Please the pickiest tech-savvy teens and tweens with these 21 trendy projects you can sew. Most of us would agree that sewing something that teens will like is, without a doubt, a challenge. In Project Teen, Melissa Mortenson, sewist and mother of three teenagers, shares not only her 21 teen-approved designs, but also invaluable tips and tricks for sewing for this unique (a.k.a. picky) age group. Whether you make a stylish tech cover, a cushy study pillow, or a personalized quilt, your teen will love these handmade gifts as much as you love them. • 21 projects, specifically for teens and tweens (ages 11+), including quilts, T-shirts, tech covers, totes, accessories, and so much more • Lots of inspiring ideas and designs for the perfect gifts • Get the 411 on what's cool when it comes to fabric and style—so that your teen is sure to love what you make! Praise for Project Teen “Mortenson has a good eye for what teenagers actually need and want. . . . Something here will appeal to that trickiest of demographics, making the book a worthwhile buy.” —Publishers Weekly “Project Teen is a fresh, mod, fun way to sew for the tweens/teens in our life - kids, grands, nieces & nephews. The projects meet the ever changing needs of kids, from travel blankets and tablet covers to simple bags to store everything in.”

—Generation Q Magazine

A Quilting Life Createspace Independent Publishing Platform

THIS LITTLE BOOK includes a complete pattern for a twelve-block sampler quilt easy enough for complete beginners to make. It also includes patterns for the twelve quilt blocks that make up the sampler. Twelve Building Blocks Every Quilter Should Know There's a good reason why I call these twelve easy blocks the building blocks of quilting. Once you have them in your quilter's tool kit, you can use them to create literally hundreds of different quilts. Every one of these blocks is a workhorse that you will find in many, many quilt patterns. You will see many of them as the basic components of larger and more complicated quilt blocks. They all add a sense of life and movement to a quilt. Even better, they are all simple enough for you to sew successfully, even if you've never made a quilt before. And all twelve blocks have a finished size of nine inches. This is a standard size that is much used in quilt patterns. You can easily mix and match these blocks with each other or with other blocks to make your own quilt patterns. In fact, you can use this pattern as a framework for many different quilts, just replacing the sampler blocks with your own selections. Need Help with Quilting Techniques?The pattern in this book is a companion to my book for new quilters, Quilts for Beginners, which covers in detail all the tools, supplies, and techniques you need to successfully make your first quilts. If you need help with such things as how to cut your fabric, how to sew a 1/4" seam, how to baste a quilt, or exactly how to put on the binding, check out Quilts for Beginners. It covers everything you need to know.

Sunday Best Quilts C&T Publishing Inc

Quilt as You Go Made Easy Martingale

“These cheery quilts demonstrate the versatility of charm squares and will inspire quilters to make use of these popular precuts.” —Library Journal Mind your Ps and Qs . . . precuts and quilt blocks, that is! Popular designer Vanessa Goertzen puts charm squares to the test with 18 projects using precut 5” x 5” squares. Start with fresh, beginner-friendly patterns and build your skills to sew snowballs, stars, flying geese, and more. Using precuts from your stash or your own charms cut from scraps or yardage, you’ll learn tips to take the guesswork out of piecing. Modern and traditional quilters alike will fall in love with these quick, clever, and clean designs! “This book will certainly appeal to any scrap lover! You can use precuts or ‘shop’ your

stash to create your own collection of five inch blocks—it is a revelation to see the variety of patterns than can be made from this starting point . . . It truly is a book you would want to give a beginner, but the quilts are so lovely that even more experienced quilters will want to make them.” —Down Under Quilts “An excellent way to begin quilting or to use charm packs.” —yarnsandfabrics.co.uk “You’ll learn how to transform the simple squares into Snowballs, Stars, Flying Geese, and more. This book, featuring both traditional and modern patterns, is a must-have for precut collectors.”

Scrappy Quilts Handbook Kensington Books

In this compelling, heartwarming novel from New York Times bestselling author Marie Bostwick, one woman finds new purpose in a new phase of life .

. . . “Whatever comes your way, find the happiness in it.” Hope Carpenter received that advice from her mother decades ago. Now, with their four children grown, Hope and her husband, Rick, are suddenly facing an uncertain future, after a forced retirement strains both their savings and their marriage. Seeking inspiration and a financial boost, Hope gets a job teaching crafts to inmates at a local women’s prison. At first, Hope feels foolish and irrelevant, struggling to relate to women whose choices seem so different from her own. But with time, and the encouragement of the prison chaplain, she begins to discover common ground with the inmates, in their worries about their children and families, their fear of having failed those who need them. Just like her, they want to make something of themselves, but believe it might be impossible. Embarking on an ambitious quilting project, Hope and her students begin to bond. Together, piece by piece, they learn to defy expectations—their own and others’—and to see that it’s never too late to stitch together a life that, even in its imperfections, is both surprising and beautiful. Praise for Marie Bostwick and Her Novels “Reading Marie Bostwick is like wrapping yourself up in a warm, hand-crafted quilt.” —Debbie Macomber, #1 New York Times bestselling author “It takes great skill to write a heartwarming story about grief, and Bostwick proves she is up to the task. . . . A great addition to any women’s-fiction collection.” —Booklist “Beautiful, thought-provoking, tragic and redeeming, The Second Sister is a feel-good goldmine.” —USAToday.com

