paranoid potentials inherent in mainstream financial imagination. This is the radical hypothesis developed in this book: that of paranoid finance as a sedimentation of the demons that haunt the conventional categories of financial value. Tutorials abound today that guarantee access to secret knowledge about the financial system, to magical currencies that release eternal returns, to legal schemes conducive to personal sovereignty, and to a way out of economic enslavement. They often combine disparate elements of esotericism, conspiratorialism, antisemitism, populism, libertarianism or spiritualism. But as Muniesa shows, they also provide a testbed for a critique of the limits of financial imagination.

Out of the petting zoo and into the city! In their second hilarious adventure, best friends Pigmund and Lizárdo discover a crazy old movie theatre...full of secrets. And tasty nachos. Not long ago, a potbellied pig and an iguana declared independence from their petting zoo. And now Pigmund and Lizárdo have stepped off a bus and into BIG CITY CITY! They are THE UNPETABLES...and if you need a pet, you can hire them. That is, if you sign a pet contract that says NO PETTING ALLOWED! In this adventure, the Unpetables are ON THE ROAD and IN SEARCH OF THEIR DESTINY. But will Pigmund be distracted from their destiny by a mysterious movie theater cat? Or will Maintenance Man Kenny finally track them down and spoil the show? Grab a bucket of popcorn and find out.

The Global Resilience Project McFarland

Steve details his descent from bright star to burnout in this newly repackaged edition of the definitive, highly acclaimed novel from the creator of *Veronica Mars* and *Party Down*. Houston, sophomore year: Steve is on top of the world. He and his friends are the talk of the school. He's in love with a terrific girl. He can even deal with "the astronaut"--a world-famous hero who happens to be his father. San Diego, senior year: Steve is bummed out, drugged out, flunking out. A no-nonsense counselor says he can graduate if he writes a 100-page paper. So Steve starts writing, and as the paper becomes more and more personal, he reveals how a National Merit Scholar has become an under-achieving stoner. And in telling how he got to where he is, Steve discovers how to get to where he wants to be.

This guide lists about 12,000 rock albums released through mid-1982.

The New Rolling Stone Record Guide Random House

Despite an often unfair reputation as being less popular, less successful, or less refined than their bona-fide Broadway counterparts, Off Broadway musicals deserve their share of critical acclaim and study. A number of shows originally staged Off Broadway have gone on to their own successful Broadway runs, from the ever-popular *A Chorus Line* and *Rent* to more off-beat productions like *Avenue Q* and *Little Shop of Horrors*. And while it remains to be seen if other popular Off Broadway shows like *Stomp*, *Blue Man Group*, and *Altar Boyz* will make it to the larger Broadway theaters, their Off Broadway runs have been enormously successful in their own right. This book discusses more than 1,800 Off Broadway, Off Off Broadway, showcase, and workshop musical productions. It includes detailed descriptions of Off Broadway musicals that closed in previews or in rehearsal, selected musicals that opened in Brooklyn and in New Jersey, and American operas that opened in New York, along with general overviews of Off Broadway institutions such as the Light Opera of Manhattan. The typical entry includes the name of the host theater or theaters; the opening date and number of performances; the production's cast and creative team; a list of songs; a brief plot synopsis; and general comments and reviews from the New York critics. Besides the individual entries, the book also includes a preface, a bibliography, and 21 appendices including a discography, filmography, a list of published scripts, and lists of musicals categorized by topic and composer.

The Palgrave Handbook of Contemporary Gothic Simon and Schuster

In this book, first published in 1987, Wolfgang Mieder follows the intriguing trail of some of the best known pieces of folk literature, tracing them from their roots to modern uses in advertising, journalism, politics, cartoons, and poetry. He reveals both the remarkable adaptability of these tales and how each variation reflects cultural and historical changes. Fairy tales, legends, folk songs, riddles, nursery rhymes, and proverbs are passed from generation to generation, changing both in form and meaning with each use. This book will be of interest to students of literature.

