The American illustrator and author Howard Pyle is best known for his celebrated children's books. His magazine and book illustrations are regarded as among the finest of the turn-of-the-century period in the Art Nouveau style. Pyle achieved especial fame as an accomplished and original illustrator of historical legends and fairy stories, noted for the vivid richness and historical accuracy of his work — both as a writer and an artist. Many of Pyle's children's stories are now regarded as American classics, including 'The Merry Adventures of Robin Hood', 'Otto of the Silver Hand', 'Jack Ballister's Fortunes' and his magical tales of Arthurian legend. For the first time in publishing history, this eBook presents Pyle's complete published works, with hundreds of illustrations, rare texts, informative introductions and the usual Delphi bonus material. (Version 1) * Beautifully illustrated with images relating to Pyle's life and works * Concise introductions to

the novels and other texts * All 14 novels, with individual contents tables * Features rare novels appearing for the first time in digital publishing, including 'The Garden behind the Moon' * All of the novels feature Pyle's original illustrations — over a 1,000 illustrations * Images of how the books were first published, giving your eReader a taste of the original texts * Excellent formatting of the texts * Rare uncollected short stories available in no other collection * Special chronological and alphabetical contents tables for the short stories * Easily locate the short stories you want to read * Includes a wide range of Pyle's illustration work for other novelists * Scholarly ordering of texts into chronological order and genres Please visit www.delphiclassics.com to browse through our range of exciting titles CONTENTS: The Novels The Merry Adventures of Robin Hood (1883) Within the Capes (1885) The Rose of Paradise (1888) Otto of the Silver Hand (1888) A Modern Aladdin (1892) Men of Iron (1892) The Story of Jack Ballister's Fortunes (1895) The Garden behind the Moon (1895) Rejected of Men (1903) The Story of King Arthur and His Knights (1903) The Story of the Champions of the Round Table (1905) The Story of Sir Launcelot

This dictionary contains 2,375 Russian sayings and proverbs and their English counterparts. Variants of each saying are included, and careful attention is given to the differences in British and American versions. For example, the Russian saying that is interpreted as "Children behave in a childish way, and they cannot be expected to act like grown-up people," is first given in Russian (in the Cyrillic alphabet) and then in English, and is then followed by the nearest English-language equivalent sayings in Britain and the United States: "Young colts will canter" (British) and "Boys will be boys" (American). The proverbs and sayings are arranged alphabetically by the first Russian word (in the Cyrillic alphabet) and are cross-referenced so the reader can find analogous Russian versions of English sayings. There is a keyword index for each language (one in English, one in Russian in the Cyrillic alphabet), which allows the reader to find a proverb or a saying without knowing the first word. Proverbs and sayings are current and include those popular in both spoken Russian and literature. The prefatory matter is in both English and Russian, for readers who have a command of either language.

The Complete Harvard Classics - All 51 Volumes in One Edition BoD - Books on Demand

When Josh's mother dies in a phobia-induced car crash, she leaves two questions for her grieving family: how did a snake get into her car and how do you mourn with no faith to guide you? Twelve-year-old Josh is left alone to find the answers. His father is building a time machine. His four-year-old brother's closest friend is a plastic Power Ranger. His psychiatrist offers nothing more than a blank journal and platitudes. Isolated by grief in a home where every day is pajama day, Josh makes death his research project. He tests the mourning practices of religions he doesn't believe in. He tries to mend his little brother's shattered heart. He observes, records and waits—for his life to feel normal, for his mother's death to make sense, for his father to come out of the basement. His observations, recorded in a series of journal entries, are funny, smart, insightful—and heartbreaking. His conclusions about the nature of love, loss, grief and the space-time continuum are nothing less than life-changing.

Literary Extracts from English and Other Works OUP Oxford

There is much talk about spirituality in our days. Many then think of religion or Far Eastern traditions. But why staring into the distance, the good things are often so close?! We think our old German fairy tales do not need to hide their spiritual message. They are our cultural heritage, and they have a great potential that seems timeless and which can still touch the people from young to old. For this reason we have tried to write down some thoughts to inspire parents and grandparents, to read a book of

fairy tales again. Maybe it is sometimes more beneficial for us to read the good fairy tales of old times, rather than the bad fairy tales of modern newspapers. You will find in this book the following fairy tales along with our comments and interpretations as well as many colored illustrations to express the symbolism: Jorinda and Joringel Iron John Rapunzel Hansel and Grethel Rumpelstiltskin Mother Holle Little Red-Cap Hans in Luck Godfather Death The Godfather The Story of the Youth who went forth to learn what Fear was One-Eye, Two-Eyes and Three-Eyes The Old Woman in the Wood Faithful John The Wonderful Musician The White Snake The Devil with the Three Golden Hairs The Girl Without Hands Briar-Rose (or Sleeping Beauty)

Alexandre Dumas (1802-1870) tells the fictionalized story of the Comte de Montgomery who mortally wounded French king Henry II, his favorite Diana de Poitiers, and her daughter Diana de Castro.

