*The 9 Arts of Spiritual Conversations* Penguin

With a Foreword by Krista Tippett—a poignant and beautiful collection of conversations and presentation from John O’Donohue’s work with close friend and former radio broadcaster John Quinn John O’Donohue, beloved author of *To Bless the Space Between Us*, is widely recognized as one of the most charismatic and inspirational enduring voices on the subjects of spirituality and Celtic mysticism. These timeless exchanges, collated and introduced by Quinn, span a number of years and explore themes such as imagination, landscape, the medieval mystic Meister Eckhart, aging, and death. Presented in O’Donohue’s inimitable lyrical style, and filled with rich insights that will feed the “unprecedented spiritual hunger” he observed in modern society, *Walking in Wonder* is a welcome tribute to a much-loved author whose work still touches the lives of millions around the world.

Love God, love people. Could evangelism really be that simple? Often, it doesn’t seem so. It can feel scary, awkward, and uncomfortable as we try to navigate loaded questions and different perspectives. Even the most faithful of believers sometimes get stumped. But can you imagine if we, as Christians, simply spent time with people who are far from God and provided a safe place to talk about spiritual matters? If we listened to them and

discovered what was really important to them? After all . . . it’s what Jesus did. And it’s what you can do too. Drawing straight from the life and ministry of Jesus, *The 9 Arts of Spiritual Conversations* offers simple practices to help you build relationships with people who believe differently. Anyone who has read and appreciated *Becoming a Contagious Christian* or *Just Walk across the Room* won’t want to miss this book on creating a safe space to have natural, loving, and spiritual conversations with others.

But this morning

is different: last night Elle and her oldest friend Jonas crept out the back door into the darkness and had sex with each other for the first time, all while their spouses chatted away inside. Now, over the next twenty-four hours, Elle will have to decide between the life she has made with her genuinely beloved husband, Peter, and the life she always imagined she would have had with her childhood love, Jonas, if a tragic event hadn't forever changed the course of their lives. As Heller colors in the experiences that have led Elle to this day, we arrive at her ultimate decision with all its complexity. Tender yet devastating, *The Paper Palace* considers the tensions between desire and dignity, the legacies of abuse, and the crimes and misdemeanors of families.

If you find yourself in between one thing and another, changing from who you used to be into who you are becoming, how will you live in the messy, beautiful middle? And what if the middle pages hold storylines that wound and surprise? Is God with us on those pages, too? In *Even If Not*, Kaitlyn Bouchillon invites you to let go of trying to figure out the ending of your story and instead lean into the faithfulness of God. With honest and vulnerable storytelling from her own in betweens, Kaitlyn encourages you to say - no matter what page of the story you find yourself on - that although you believe God could come through how you're asking, you'll trust Him... even if not.

"Ram Dass lived a full life and then some. His final statement is thorough and, yes, enlightening." —*Kirkus Reviews* Perhaps no other teacher has sparked the fires of as many spiritual seekers in the West as Ram Dass. If you've ever embraced the phrase "be here now," practiced meditation or yoga, tried psychedelics, or supported anyone in a hospice, prison, or homeless center—then the story of Ram Dass is also part of your story. From his birth in 1931 to his luminous later years, Ram Dass saw his life as just one incarnation of many. This memoir puts us in the passenger seat with the one-time Harvard psychologist and lifelong risk-taker Richard Alpert, who loved to take friends on wild rides on his Harley and test nearly every boundary—inner or outer—that came his way. Being Ram Dass shares his life's odyssey in intimate detail: how he struggled with issues of self-identity and sexuality in his youth, pioneered psychedelic research, and opened the doorways to Eastern spiritual practices. In 1967 he trekked to India and met his guru, Neem Karoli Baba. He returned with a perspective on spirituality and psychology that changed millions. Featuring 64 pages of color photographs, this intimate memoir chronicles the cultural and spiritual transformations Ram Dass experienced that resonate with us to this day, a

journey from the mind to the heart, from the ego to the soul. Before, after, and along these waypoints, readers will encounter many other adventures and revelations—each ringing with the potential to awaken the universal, loving divine that links us to this beloved teacher and all of us to each other.

