Cincinnati Magazine Artisan Books Porsche's fabled 911 represents the ultimate expression of Ferdinand Porsche's original vision of the perfect sports car. In *The Complete Book of Porsche 911*, author and photographer Randy Leffingwell provides a year-by-year overview of Stuttgart's most famous car, from the original 901 prototype to today's technologically advanced GT2 and GT3 derivatives and the latest 992-generation 911. Along the way, he highlights the racing, prototype, and limited-production cars—offering the most complete reference available to these top-tier sports cars. In this book, you'll find the air-cooled cars of 1963 to 1998, then the water-cooled 911s of 1998 to present day. With behind-the-scenes info on the evolution of this iconic sports car, this book offers the detail craved by Porsche enthusiasts. Illustrated throughout with images from Porsche's own historical archive and complemented by the author's stunning photos, along with detailed technical specification tables, *The Complete Book of Porsche 911* offers a thorough account of one of the most beloved enthusiast cars

ever produced.

In *Porsche 911: 50 Years*, bestselling author Randy Leffingwell celebrates a half-century of one of the world's premiere

sports cars, focusing on the major themes that have defined Porsche's rear-engined wonder. Randy tells the whole story-- design and development, racing and competition, engineering and technology, style and culture. All the iconic 911 models are included: the original 901 prototype that set the standard; the legendary RS models that made the little Porsche a dominant force on the world's racetracks; the infamous Turbo, the car that kept the performance flame alight during the dark, dismal decade of the 1970s; the fabled 959, the model that redefined the term "sports car"; the 993, last of the original air-cooled models; and the 996, 997, and 991, the liquid-cooled cars that brought the 911 into a new millennium. Beyond telling the story of the cars, Porsche 911: 50 years also spotlights the people behind them: Ferdinand "Butzi" Porsche, the son of legendary Porsche founder Ferdinand "Ferry" Porsche, who co-designed the instantly recognizable 911 shape; Peter W. Schutz, the Porsche CEO who saved the 911 from extinction; and Dr. Helmuth Bott, the engineering genius behind many of the groundbreaking technologies that have defined the 911, including fuel

injection, turbocharging, and all-wheel-drive. Leffingwell also tells the story of the 911 community--the clubs and culture that surround the car. Together, all of these facets make Porsche 911: 50 Years the most essential book in any Porsche owner or fan's library.

This beautiful collection of food and nostalgia features great traditions from the heart of Italy, with delicious recipes and colorful stories from the internationally celebrated grandmothers of Enoteca Maria—a one-of-a-kind Italian restaurant where a rotating cast of nonnas are the star chefs. Enoteca Maria takes great home cooking seriously. At this intimate, hospitable restaurant on Staten Island, all the cooking is done by ten nonnas (grandmothers), drawing on their own family recipes, handed down for

generations, which reflect their regional traditions. Here are their delicious homemade pastas, risottos, desserts, and more, which have foodies from all over the world taking the ferry to the forgotten borough for an authentic taste of Italy. Beautiful full-color photography captures the fresh, distinctive flavors of these surprising dishes. Nonna Cristina shares her beautiful Risotto with Strawberries, Black Pepper, and Parmesan; Nonna Margherita offers delectable Stuffed Peppers with Pine Nuts and Raisins; and Nonna Teresa shows off her prize-winning Meat and Cheese Lasagna. Nonna Elvira whips up her peerless Linguine with Cuttlefish and Ink; Adelina creates a savory Tagliatelle with Pumpkin, Sausage, and Chestnuts; and Rosaria makes handmade Spaghetti alla Chitarra with Cherry Tomatoes and Porcini Mushrooms. Nonna Carmelina shares her classic Potato Pie with Ham, Salami, and Mozzarella; Rosa confides her nonna's secret recipe for Rabbit with Sage; and Nina sautés Chicken alla Capricciosa, with prosciutto and mushrooms. Nonna Francesca launches the book with advice on the time-honored art of preserving everything

from olives to soppressata. With its utterly delicious tastes of grandmother's kitchen, Nonna's House is a legacy of flavors passed down through generations, now captured here forever. Restaurant founder Jody Scaravella says it best: "If I have a choice between a three-star Michelin chef's restaurant and Grandma's, I'm going to Grandma's. I'm going to the source."

This handbook provides an authoritative and truly comprehensive overview both of the diverse applications of information and communication technologies (ICTs) within

the travel and tourism industry and of e-tourism as a field of scientific inquiry that has grown and matured beyond recognition. Leading experts from around the world describe cutting-edge ideas and developments, present key concepts and theories, and discuss the full range of research methods. The coverage accordingly encompasses everything from big data and analytics to psychology, user behavior, online marketing, supply chain and operations management, smart business networks, policy and regulatory issues – and much, much more. The goal is to provide an outstanding reference that summarizes and synthesizes current knowledge and establishes the theoretical and methodological foundations for further study of the role of ICTs in travel and tourism. The handbook will meet the needs of researchers and students in various disciplines as well as industry professionals. As with all volumes in Springer’s Major Reference Works program, readers will benefit from access to a continually updated online version. [The Thursday Murder Club](#) Chronicle Books