Early American Proverbs and Proverbial Phrases iUniverse
The Book of Quoems is a collection of quotes, proverbs, and sayings from the famous to the nameless—from past to present—arranged in lyrical, poetic verse. A quoem is comprised of two quotes that rhyme and is titled with two words that coincide with each quote. If you enjoy wordplay, song lyrics, and witty refrains, you will recognize the value of this book upon knowing that a quote may be the result of the wisdom of very complicated ideas packaged simply into a single phrase. The quoem takes the phrase and titles it with one word and then does it a second time with a rhyme. It is the essential solidification of expression, combining literature, vocabulary, poetry, and philosophy. Reading this book is like diamond mining—the more you dig, the more gems you will find. Search for that mother lode, and the treasure you will find is pure quoetry.

Court Wildside Press LLC

The Best Tool of the Millennium The seeds of Rybczynski's elegant and illuminating new book were sown by The New York Times, whose editors asked him to write an essay identifying "the best tool of the millennium." The award-winning author of *Home*, *A Clearing in the Distance*, and *Now I Sit Me Down*, Rybczynski once built a house using only hand tools. His intimate knowledge of the toolbox -- both its contents and its history -- serves him beautifully on his quest. One Good Turn is a story starring Archimedes, who invented the water screw and introduced the helix, and Leonardo, who sketched a machine for carving wood screws. It is a story of mechanical discovery and genius that takes readers from ancient Greece to car design in the age of American industry. Rybczynski writes an ode to the screw, without which there would be no telescope, no microscope -- in short, no enlightenment science. One of our finest cultural and architectural historians, Rybczynski renders a graceful, original, and engaging portrait of the tool that changed the course of civilization.

The pieces in this series are long-time favorites that have appeal for pianists of all ages. Very carefully correlated to standard piano method levels, each book contains arrangements that are musically appropriate to that level. The arrangements are teacher friendly, even for the teacher who is reluctant to add pop music to the curriculum. And the series is student friendly -- there will be willing practice! Titles: * Begin the Beguine * Evergreen * I Only Have Eyes for You * Stairway to Heaven * 'S Wonderful * Star Wars (Main Title) * Tea for Two * Theme from A Summer Place * The Thorn Birds (Main Theme) * The Wind Beneath My Wings * Your Smiling Face.

Talbot's Angles DigiCat

This is the first of two volumes of the only English edition of Hegel's Aesthetics, the work in which he gives full expression to his seminal theory of art. The substantial Introduction is his best exposition of his general philosophy of art. In Part I he considers the general nature of art as a spiritual experience, distinguishes the beauty of art and the beauty of nature, and examines artistic genius and originality. Part II surveys the history of art from the ancient world through to the end of the eighteenth century, probing the meaning and significance of major works. Part III (in the second volume) deals individually with architecture, sculpture, painting, music, and literature; a rich array of examples makes vivid his exposition of his theory.

The epic story continues in Court, the fourth in New York Times bestselling author Tracy Wolff's lush, action-packed and romantic young adult paranormal fantasy series. 'Fandom's new favourite vampire romance obsession' Hypable 'This generation's Twilight' Lynn Rush 'I'm having the BEST book hangover. Filled with danger, humour, and heart, Crave proves that vampires are definitely back!' J. Kenner 'Beautifully descriptive with amazing pacing and wonderfully sinister settings' Christine Feehan No one survived the last battle unscathed. Flint is angry at the world, Jaxon is turning into something I don't recognize, and Hudson has put up a wall I'm not sure I'll ever break through. Now war is coming, and we're not ready. We're going to need an army to have any hope of winning. But first, there are questions about my ancestors that need answers. Answers that might just reveal who the real monster is among us. And that's saying something in a world filled with bloodthirsty vampires, immortal gargoyles, and an ancient battle between two

gods. There's no guarantee that anyone will be left standing when the dust settles, but if we want to save this world, I have no choice. I'll have to embrace every part of me...even the parts I fear the most. Don't miss a single book in the series that spawned a phenomenon! The Crave series is best enjoyed in order: Crave Crush Covet Court Charm Cherish 'Suffice it to say: I have a new book boyfriend!' Pintip Dunn 'Intricately crafted, deeply romantic' Victoria Scott 'Funny, smart, and compelling' Emily McKay

