The Magazine from Cover to Cover Harry N. Abrams

Showcasing a vast range of titles, from fashion to reportage, and high-end design to counter-cultural fanzines, this collection offers an insight not only into the work of the most influential art directors, publishers and designers of the last century, but into the way that we perceive and represent ourselves and the culture in which we live; our interests, concerns, and aspirations.

Conspiracy - Legends Macmillan

A scrapbook with more than 170 stunning photographs, items of facsimile memorabilia, and text covering all aspects of the life of Marilyn.

An Insomniac's Slumber Party with Marilyn Monroe Harper Perennial

The classic book on Marilyn Monroe, written during her lifetime and partially based on interviews with the actress herself, now illustrated and brought up to date. Originally published in 1960, Zolotow's book was the first to take Marilyn seriously as an actress at a time when she was thought to be just an eccentric, gorgeous blonde. 16 pages of photographs.

My Sister Marilyn Grand Central Publishing

This "extraordinary" account of the superstar's tragic death, and what led up to it, is "a relentless and detailed quest for the truth" (Lancashire Post). In his illuminating, fascinating book, Keith Badman finally uncovers the truth about the iconic actress's last years. It was a tough time—one in which Marilyn Monroe's increasingly erratic behavior and dependence on alcohol and medication plunged her glittering movie career into drastic decline. Meticulously researched, the book reveals precisely

how Monroe died at just thirty-six years of age, and shines a light on the suspicious delays on the night of her overdose—delays that indicate a cover-up. He discovers new details about her rekindled relationship with Joe DiMaggio, and the horrendous weekend she spent at Frank Sinatra's Cal-Neva lodge, as well as why Fox refused to let her finish her final movie, *Something's Got to Give*, and her distress at being imprisoned at the Payne Whitney psychiatric hospital. Drawing on private, previously unpublished itineraries and original eyewitness accounts, Badman sheds new light on Marilyn's involvement with John and Bobby Kennedy, and ends a six-decade-old mystery by telling the precise date of her first encounter with the president. *The Final Years of Marilyn Monroe* features a deluge of stories of which even die-hard fans will be unaware. "[A] nearly day-by-day account of her life from June 1961 to her death in August 1962." —Kirkus Reviews Includes photos

Joe and Marilyn ABDO Publishing Company

Traces the passionate and sometimes volatile relationship between Joe DiMaggio and Marilyn Monroe, covering their sensational 1954 elopement and the troubles that led to their divorce nine months later.

The Assassination of Marilyn Monroe Bloomsbury Publishing

A new account of Marilyn Monroe's last days portrays the actress as a woman at the peak of her career who was destroyed by a series of conspiracies hatched in Hollywood and the White House

Marilyn Kings Road Publishing

With an in-depth look at the two most empowering years in the life of Marilyn Monroe, *The Girl* details how *The Seven*

Year Itch created an icon and sent the star on an adventure of self-discovery and transformation from a controlled wife and contract player into a businesswoman and unlikely feminist whose power is still felt today. When Marilyn Monroe stepped over a subway grating as The Girl in The Seven Year Itch and let a gust of wind catch the skirt of her pleated white dress, an icon was born. Before that, the actress was mainly known for a nude calendar and one-dimensional, albeit memorable, characters on the screen. Though she again played a "dumb blonde" in this film and was making headlines by revealing her enviable anatomy, the star was now every bit in control of her image, and ready for a personal revolution. Emboldened by her winning fight to land the role of The Girl, the making of The Seven Year Itch and the eighteen months that followed was the period of greatest confidence, liberation, and career success that Monroe lived in her tumultuous life. It was a time in which, among other things, she: Ended her marriage to Joe DiMaggio and later began a relationship with Arthur Miller; Legally changed her name to Marilyn Monroe, divorcing herself from the troubled past of Norma Jeane; Started her own production company; Studied in private lessons with Lee and Paula Strasberg of the Actors Studio and became a part of the acting revolution of the day The ripple effects her personal rebellion had on Hollywood, and in trailblazing the way for women that followed, will both surprise and inspire readers to see the Marilyn Monroe in an entirely new light.

