How to study the Bible for kids just got easier Teach kids to take great notes. Have you ever wondered how to help your kids focus in church? Do you want your children to get more out of worship? If you desire more for your kids, you need to purchase *Sermon Notes 4 Kids: Journal, Doodle, Draw, and Study the Bible*. I am a Children and Family Pastor and love teaching the Bible to kids. *Sermon Notes for Kids: Journal, Doodle, Draw, and Study the Bible* was developed for kids and is used by the kids at my church to help them learn and take notes that lead to a deeper understanding and a greater retention of God's Word. The consistent use allows growth in their walk. I've watched kids struggle to understand the

Bible, watched others zone out when they are taught God's Word, and have seen kids not remember what they learned. That's why this book exists-to reach kids where they are at and give them a tool for greater focus. I have seen this first hand. Kids encounter God through His Word when they write and draw what they hear and see. Have you ever looked at studying the Bible as a task like climbing Mt. Everest? Have you ever thought you needed structure to organize your thoughts and provide consistency? If you have ever had thoughts like these, think how your kids feel. Sermon Notes for Kids: Journal, Doodle, Draw, and Study the Bible provides a simple structure to help your kids learn God's Word. It's worship notes for kids and is structured with

them in mind. It's not just busy books but a resource to help their faith deepen. Purchasing a resource like this for your child also shows them that you are serious about helping them learn about God, know Him, and His Word. Just like your journal this is kids sermon notes. You're taking an intentional step to shape your children's views about God; showing them the importance of taking notes when the Bible is taught. Think about how you learn. You take notes or complete fill in the blanks when the pastor's preaching at church. During the week, you have something to look back on and reflect. Your kids have probably wanted paper to be like mom and dad as they watch you. Now they can follow your lead. Sermon Notes for Kids: Journal, Doodle, Draw, and Study

the Bible also provides greater opportunities to discuss what your kids learned at church. Whether they draw pictures or write down principles and themes they have learned, you have something to use as a reference for family discussions. Kids love to show their parents what they learned and now it becomes easier to be a part of their church experience. The design of the book enables your children to have freedom to write and draw what they hear and see. Even the size of the book fits your child's smaller hands and it fits inside most Bible covers so they can always have it with them. This is intentionally smaller than notebook paper for ease of use. It does not matter if your kids attend "Big Church" with you or participate in programs offered in the

children's ministry of your church. Encouraging them to take notes engages active listening in your kids and the simple structure gives them the necessary framework to keep them on track. This is my hope and prayer for your children. 1. They will place their faith in Christ and be saved. 2. They will grow in their faith and be found faithful. 3. They will learn to study God's Word; love it and become active engaged learners of Biblical truth. 4. They will serve the Lord with great passion. Please leave a review highlighting the benefits of this resource for your children. Your review provides greater opportunities for other parents to purchase it for their kids. You can help other kids grow in their faith by sharing the benefits of Sermon Notes for Kids w/ other parents. Free parenting classes on