For centuries, readers have turned to the Bhagavad Gita for inspiration and guidance as they chart their own spiritual paths. As profound and powerful as this classic text has been for generations of seekers, integrating its lessons into the ordinary patterns of our lives can ultimately seem beyond our reach. Now, in a fascinating series of reflections, anecdotes, stories, and exercises, Ram Dass gives us a unique and accessible road map for experiencing divinity in everyday life. In the engaging, conversational style that has made his teachings so popular for decades, Ram Dass traces our journey of consciousness as it is reflected in one of Hinduism's most sacred texts. The Gita teaches a system of yogas, or "paths for coming to union with God." In *Paths to God*, Ram Dass brings the heart of that system to light for a Western audience and translates the Gita's principles into the manual for living the yoga of contemporary life. While being a guide to the wisdom of the Bhagavad Gita, *Paths to God* is also a template for expanding our definition of ourselves and allowing us to appreciate a new level of meaning in our lives.

TIKTOK BOOK AWARDS WINNER 2023 "Nearly everything I know about love, I've learnt from my long-term friendships with women." I know that love can be loud and jubilant. It can be dancing in the swampy mud and the pouring rain at a festival and shouting "YOU ARE AMAZING" over the band. It's laughing until you wheeze. It's walking along the street together on a Saturday night and feeling an entire city is yours. I also know that love is a pretty quiet thing. It's lying on the sofa together drinking coffee, talking about where you're going to go that morning to drink more coffee. It's folding down pages of books you think they'd find interesting. I know that love happens under the splendour of fireworks and sunsets, but also happens when you're lying on blow-up airbeds in a childhood bedroom, sitting in A&E or in the queue for a passport. Everything I Know About Love is a celebration of our female friendships, of our messy years, and of growing up together. Glittering with wit, heart, and humour, it's a book to share with every woman you've ever been lucky enough to call a friend. \*\*\*\*\* WHAT READERS ARE SAYING: 'A book every girl in her 20s needs to read' 'I'll never stop recommending this book' 'This is my comfort book! You existed before your human experience, and you will exist after. Drawing from his unique pre-birth memories, Christian Sundberg provides an encouraging framework for understanding the nature of the human experience within the larger spiritual context. *A Walk in the Physical* is a non-linear reality model that boils down the very vast into succinct accessible language. More than a set of ideas though, it is a tool meant to point you towards the portion of yourself that already exists right now beyond Earth. At the heart of the book is the theme of love, and it describes why authentic love – even in small matters – is so deeply important to our human journey.

From the USA TODAY bestselling author of *Sweet Thing and Nowhere But Here* comes a love story about a Craigslist "missed connection" post that gives two people a second chance at love fifteen years after they were separated in New York City. To the Green-eyed Lovebird: We met fifteen years ago, almost to the day, when I moved my stuff into the NYU dorm room next to yours at Senior House. You called us fast friends. I like to think it was more. We lived on nothing but the excitement of finding ourselves through music (you were obsessed with Jeff Buckley), photography (I couldn't stop taking pictures of you), hanging out in Washington Square Park, and all the weird things we did to make money. I learned more about myself that year than any other. Yet, somehow, it all fell apart. We lost touch the summer after graduation when I went to South America to work for National Geographic. When I came back, you were gone. A part of me still wonders if I pushed you too hard after the wedding... I didn't see you again until a month ago. It was a Wednesday. You were rocking back on your heels, balancing on that thick yellow line that runs along the subway platform, a

waiting for the F train. I didn't know it was you until it was too late, and then you were gone. Again. You said my name; I saw it on your lips. I tried to will the train to stop, just so I could say hello. After seeing you, all of the youthful feelings and memories came flooding back to me, and now I've spent the better part of a month wondering what your life is like. I might be totally out of my mind, but would you like to get a drink with me and catch up on the last decade and a half? M
