Lea Belair

'I believe there are many of us who have been wounded by God's people. And I believe there are those of you who have been so wounded, that you have confused God's people with God, and so have run from Him. The purpose of this book is to help you get past your wounds...to move

forward into the joy and fellowship of God's presence, claiming the fullness of the blessings He has for you. God loves the wounded. I know.' In her most personal book to date, much loved author Anne Graham Lotz looks at a deeply painful question: what to do when we suffer rejection and hardship at the hands of other believers. Drawing on the story of Hagar, Abraham's mistreated servant, Anne shares the good news of healing and hope, offered by a God who loves us all - especially those on the periphery. An inspiring blend of Old Testament narrative

with the author's own experience, this is a book that will show you that, just like Hagar found, 'you can't outrun God'. *Wounded by God's People* Tyndale House Publishers, Inc.

Sand between my toes, the salt air wrapping around me like a warm, summer blanket, the crashing of waves, and the meeting of sky and water. The beach is where I see the handiwork of God. As a young child, it was there that I wished that I could walk on the water as Jesus and Peter had in Matthew 14. It was there that I learned of faith, the faith that requires

you to not only step out of the boat but also to focus on Jesus and learn to walk toward Him daily. It is not enough to just get out of our comfort zones, but now we need to learn to grow and walk toward Him constantly. The Faith to Walk on Water takes a look at why standing still in our faith is no longer an option, how doubt and fear are overcome by Jesus. He does not watch from a distance, but He is always there holding out His hand for us to take hold. So what are you waiting for? Take that step, and walk on the water! In this thought-provoking look at what's really important in life, John Ortberg uses games as a metaphor to help us recognize and play for life's real prize: being rich toward God. Told with humor and wisdom by this bestselling author, pastor, and game-strategist, *When the Game is Over It All Goes Back in the Box* reminds us that everything on earth belongs to God, and everything we "win" is just on loan. Being Master of the Board is not the point; playing by God's rules is. Ortberg makes sure we understand the object of the game, but he also walks us through the set-up, the rules, the strategies, and

choosing the right trophies. This book is for those who want to sort out what's fleeting and what's permanent in God's kingdom. It's the perfect playbook for individuals or groups interested in considering life's true priorities and arranging their lives with eternal prizes in mind.

In this classic book, Madeleine L'Engle addresses the questions, What makes art Christian? What does it mean to be a Christian artist? What is the relationship between faith and art? Through L'Engle's beautiful and insightful essay, readers will find themselves called to what the author views as the prime tasks of an artist: to listen, to remain aware, and to respond to creation through one's own art. *Walk on Water Faith* Regal Books

Being limited in life is a helpless feeling. The mentality of our society today is limited in their finances, relationships, knowledge, and even in health. The enemy knows that if he can keep you limited, he will keep you from becoming a threat to his kingdom. What if you could be limitless? What if you were free to give when God said give or go when God said to go? It is not impossible. It will take faith and a new mentality to believe God can use you as his instrument. Jesus taught the importance of having faith and the benefits of having a limitless mentality. Faith got Peter out of the boat, but his

limited mentality made him sink. None of us have arrived. Learning to Walk on Water is a journey that every Christian must take. If we desire to be used by God to the fullest, we need to step beyond the confines of a limited mentality and do as Peter did. He learned to walk on water! *Learning to Walk on Water* Clarion Books You're One Step Away from the Adventure of Your Life Deep within you lies the same faith and longing that sent Peter walking across the wind-swept Sea of Galilee toward Jesus. Described by one surgeon as "soul-crushing, diamond-making stress," surgery on congenital heart defects is arguably the most difficult of all surgical specialties. Drawing back the hospital curtain for a unique and captivating look at the extraordinary skill and dangerous politics of critical surgery in a pediatric heart center, Michael Ruhlman focuses on the world-renowned Cleveland Clinic, where a team of medical specialists—led by idiosyncratic virtuoso Dr. Roger Mee—work on the edge of disaster on a daily basis. *Walk on Water* offers a rare and dramatic

glimpse into a world where the health of innocent children and the hopes of white-knuckled families rest in the hands of all-too-human doctors.

A fatalistic philosophy will tell you that miracles only happen if God wills them but believing that will really kill your faith! If you want to walk on water and experience...

But for John, it was the beginning of a soul-searching journey, a joyous awakening of self-understanding, inner truth and the power of universal love that lives within us all. The New York Times bestseller *A Long Walk to Water* begins as two stories, told in alternating sections, about two eleven-year-olds in Sudan, a girl in 2008 and a boy in 1985. The girl, Nya, is fetching water from a pond that is two hours' walk

from her home: she makes two trips to the pond every day. The boy, Salva, becomes one of the "lost boys" of Sudan, refugees who cover the African continent on foot as they search for their families and for a safe place to stay. Enduring every hardship from loneliness to attack by armed rebels to contact with killer lions and crocodiles, Salva is a survivor, and his story goes on to intersect with Nya's in an astonishing and moving way.