Goldmine Record Album Price Guide Univ of California Press

From Rags to Riches Til Death do us Part In a quaint town near lake Erie, the mild mannered Henry Thomas Belt settled into his role in life. For thirteen years he struggled to live and send enough money back home to support his family in Stamford Ontario. Not far away but in 1888 it was if you only had enough to live on. His work never allowed time enough for a visit. Now with Christmas upon him, he thought of his father and sister and how much he missed them. Early one morning he received terrible news. His boss was found murdered the night before right after he had left work. Now out of work and a prime suspect in a murder, his life seemed doomed. To prove his innocence he couldnt go to see them. Stuck in his tangled web, Henry soon discovers there are miracles along with tragedies. Thinking he was the luckiest man on earth until he hits head on with the hand of fate. Read the journal he leaves behind accounting from the time he loses his job. To being a fugitive in a strange world of twisted circumstance. Did he ever find his true love? After all! Can true love keep you alive? It is dark and eerie in this old abandoned room of the Palmer Boarding House. With some of the wallpaper that is torn off and hanging in strips. Along with old blistered paint, that is peeling away from the wood trim. It looks tired and run down now and I feel a bit sad because of its ill kept state. This was once my room and I never would have thought Id be forced to stay here against my will. It has only been a few short months since I had to move out. Now I am back and I do not know how long I have to stay hiding in this unpleasant prison. Earlier today I had to take refuge amongst the scattered debris that was left behind in my apartment. I had heard footsteps coming up the stairs. A constable looked through the opened doorway into the room, as I watched him from the pile of boxes and old news prints. My heart beat frantically, I thought he could see me or would hear me, but he did not. He seemed satisfied that the room contained nothing more than rubbish or the occasional rat or mouse. He closed the door and continued down the hallway to check the rest of the upstairs. The officer would only find the bathroom and the small linen closet. I watched the door carefully, waiting for it to open again. To my relief, I heard him go downstairs. A little later I was sure the constable had left the building. Still I remained hidden for about two long and arduous hours. With the greatest of caution, I crawled upon my hands and knees toward the window, on the opposite side of the room. Slowly I ventured to peek out of the window with my nose pressed against the sill. There was no one to be seen on the street below. The lace curtains now tattered and dusty, blew to and fro in the breeze coming through the broken window pane. The curtains will help hide my presence here, I hope. Feeling the stress upon myself and worried what I was to do, I sat on the floor beneath the window, with my back against the wall. My eyes focussed on the debris in the room. I was trying to sort out the thoughts that were dancing around in my head. What am I going to do now? Nearly crying out loud. Survival became my ultimate choice and I soon knew what to do. Going from one abandoned apartment to another on the first floor, with the results of a few canned goods, preserves and flour. In order to cook anything without being detected, I would have to use the wood stove in Mrs. Lawrence's old apartment downstairs. The brick buildings were constructed so close together that they had to join into one chimney. They would think that the smoke was coming from the other apartment house. The water at first reeked with reddish brown rust from the old pipes. It was difficult to locate a decent cooking pot without a hole in the bottom. Miss. Palmers apartment yielded the greatest treasure

Tradition and Innovation in Folk Literature Univ. Press of Mississippi

(Book). If Howard Kaylan had sung only one song, the Turtles' 1967 No. 1 smash hit "Happy Together," his place in rock-and-roll history would still be secure. But that recording, named in 1999 by BMI as one of the top 50 songs of the 20th century, with over five million radio plays, is only the tip of a rather eye-opening iceberg. For nearly five decades, Howard Kaylan has been a player in the rock-and-roll revolution. In addition to his years with the Turtles, Kaylan was a core member of Frank Zappa's Mothers of Invention and the dynamic duo Flo and Eddie, and part of glam rock history with Marc Bolan and T. Rex. He's also given street cred and harmonies to everyone from John Lennon, Bruce Springsteen and Alice Cooper to the Ramones and Duran Duran, to name just a few. Howard Kaylan's life has been a dangerous ride that he is only too happy to report on, naming names and shedding shocking tales of sex, drugs, and creative excess. *Shell Shocked* will stand alone as not only one of the best-told music-biz memoirs, but one with a truly candid and unmatched story of rock-and-roll insanity and success from a man who glories in it all.
