Like a good book or movie, do you just want to know how it's all going end? Do you feel joy or anxiety at the thought of the foretold events described in the Bible's book of Revelation? The

book of Revelation is the only book that promises a blessing to its readers. It has captured the minds and imaginations of millions of people. Like Eve, people want to know the future. Simply put, Revelation is the capstone of God's relationship with mankind, good and evil. In it, God shows His love and commitment to those that love and revere Him, by putting an end to evil forever. He also shows the

necessity of His righteousness being upheld. Since his education at Baptist Bible College, Author Larry Heidelberg has spent well over forty years studying and being intrigued by the messages found in the verses and detailed images of Revelation. In "...Promised Before the World Began;" Revelation Questions Answered, Heidelberg carefully and knowledgeably guides

readers through the most common questions raised, the confusion, and context of this most prophetic book of Scriptures. He argues that God wants our worship, not our confusion; this is why He promises a blessing. Through his studies, Heidelberg believes God has answered his most pressing questions regarding this text. If readers have felt overwhelmed or had the same questions, this book will bring both answers and peace of mind to all

true believers.

Using philosophical and theological reflection, this book explores the rational grounding for Christian faith, inquiring into the basis for believing the Christian revelation, and using the answers to give an account of Christian faith itself. Setting the discussion in the context of the history of views on revelation, Divine Faith makes an original contribution to historiography and draws out hitherto unnoticed

affinities between Catholic and Protestant thought.

Re-examining the question from the beginning by asking how it is that the Christian revelation is made, Lamont then looks at the fundamental philosophical issues concerning the nature of knowledge and the reasonableness of belief in testimony that are crucial to an understanding of Christian belief. Through theological considerations on the relations of grace and the church, and new advances in the

philosophy of belief in testimony and how God speaks to communicate the Christian religion, this book offers an original and powerful account of the nature of Christian belief.

After studying and preaching Revelation, Don English was left with many unanswered questions. Given an opportunity by God, he spent a full year studying only Revelation: reading, praying, and asking God

for answers. Believing that God, through his Holy Spirit, had given him some answers that he could not find elsewhere, Don determined to put these answers onto paper; and so, Alpha, Omega, Alpha was born. A practical, common sense approach to the book of Revelation, Alpha, Omega, Alpha is a must-read for serious Bible students and new Christians alike. Using sound interpretation principles, this book will challenge the reader to read more critically the

information that God gave to his apostle John. Follow along with the author as he reveals the meanings and messages behind the events—from the resurrection of the dead and the seven seals to the final battle and the final judgment—in one of the Bible's most important books. Alpha, Omega, Alpha will give the reader the zeal and the desire to further study and understand the message from the hand of God. *According to plan* Tate Publishing

Through the unique format of this text, David has given the answers to nearly six hundred questions that have plagued many regarding the book of Revelation.

The product of his work is a book that addresses these concerns and amplifies the need for one to have a personal relationship with God. The following is just a sample. If Babylon was destroyed

by the Persians, how can it be destroyed again? How important are truth and justice today? But what is justice when it comes to God and us? Just what does it mean to fear God? Exactly who are the beast and false prophet? When one thinks of heaven, what is the picture that comes to mind? How many people can heaven hold? If over 2,000 years have passed without Christ's return, what assurance is there that He will return? *The Rapture Question Answered* Multnomah

Internationally respected scholar Richard Bauckham

offers a brief, engaging study of divine revelation in Scripture. He probes the deep meaning of well-known moments in the biblical story in order to address the key question the Bible is designed to answer: Who is God? Accessible for laypeople and important to scholars, this volume begins by exploring three key events in the Bible in which God is revealed: Jacob's dream at Bethel (the revelation of the divine presence), Moses at the burning bush (the revelation of the divine

Name), and Moses on Mount Sinai (the revelation of the divine character). In each case, Bauckham traces these themes through the rest of Scripture. He then shows how the New Testament builds on the Old by exploring three revelatory events in Mark's Gospel, events that reveal the Trinity: Jesus's baptism, transfiguration, and crucifixion. This book is based on the Frumentius Lectures for 2015 at the Ethiopian Graduate School of Theology in Addis

Ababa and on the Hayward Lectures for 2018 at Acadia Divinity College, Nova Scotia. [Who Is God? \(Acadia Studies in Bible and Theology\)](#) Inter-Varsity Press

Surely most evangelicals would affirm the Bible is the Word of God. It is the record of what God has spoken, what He wanted us to know; it is the revelation of Himself and His will. He has declared that what He has given to us is sufficient for us. If all we can know about God can only be found in the pages of Scripture, is that enough? Does He still speak, and if so, how? If He speaks personal revelation to individual believers, what is to be done with such revelation? Is that

assumed revelation as authoritative and accurate as the biblical text? Can we know for sure that it came from God? The answers to these questions carry serious consequences. We need to carefully examine what God has recorded in order to accurately understand how God has spoken and how He continues to speak.