One Good Turn... Routledge

From "all systems go" to "senior moment"—a comprehensive reference to idiomatic English. The American Heritage® Dictionary of Idioms explores the meanings and origins of idioms that may not make literal sense but play an important role in the language—including phrasal verbs such as kick back, proverbs such as too many cooks spoil the broth, interjections such as tough beans, and figures of speech such as elephant in the room. With extensive revisions that reflect new historical scholarship and changes in the English language, this second edition defines over 10,000 idiomatic expressions in greater detail than any other dictionary available today—a remarkable reference for those studying the English language, or anyone who enjoys learning its many wonderful quirks and expressions. "Invaluable as a teaching tool." —School Library Journal

Schaum Pop Favorites, B: The Blue Book A&C Black

Here biologist Lee Dugatkin outlines four paths to cooperation shared by humans and other animals: family dynamics, reciprocal transactions (or "tit for tat"), so-called selfish teamwork, and group altruism. He draws on a wealth of examples—from babysitting among mongooses and food sharing among vampire bats to cooperation in Hutterite communities and on kibbutzim—o show not only that cooperation exists throughout the animal kingdom, but how an understanding of the natural history of altruism might foster our own best instincts toward our fellow humans.

The Faces in the Fire ; The Shadows on the Wall ; with Other Tales and Sketches Orca Book Publishers

p.B. J. Whiting savors proverbial expressions and has devoted much of his lifetime to studying and collecting them; no one knows more about British and American proverbs than he. The present volume, based upon writings in British North America from the earliest settlements to approximately 1820, complements his and Archer Taylor's Dictionary of American Proverbs and Proverbial Phrases, 1820-1880. It differs from that work and from other standard collections, however, in that its sources are primarily not "literary" but instead workaday writings - letters, diaries, histories, travel books, political pamphlets, and the like. The authors represent a wide cross-section of the populace, from scholars and statesmen to farmers, shopkeepers, sailors, and hunters. Mr. Whiting has combed all the obvious sources and hundreds of out-of-the-way publications of local journals and historical societies. This body of material, "because it covers territory that has not been extracted and compiled in a scholarly way before, can justly be said to be the most valuable of all those that Whiting has brought together," according to Albert B. Friedman. "What makes the work important is Whiting's authority: a proverb or proverbial phrase is what BJW thinks is a proverb or proverbial phrase. There is no objective operative definition of any value, no divining rod; his tact, 'feel, ' experience, determine what's the real thing and what is spurious."

Harvard University Press

This text presents in everyday English 101 commonly used proverbs, enabling students to use proverbs appropriately and encouraging cross-cultural understanding.

Russian-English Dictionary of Proverbs and Sayings

HarperCollins UK

'This Complete Sonnets and Poems is a distinguished addition to a distinguished series. It will repay continuing study, and act as a valuable point of reference for readers concerned more generally with Shakespeare's art and language. Colin Burrow's good sense, tact and balance as an editor are deeply impressive.' -H. R. Woudhuysen, Times Literary Supplement This is the only fully annotated and modernized edition to bring together Shakespeare's Sonnets as well as all his poems (including those attributed to him after his death). A full introduction discusses his development as a poet, and how the poems relate to his plays; detailed notes explain the language and allusions in clear modern English. While accessibly written, the edition takes account of the most recent scholarship and criticism.

Little Ant is too busy to do a favor for the weevil, and he doubts the weevil would ever be able to repay him anyway. But when his friend the stick insect is snatched by a dove, Little Ant learns that you never know when you might be in a position to help a friend. This story is a reimagining of Aesop's classic fable, "The Ant and the Dove," and teaches that one good turn deserves another. About the Series The Little Ant books are reimaginings of Aesop's classic fables, teaching timeless lessons like "appearances can be deceiving" and "one good turn deserves another." Brought to life by Tina Perko's vibrant and whimsical illustrations, the stories follow Little Ant as he navigates through the challenges and frustrations of growing up. In the tradition of the classic series the Berenstain Bears, Frances, and Thomas the Tank Engine, Little Ant's adventures provide him with opportunities to build character and learn valuable lessons about friendship, kindness, empathy, teamwork, courage, and the importance of being true to yourself. Connect with Little Ant Visit Little Ant's website to download free coloring sheets, activities, and lesson plans. Follow Little Ant on Facebook at @littleantnews. 101 American English Proverbs Delphi Classics

"Meizie's educational ambition is truncated by the untimely death of his father who was involved in a ghastly motor car accident. His mother's inability to pay his school fees forces him into being apprenticed to an overbearing couple who overwhelms him with errands and maltreats him. However, providence rescues Meizie as he is handed over to a good Samaritan who gives him the best of education up to university level."--