Icon Little People, BIG DREAMS

Before Marilyn tells the story of Marilyn Monroe's modelling career, during which time she was signed to the famous Blue

Book Agency in Hollywood. The head of the agency, Miss Emmeline Snively, saw potential in the young woman and kept detailed records and correspondence throughout their professional relationship and beyond. On the day of Monroe's funeral, Snively gave an interview from her office, talking about the girl she had discovered, before announcing, rather dramatically, that she was closing the lid on her Marilyn Monroe archive that day - to 'lock it away forever'. This archive was purchased by Astrid Franse, and together with bestselling Marilyn Monroe biographer Michelle Morgan they draw on this collection of never-before-seen documents, letters and much, much more. Before Marilyn explores an aspect of Monroe's life that has never been fully revealed - by charting every modelling job she did, and illustrating the text with rare and unpublished photographs of the young model and her mentor.

MM--Personal Antique Collector's Club Combining extensive research with engaging and attractive presentation, this wide-ranging study encompasses consumer titles, the business press, organizational and association publications, public relations magazines, and imprint and custom publishing. Case histories of selected magazines are included, as are insights from publishers and editors and essays from top magazine professionals on specific industry issues, ranging from ad-free magazines to celebrity journalism.

Marilyn Monroe Macmillan + ORM

In this book from the critically acclaimed, multimillion-copy best-selling Little People, BIG DREAMS series, discover the true story of Marilyn Monroe, the iconic movie star. Little Norma Jeane grew up between foster homes, an orphanage, and a family friend's house—where she

was forbidden to watch movies. Through her difficult childhood and teen years, she dreamed of becoming an actress. One day, a photographer spotted her and gave her a modelling contract, and from this day she was “Marilyn Monroe.” Though much-admired, she suffered from pre-performance anxiety, which was a challenge for her in her career. Her films grossed over \$200 million but she was known to have said: “I don't want to make money. I just want to be wonderful.” This inspiring book features stylish and quirky illustrations and extra facts at the back, including a biographical timeline with historical photos and a detailed profile of the star's life. Little People, BIG DREAMS is a bestselling series of books and educational games that explore the lives of outstanding people, from designers and artists to scientists and activists. All of them achieved incredible things, yet each began life as a child with a dream. This empowering series offers inspiring messages to children of all ages, in a range of formats. The board books are told in simple sentences, perfect for reading aloud to babies and toddlers. The hardcover versions present expanded stories for beginning readers. Boxed gift sets allow you to collect a selection of the books by theme. Paper dolls, learning cards, matching games, and other fun learning tools provide even more ways to make the lives of these role models accessible to children. Inspire the next generation of outstanding people who will change the world with Little People, BIG DREAMS!

The Little Book of Marilyn Rizzoli International Publications

The sensuality and glamour epitomized by Marilyn Monroe are immortalized in the pages of this book. More than 200 of Marilyn's most beautiful and memorable

magazine cover appearances and showcased in full color, and are highlighted by life-revealing quotes, anecdotes and collectible values. Marilyn's persona, spirit and unrivaled allure are captured in this timeless volume.

Marilyn Monroe: Hollywood Icon Quill A New York Times Best Seller! Since Marilyn Monroe died among suspicious circumstances on the night of August 4, 1962, there have been queries and theories, allegations and investigations, but no definitive evidence about precisely what happened and who was involved . . . until now. In *The Murder of Marilyn Monroe: Case Closed*, renowned MM expert Jay Margolis and New York Times bestselling author Richard Buskin finally lay to rest more than fifty years of wild speculation and misguided assertions by actually naming, for the first time, the screen goddess's killer while utilizing the testimony of eye-witnesses to exactly what took place inside her house on Fifth Helena Drive in Los Angeles' Brentwood neighborhood. Implicating Bobby Kennedy in the commission of Marilyn's murder, this is the first book to name the LAPD officers who accompanied the US Attorney General to her home, provide details about how the Kennedys used bribes to silence one of the ambulance drivers, and specify how the subsequent cover-up was aided by a noted pathologist's outrageous lies. This blockbuster volume blows the lid off the world's most notorious and talked-about celebrity death, and in the process exposes not only the truth about an iconic star's tragic final hours, but also how a legendary American politician used powerful resources to protect what many still perceive as his untarnished reputation. Skyhorse Publishing, as well

