Mandolin Chord Book Wise Publications

Mandolin Chord Encyclopedia is a practical, easy-to-use chord dictionary. Chords are listed alphabetically and chromatically for quick reference. On each page, chord variations (different fingerings and positions of each chord) are arranged in a logical order--beginning at the bottom of the mandolin neck and progressing to the top of the neck. This helps facilitate locating the chords in different positions over the entire fretboard. The Chord Theory chapter makes it easy to understand intervals and how chords are constructed. A complete fingerboard chart is included, along with a listing of major and minor scales in every key. This book gives you everything you need to expand your ever-growing chord vocabulary and also helps you understand chord theory and construction.

Take your blues mandolin playing to the next level with the Mandolin Blues Book. A collection of 101 blues riffs and solos ideal for all mandolinists looking to get a good grasp of jamming the blues. The book covers all the essential tools needed to play blues mandolin. Start by learning the 40 stylistic riffs and 25 one and two bar blues riffs in multiple keys, then move on to the longer 12 bar blues rhythm riffs and extended solos. Most of the longer rhythm riffs and solos follow the standard 12 bar blues form, so they are readily applicable to the many mandolin playing styles, including country, rock, jazz, and bluegrass, to name a few. To further deepen your mandolin skills, study the major, minor and blues scales and arpeggios as well as the library of mandolin chords and blues chord progressions in all 12 keys. No book covers everything, but with some practice, you will be ready to take your mandolin, jam the blues with confidence, and show off your new skills. Audio and Video online:
