COOLEY ANGELINA

[The Rough Guide to Austria](#) Phaidon Press

A brand new edition of the Insight Smart Guide to Salzburg. The unique and innovative A-Z format of Smart Guides allows you to plan your trip to Salzburg according to your own personal taste, with fully revised and up-to-date listings. Themed headings cover over 400 amazing things to see and do including architecture, bars, cafes, churches, fashion, history, hotels, museums, nightlife, restaurants, shopping, theatre and much more for a truly tailor-made, individual travel experience. Area overviews cover The Altstadt, The New Town, Dachstein and more; conveniently highlighting the best each district has to offer. The front-cover flap highlights all the top sights to help you plan your trip priorities. This guide also contains a street atlas with full index and detailed mapping which is cross-referenced to the main text for ease of use. A transport map and city locator are also included to help you get around. The back-cover flap provides useful phrases to help you get by, along with other useful contact information. Smart Guides - the smart way to navigate.

Revised and expanded, this guide seeks out the best travel values in these two entrancing countries, for the traveler going budget or deluxe.

The Rough Guide Phaidon Press

" Wallpaper* City Guides are a ruthlessly‐researched, design‐conscious guide, for the discerning traveller who wants to come away with a true taste of the best a city has to offer. "

The British National Bibliography Rough Guides

"You can count on Rick Steves to tell you what you really need to know when traveling in Vienna.

With this guide, you'll explore elegant Vienna--the epicenter of opera, coffee, Art Nouveau, and waltz music. Meander through Habsburg palaces and nibble a Sacher torte in a velvet-lined café. In the evening, catch a classical concert, or sip wine with the locals in a traditional Heuriger garden.

Beyond Vienna, stroll the Baroque street of Salzburg, home to Mozart and The Sound of Music for a taste of the Alpine living, head to the snowy peaks and green valleys of Tirol. Rick's candid, humorous advice will guide you to good-value hotels and restaurants. He'll help you plan where to go and what to see, depending on the length of your trip. You'll get up-to-date recommendations about what is worth your time and money. More than just reviews and directions, a Rick Steves guidebook is a tour guide in your pocket, "--Amazon.com.

Photo Guide Salzburg, Austria Independently Published

Berlitz Pocket Guide Salzburg combines informative text with vivid colour photography to uncover a city whose old town is a UNESCO World Heritage Site. It covers everything you need to know about the city's attractions, from Mozart's birthplace and Festung Hohensalzburg, the largest fortress in Europe, to the treasure trove of Baroque buildings in the old town and boat trips across Königssee lake south of the city. Handy maps on the cover flaps help you navigate, and the book uses colour-coding to differentiate between sections. To inspire you, the book offers a rundown of the Top 10 Attractions in the city and surrounding area, followed by an itinerary for a Perfect Day in Salzburg. The What To Do chapter is a snapshot of ways to spend your spare time, from wandering round Christmas market stalls to attending a concert or taking a boat trip. The book provides all the essential background information, including a brief history of the Salzburg region and an Eating Out

chapter covering Austrian cuisine. There are carefully chosen listings of the best hotels and restaurants, and an A-Z of all the practical information you'll need.

[Wallpaper* City Guide Salzburg](#) Phaidon Press

This mini pocket Salzburg travel guidebook is perfect for travellers seeking basic information about Salzburg. It covers key places, main attractions and a short hotel and restaurant recommendations list. This book is printed on paper from responsible sources, verified to meet FSC's strict environmental and social standards. It's the perfect companion both ahead of your trip and on the ground. It gives you the flavour of Salzburg without overwhelming you with too much information.

Fodor's Vienna & the Best of Austria: With Salzburg & Skiing in the Alps Rough Guides

A lively mix of the rustic and the modern, confident Munich has exclusive shops, historic buildings and boozy beer halls. With some 1.3 million locals (Munchners), this is Germany's third-largest and most attractive major city. Located between the Salzach River and the Monchsberg in northern Austria, Salzburg is one of the most picturesque cities in central Europe. Set against the backdrop of the Alps, the skyline of Salzburg is dominated by impressive Baroque architecture. Rich in history and natural beauty, this tourist-favourite city of just 150,000 people draws nearly two million tourists every year."

Wallpaper* City Guide Basel 2012 Phaidon Press

New up to date travel guide. Get the most from your holiday with this easy to follow travel guide.

This is a simple guide to the most popular attractions including those relating to 'The Sound of Music' and Mozart. It is intended for those wanting to see the highlights of Salzburg and make it easy to find those places and offers some content on the history of the location. I wanted to make it easy to find and locate the places you want to go to so the maps are next to each location in the book to help make it easy for you, as most guides prefer you to cross reference with a key making it more confusing and creating more work and stress finding your destination, that's if they even include maps at all. Lovers of the movie 'The Sound of Music', will be aware that much of the movie was filmed in Salzburg, and you can trace the footsteps of Maria in the movie and visit some of the settings in the movie. I have included photographs and maps to help you find the locations. I created this guide because I got lost a number of times, even after buying two pocket guides, and buying a map when I arrived I still could not find some of the film locations for The Sound of Music. I struggled to find any maps of the locations or books that showed me where the locations were, and realised only after returning and watching the movie again, did I realise I had indeed been near some of the locations. Ever since seeing the movie I had always wanted to visit Salzburg and imagined the film

locations being clearly labelled and easy to find, but it appears Salzburg tries to forget its links with the movie. I wanted to help make things easier for any English speaking person, as most of the maps, and street names are in German only. I wanted to help so you won't waste time looking for destinations, and will make the most from your holiday. The people of Salzburg are proud of its association with 18th-century composer Wolfgang Amadeus Mozart. He was born in Salzburg and resided there, and as well as visiting these places, now museums, all of the gift shops serve to promote their historical association with Mozart. Whatever reason you choose to visit Salzburg, you will not be disappointed. It's a beautiful place, steeped in history, nestled between mountains and lakes, a place you will never forget.

Wallpaper City Guide: Vienna 2011* APA

The fast-track guide for the design-conscious traveller Wallpaper* City Guides present a tightly edited, discreetly packaged list of the best a location has to offer the design-conscious traveller. Here is a precise, informative, insider's checklist of all you need to know about the world's most intoxicating cities. Whether you are staying for 48 hours or five days, visiting for business or a vacation, we've done the hard work for you, from finding the best restaurants, bars and hotels (including which rooms to request) to the most extraordinary stores and sites, and the most enticing architecture and design. Wallpaper* City Guides enable you to come away from your trip, however brief, with a real taste of the city's landscape and the satisfaction you've seen all that you should. In short, these guides act as a passport to the best the world has to offer.