as our Arcade imprint, are proud to publish a broad range of books for readers interested in history--books about World War II, the Third Reich, Hitler and his henchmen, the JFK assassination, conspiracies, the American Civil War, the American Revolution, gladiators, Vikings, ancient Rome, medieval times, the old West, and much more. While not every title we publish becomes a national bestseller, we are committed to books on subjects that are sometimes overlooked and to authors whose work might not otherwise find a home.

Marilyn Simon and Schuster

Challenging sensational falsehoods, Berniece and Mona present the only authorized book about Marilyn on the shelves. "Berniece Miracle finally opens up her family album--and translates an American legend into flesh and blood...MY SISTER MARILYN is a big hug across the decades to a sweet, talented, loving girl." --Life Magazine "...a highly literate, readable account." --The Bookwatch "MY SISTER MARILYN tells an unfamiliar story...this book is really different." --Time Out

Marilyn Monroe University of Illinois Press

This book is the fully documented story of Marilyn Monroe's death - a heart-stopping account of the events that led to the circumstances of 4th August 1962. To this day the Los Angeles police and the District Attorney's office have perpetuated a cover-up that was generated over 30 years ago. For the first time in 80 books and acres of newsprint, the complete story of her demise is revealed. It includes the reasons why so many joined the conspiracy of silence. Marilyn's universe is where the glitzy world of Hollywood, the sinister one of the Mafia and the

secret one of Washington DC meet. Wolfe uses newly released FBI files and the information of insiders who have broken their silence to give us the resolution of one of this century's most enduring mysteries. From the opening description of the lifeless body to the moment-by-moment account of her final days and hours, *THE ASSASSINATION OF MARILYN MONROE* explodes every myth concerning her remarkable life and tragic death - as is attested by the generous acclaim of her rival biographers (see 'Reviews').

The Genius and the Goddess Blood Moon Productions

She was born Norma Jeane but the world knew and loved her as Marilyn. Her life was one of unprecedented fame and private misery, her death a tragedy surrounded by mysteries. Drawing on first-hand interviews Anthony Summers offers both a classic biography and a shockingly revealing account of the screen goddess's relations with John and Robert Kennedy. 'The definitive story of the legend ... more convincing at every page - told with all the coldness of truth and the authority of the historian, but at the end of it we still love Marilyn' Maeve Binchy, Irish Times

Goddess McGraw-Hill Companies

In 1978, Lydia Tomkiw - precocious, inventive poet and beguiling new wave chanteuse - blazed out from Chicago's intertwined worlds of poetry and punk rock. Her trajectory stands as a thrilling testament to the independent do-it-yourself ethos - that the journey from the Chicago's Ukrainian Village to the inaugural volume of *Best American Poetry* can be made via nightclubs, armed with little more than office xerox machines, glue, restless imagination, words and moxie. Tomkiw's poetry is both innovative and immensely

enjoyable - formally playful, rigorously perceptive, delightfully surreal, and fueled by her singular, sexy charm. Tomkiw's story leads us back to a circle of immensely talented poets, mostly women, including Elaine Equi, Sharon Mesmer, and Connie Deanovich. Collectively they invigorated American urban poetry and cleared a path for a more vital, raucous, and fiercely female verse. In their scene lay the roots of now celebrated forms like slam and spoken word. With her acclaimed band Algebra Suicide - designed explicitly as a vehicle for her poetry - she pushed the boundaries of poetic performance, while also leaving behind a series of unassailable ace records. This new collection presents all her publications in facsimile editions, preserving the raw sizzle of her early self-published chapbooks as well as comprehensively reissuing the works that secured her reputation. In addition, it brings together over 180 uncollected poems, joined by critical and biographical essays by poets Paul Hoover and Sharon Mesmer and music critic Ira Robbins. LYDIA TOMKIW POEMS restores to print and posterity an exhilarating and important voice in American poetry.

