HUNTER STEVENS

Strange Case of Dr. Jekyll and Mr. Hyde Dodd Mead
Strange Case of Dr Jekyll and Mr Hyde is a novella written by the Scottish author Robert Louis Stevenson and first published in 1886. It is about a London lawyer who investigates strange occurrences between his old friend, Dr Henry Jekyll, and the misanthropic Edward Hyde. The work is known for its vivid portrayal of a split personality, split in the sense that within the same person there is both an apparently good and an evil personality each being quite distinct from each other; in mainstream culture the very phrase "Jekyll and Hyde" has come to mean a person who is vastly different in moral character from one situation to the next. This is different from multiple personality disorder where the different personalities do not necessarily differ in any moral sense. Strange Case of Dr Jekyll and Mr Hyde was an immediate success and one of Stevenson's best-selling works. Stage adaptations began in Boston and London within a year of its publication and it has gone on to inspire scores of major film and stage performances.

Classics Reimagined, The Strange Case of Dr. Jekyll and Mr. Hyde Penguin

Strange Case of Dr Jekyll and Mr Hyde is a gothic novella by the Scottish author Robert Louis Stevenson first published in 1886. The work is also known as The Strange Case of Dr. Jekyll and Mr. Hyde, Dr. Jekyll and Mr. Hyde, or simply Jekyll & Hyde. It is about a London lawyer named Gabriel John Utterson who investigates strange occurrences between his old friend, Dr Henry Jekyll, and the evil Edward Hyde. The novella's impact is such that it has become a part of the language, with the very phrase "Jekyll and Hyde" entering the vernacular to refer to people with an unpredictably dual nature: usually very good, but sometimes shockingly evil instead.

Dr. Jekyll's experiments result in terrifying discoveries about the dual nature of man

The Essential Robert Louis Stevenson Volume One Roaring Brook Press

This is an illustrated version that contains New illustrations New annotations A poem by the editor (Joe Black) Every chapter contains a new illustrations by Topchii Viola. Dr. Jekyll and Mr. Hyde Robert Louis Stevenson's work entitled Strange Case of Dr. Jekyll and Mr. Hyde is a narrative about the duplicity of human nature and the complexities of science. It tells the story of Dr. Jekyll, who was once a well-respected, intelligent, and kind scientist. Things changed when he decided to meddle with the dark side of science, on his pursuit to bring out his second nature. What will be the conclusion to Dr Jekyll's Experiments? What lessons are there to be learned? Will Good or Evil Prevail? Buy this version to find out. It also includes a poem or "bars" by Joe Black "the faceless menace"

Young Reading Series 4/the Strange Case of Dr. Jekyll and Mr. Hyde Capstone Classroom

A faithful retelling of Robert Louis Stevenson's classic tale of one man's attempts to live a double life. This creepy Victorian drama is full of chills and thrills that will have young readers gripped from start to finish. Illustrations: Full colour throughout
The Strange Case of Dr. Jekyll and Mr. Hyde SF Classic

"The Strange Case of Dr Jekyll and Mr Hyde" can be seen as a story about the concept of good and evil that exists in all of us or a critique on the hypocrisy and double standards of the society and also an interesting study into the mind of the author and into the theories of dualism. First published to critical acclaim in 1886, this mesmerizing thriller is a terrifying study of the duality of man's nature, and it is the book which established Stevenson's reputation as a writer. London lawyer Utterson is driven to investigate Edward Hyde, the unlikely protégé of his friend Dr Henry Jekyll, suspecting the relationship to be founded on blackmail. The truth is worse than he could have imagined. As the mystery deepens, time appears to be running out for Utterson and Enfield to discover what is really wrong with their friend Dr Jekyll - and the final revelation divulges a ghastly secret that makes us wonder about our ability to truly transform ourselves.

Presents the complete collection of Robert Louis Stevenson's short stories, including "The Strange Case of Dr. Jekyll and Mr. Hyde" and "The Beach of Falesa."

The Strange Case Of Dr. Jekyll And Mr. Hyde By Robert Stevenson (A Mysterious Novel) "New Annotated Version" Open Road Media
A fascinating and enthralling thriller, The Strange Case of Dr Jekyll and Mr Hyde is by far the most intriguing story of a dual personality. The book starts with the character sketch of the good Dr Jekyll, a Victorian gentleman and a man of science, who makes

out a will, that were he to disappear or die, his fortune would go to a Mr Edward Hyde. From there on, you are gripped by a story so well crafted and so engaging that you can't let go till the very end. Dr Jekyll faces terrifying consequences when he empowers his dark side to run wild, using a potion he has created, which changes him into the repulsive and debased Mr Hyde. The Strange Case of Dr. Jekyll and Mr. Hyde centres upon the inception of humanity as dual in nature. The story of these two conflicting personalities, within one man, continues to shock readers with its chilling, realistic narrative that traces Dr. Jekyll's desperation as Mr Hyde gains control of his soul. The entire story somehow brings us face to face with the man in the mirror, looking for that dark side lurking within each of us, and pushing us to choose the goodness instead, which abides within us all.

The Strange Case of Dr. Couney Dorset Press

This dark psychological fantasy is more than a moral tale. It is also a product of its time, drawing on contemporary theories of class, evolution and criminality and the secret lives behind Victorian propriety, to create a unique form of urban Gothic.

The Strange Case Of Dr. Jekyll and Mr. Hyde Cambridge University Press

Strange Case of Dr Jekyll and Mr Hyde by Robert Louis Stevenson is a narrative about the complexities of science and the duplicity of human nature. Dr. Jekyll is a very kind and simple, respected and intelligent scientist who meddles in the dark and deep side of science as he wants to bring out his "second" nature.

The Strange Case Of Dr. Jekyll And Mr. Hyde By Robert Louis Stevenson "Unabridged & Annotated Version" Usborne

First published in 1886 as a "shilling shocker," Dr Jekyll and Mr Hyde takes the basic struggle between good and evil and adds to the mix bourgeois respectability, urban violence, and class conflict. The result is a tale that has taken on the force of myth in the popular imagination. This Broadview edition provides a fascinating selection of contextual material, including contemporary reviews of the novel, Stevenson's essay "A Chapter on Dreams," and excerpts from the 1887 stage version of Dr Jekyll and Mr Hyde. Also included are historical documents on criminality and degeneracy, the "Jack the Ripper" murders, and London in the 1880s. New to this second edition are an updated critical introduction and, in the appendices, writings on Victorian psychology by Thomas Carlyle, Richard Krafft-Ebing, and Henry Maudsley, among others.

The Complete Stories of Robert Louis Stevenson Broadview Press It's 1870, and a young woman named Odile is fighting to survive on the blood-soaked streets of Paris. Luckily, Odile has an advantage and a bizarre birthright. She is descended from the Cagots, a much-despised race whose women were reputed to be witches. Were they, in fact? This is the question Odile must answer--about her ancestors and herself--while she uses her talents to help a young Doctor Jekyll who seems to be abusing the salts that she gave him in a most disconcerting way.