Quick Little Quilts C&T Publishing Inc

Sew Very Easy Quilt Favorites Fox Chapel Publishing

"I wanted to create a follow up book for those that found the first in the series useful. For anyone interested in actually getting started quilting, I wanted to offer them ten easy patterns. Some can be completed in as little as a weekend." In this book you'll learn patterns such as: Checkers and Stripes Crazy Nine Bar The Real Log Cabin ...and much more! What's different about this book? Quilting for Beginners: 10 Easy Quilting Patterns is

another detailed how-to guide that breaks down some incredible cute quilting designs. The first set of patterns are relatively easy, taking little to no time to complete. Near the end of the book, the designs become a bit more technical, but still in easy/beginner classification. These patterns have been chosen out of THOUSANDS of free patterns you can find on the internet. Having once been a novice quilter herself, Ms. Benningfield understands how fragile the mind and ego is to someone interested in learning this skill and craft. Although there are tons of patterns and guides available, many of difficult to follow and speak in a language that a novice would struggle to understand. This book is unique in the sense that it breaks all that nonsense down. Ms. Benningfield even takes a moment to go into color schemes and how it can make or break a piece. She offers valuable insight into how choosing the colors for your next quilting adventure don't have to be so burdensome. In fact, with her tips and insight, choosing your next quilt pattern can end up really being a breeze! Not to mention the photos and detailed instructions! If you struggle with the idea of a good how-to book, and worry that quilting is too difficult to understand unless someone is right there to guide you, look no further! Ms. Benningfield has a way of breaking these concepts down in such a way, you'll feel as if she's right there in the room as your personal guide! The best part about this book is that the way these patterns are presented are done so in a way to help the novice quilter learn how to adapt a pattern to suit their needs. We've all come across that one pattern that just needed a little tweaking to be perfect for us-and if you haven't, you will soon! It can be so intimidating trying to adapt a quilt to the perfect size for your individual, specific needs! Well, with Ms. Benningfield's help, she'll teach you how to make these fantastic quilts, as well as give you insight on how you can adapt and make your own using the same techniques, or mix and match to suit your needs. You'll learn crazy techniques to creating wonky shapes and patterns that only "look" hard in appearance, but are so easy to make! If you want your first quilt to be a success, this is definitely the go-to book to give you the confidence boost you need.

[Turnabout Patchwork](#) Martingale

Is anything more gratifying than being able to make something out of nothing with your pile of scrap fabrics? This is what scrap quilting helps you achieve, so read on... Scraps have been used in quilt making for a very long time, and as a quilter, I enjoy the practice of carrying on the heritage of scrap quilting in my work. Scrap quilts aren't out-of-date just because you choose to follow the footsteps of quilters from yesteryear and keep the tradition alive. It's actually the exact opposite! Making the most of what you currently have isn't just beneficial to your soul but also to your wallet and the environment. Scrap quilting is a cost-effective method of making patchwork, especially for quilters who enjoy using up every little bit of their scrap fabric. Even though scrap quilting patterns offer a basic framework to quilt with your pile of leftover fabrics, there are several fundamental techniques and know-how that you need to be familiar with to enable you to use your stash fabrics the right way to quilt lovely patterns and projects. These patterns and projects could span from traditional quilt blocks to free-form improvised quilting. Regardless of your preferred quilting technique,

this book, *Scrappy Quilts Handbook*, aims to help you find inspiration to create lovely quilt designs from your stashed fabrics. Below are what is covered in this book; Sourcing for scrap fabrics if you don't have enough in your stash. Sorting and organizing your scrap fabrics the right way Choosing fabrics for your scrap quilts Tips to help you plan effectively before undertaking a scrap quilt project Essential supplies and materials needed A collection of 5 scrappy patterns and projects (potholder, lap quilt, coaster, etc.) to help you find inspiration and get you started So, what more are you waiting for? If you are ready to begin the adventure of using your stash of fabrics in quilting lovely designs, then get a copy of this book RIGHT NOW

Bright and Bold Cozy Modern Quilts That Patchwork Place

One Easy Quilt Sampler... Twelve Basic Blocks You Can Use to Make Endless Quilts This little book includes a complete pattern for a twelve-block sampler quilt, plus patterns and instructions for making for the twelve easy blocks that go into the sampler. You will also learn how to add sashing and borders to your quilt. There's a good reason why I call these twelve easy blocks the building blocks of quilting. Once you have them in your quilter's tool kit, you can use them to create literally hundreds of different quilts. Every one of these blocks is a workhorse that you will find in many, many quilt patterns. You will see many of them as the basic components of larger and more complicated quilt blocks. They all add a sense of life and movement to a quilt. Even better, they are all simple enough for you to sew successfully, even if you've never made a quilt before. All twelve blocks have a finished size of nine inches. This is a standard size that is much used in quilt patterns. You can easily mix and match these blocks with each other or with other blocks to make your own quilt patterns. In fact, you can use this pattern as a framework for many different quilts, just replacing the sampler blocks with your own selections. Need Help with Quilting Techniques? The pattern in this book is a companion to my book for new quilters, *Quilts for Beginners*, which covers in detail all the tools, supplies, and techniques you need to successfully make your first quilts. If you need help with such things as how to cut your fabric, how to sew a 1/4" seam, how to baste a quilt, or exactly how to put on the binding, check out *Quilts for Beginners*. It covers everything you need to know.

[The Big Book of Lap Quilts](#) C&T Publishing

Every quilter has a bucket list: extraordinary quilts they dream of making someday. Now two stars of the quilting world share the "Sunday best" quilts they've always wanted to create! Together the authors chose six different themes--star, scrappy, red-and-white, Christmas, pineapple, and Courthouse Steps quilts--and then challenged one another to each design a quilt in her own signature style. The result is a dozen spectacular quilts, along with personality-packed Q&As and commentary from both designers--plus a fun and easy way for quilters to cross off the quilts on their bucket lists!
