### The Inferno of Dante Alighieri

CreateSpace

Dante Alighieri's poetic masterpiece, *The Divine Comedy*, is a moving human drama, an unforgettable visionary journey through the infinite torment of Hell, up the arduous slopes of Purgatory, and on to the glorious realm of Paradise—the sphere of universal harmony and eternal salvation.

*Dante's Inferno* CreateSpace

Dante Alighieri ; translated by Henry Wadsworth Longfellow ; with an introduction and notes by Peter Bondanella and Julia Conaway Bondanella ; illustrations by Gustave Dore.

**Inferno** Simon and Schuster

Considered by many to be the greatest work ever written in Italian and among the finest in any language, Dante Alighieri stands in history as a genius of words. Much of the modern, popular conception of hell is due to the words of Dante, who no doubt never meant it as a literal description, but a spiritual allegory. Regardless of the fictional content, there is truth within this work that is fit for the scholar, the mystic or simply the curious. "There sighs, lamentations and loud wailings resounded through the starless air, so that at first it made me weep; strange tongues, horrible language, words of pain, tones of anger, voices loud and hoarse, and with these the sound of hands, made a tumult which is whirling through that air forever dark, and sand eddies in a whirlwind.."

*The Paradise of Dante Alighieri* Scholar's Choice

"Abandon all hope, ye who enter here!" On a divine journey through the depths of Hell, Dante--with his guide, the poet Virgil--witnesses the fate of Earth's sinners. *Inferno*, a 14th century poem and the first part of Dante Alighieri's *The Divine Comedy*, paints an allegorical underworld in which sinners are punished in accordance with their sins. Journey through the darkness and meet famous historical and mythical figures and the fate that has become them, from Homer and Julius Caesar who dwell in Limbo with the unbaptized and the virtuous pagans, to Judas Iscariot and Satan himself, who dwell in the deepest circle of hell for the sin of treachery. Influential, even after seven centuries in print, readers of *Inferno* will appreciate the plethora of allusions both within and concerning this work, as well as the moral implications the story develops. Now available as part of the Word Cloud Classics series, *Inferno* is a must-have addition to the libraries of all classic literature lovers.

**The Inferno of Dante Alighieri**

"The Divine Comedy - Inferno" from Dante Alighieri. Italian poet, statesman and language theoretic (1265-1321).

### **THE INFERNO**

Vrije bewerking in stripvorm van 'De goddelijke komedie' van Dante.

*The Vision; Or, Hell, Purgatory, and Paradise of Dante Alighieri*

An epic and searing poem, that takes the reader on an intense journey through the darkest pits of hell. Dante's *Inferno* is one of the best and enduring works of Western Civilization. The immortal drama of a journey through Hell.

Belonging in the immortal company of Homer, Virgil, Milton, and Shakespeare, Dante Alighieri's poetic masterpiece is a moving human drama, an unforgettable visionary journey through the infinite torment of Hell, a supreme expression of the Middle Ages, a glorification of the ways of God, and a magnificent protest at the ways in which men have thwarted the divine plan. One of the few literary works which has enjoyed a fame that was both immediate and enduring, *The Inferno's* power has not been lessened or obscured after seven centuries. It confronts the most universal values—good and evil, free will and predestination—while remaining intensely personal and ferociously political, for it was born out of the anguish of a man who saw human life blighted by the injustice and corruption of his times.