The Girl HarperCollins Canada
Hitherto unpublished photographs of Norma Jean Dougherty, taken in 1945. They were never associated with her stage persona, Marilyn Monroe, until a chance merging in 1987. With the photographs is a lengthy report by photographer Carroll on how Norma Jean was found, a day at the beach in California and reason for the resulting pictures. This was her first commercial photo shoot for which she was paid \$20.

Marilyn Monroe Day by Day Lawman Press

For everyone who is fascinated by the

personality, the image, the myth of Marilyn Monroe, this is the ultimate international collection of Monroe memorabilia. From Norma Jeane Baker Mortensen to celebrity-goddess, the text and illustrations trace Marilyn's course through Hollywood, detailing her early aspirations, her modeling and movie careers, her marriages, travels, and critical reception. Among the hundreds of illustrations are vibrant magazine covers, advertisements, and film posters from America and Europe, South America, and the Middle East; personal notes; Philippe Halsman's famous "jumping" portraits; nudes featured in Playboy and other publications; film stills; and fine art.

Marilyn Monroe: Cover to Cover

Rowman & Littlefield

From New York Times bestselling author J. Randy Taraborrelli comes the definitive biography of the most enduring icon in popular American culture. When Marilyn Monroe became famous in the 1950s, the world was told that her mother was either dead or simply not a part of her life. However, that was not true. In fact, her mentally ill mother was very much present in Marilyn's world and the complex family dynamic that unfolded behind the scenes is a story that has never before been told...until now. In this groundbreaking book, Taraborrelli draws complex and sympathetic portraits of the women so influential in the actress' life, including her mother, her foster mother, and her legal guardian. He also reveals, for the first time, the shocking scope of Marilyn's own mental illness, the identity of Marilyn's father and the half-brother she never knew, and new information about her relationship with the Kennedy's-Bobby, Jack, and Pat Kennedy Lawford. Explosive, revelatory, and surprisingly moving, this is the final

word on the life of one of the most fascinating and elusive icons of the 20th Century.

Marilyn Monroe, Murder Cover-up B.E.S. Publishing

Marilyn Monroe's image is so universal that we can't help but believe that we know all there is to know of her. Every word and gesture made headlines and garnered controversy. Her serious gifts as an actor were sometimes eclipsed by her notoriety -- and the way the camera fell helplessly in love with her. But what of the other Marilyn? Beyond the headlines -- and the too-familiar stories of heartbreak and desolation -- was a woman far more curious, searching and hopeful than the one the world got to know. Even as Hollywood studios tried to mold and suppress her, Marilyn never lost her insight, her passion, and her humour. To confront the mounting difficulties of her life, she wrote. Now, for the first time, we can meet this private

Marilyn and get to know her in a way we never have before. *Fragments* is an unprecedented collection of written artifacts -- notes to herself, letters, even poems -- in Marilyn's own handwriting, never before published, along with rarely seen intimate photos. These bits of text -- jotted in notebooks, typed on paper or written on hotel letterhead -- reveal a woman who loved deeply and strove to perfect her craft. They show a Marilyn Monroe unsparing in her analysis of her own life, but also playful, funny and impossibly charming. The easy grace and deceptive lightness that made her performances so memorable emerge on the page, as does the simmering tragedy that made her last appearances so heartbreaking. *Fragments* is an event -- an unforgettable book that will redefine one of the greatest stars of the twentieth century and which, nearly fifty years after her death, will definitively reveal Marilyn Monroe's humanity.
