GLOVER ACEVEDO

The Outer Hebrides Pocket Mountains

Four artists from Germany, known globally, who have each attained a level of fame that is unique in the history of German art. Their renown was cemented by their early work of the 1960s--that decade of reaction and rebellion, of confrontation and upheaval, of utopias and a new social compass. In conversations with Gotz Adriani, the artists talk frankly about their work during this time when German society, East and West, may have got over the Nazi regime and the worst of the devastation of the war, but not the cultural and intellectual roots of Germany's fascist past. The book offers a fresh and comprehensive look at the early works of Baselitz, Richter, Polke, and Kiefer, at how each one variously tackled the aesthetic dominance of abstract art and the unique social and political environment of their newly founded country, the Federal Republic of Germany.

South West Coast Path The Mountaineers Books

From the award winning series of Pocket Mountains walking guides. 40 circular routes taking in the Border, Pentland, Cheviot and Galloway Hills. Colour photos and colour maps.

Canada: Road Atlas Cicerone Press Limited

The Outer Hebrides are a place apart, an island chain stretching almost 200km from the Butt of Lewis to Barra Head with some of Britain's most mesmerising beaches, dramatic mountain ranges, wonderful wildlife, a long and fascinating history and a rich and vibrant Gaelic culture. This book features 40 mostly moderate walks, with many ideal for families, which take in magnificent sweeps of sand, soaring sea cliffs and memorable hill ascents, as well as celebrated cultural sights.

Pub Walks teNeues

The new National Geographic Benchmark Recreation Atlases are an ideal recreation resource complete with accurate, detailed topographic maps. They contain a wealth of robust travel information, including campground locations, state park maps, sports and activity destinations, museums, hunting and fishing information, historic sites and even climate details. Every feature is clearly labelled, field-checked and verified, and everything is organised for convenience and intuitive ease-of-use. The books feature a double laminated cover to prevent wear and tear.

Stolen Figs White Lion Publishing

Te Araroa is a 3000km walking trail from Cape Reinga to Bluff, the world's newest long trail, and one of the world's longest. Te Araroa walkers will discover the great diversity of New Zealand's wilderness: the coastline, the forest, the volcanoes, the mountain passes, the lakes and river valleys. This fully updated walking guide is indispensable for those contemplating a through-hike, either in one go or over years, and also for those who simply want to walk any one of the trail's 115 stand-alone tracks.

Galloway National Geographic Books

This guide gives walkers ten of the finest walks on the upland heather moors and tors of the Peak District National Park in a popular pocketable format. With clear information, an overview and introduction for each walk, expertly written numbered directions, large scale Ordnance Survey maps, and interception of points of interest along the way, these guides set a new standard in clarity and ease-of-use.

Girl on a Motorcycle Bradt Travel Guides

A picture book biography by an award-winning team about the first woman to ride a motorcycle around the world One day, a girl gets on her motorcycle and rides away. She wants to wander the world. To go . . . Elsewhere. This is the true story of the first woman to ride a motorcycle around the world alone. Each place has something to teach her. Each place is beautiful. And despite many flat tires and falls, she learns to always get back up and keep riding. Award-winning author Amy Novesky and Governor General's Award-winning illustrator Julie Morstad have teamed up for a spectacular celebration of girl power and resilience.

A Walking Guide to New Zealand's Long Trail Random House (New Zealand)

The South West Coast Path is the spectacular 630 mile National Trail around the tip of Britain This volume features the section of the Path from Minehead to Padstow, a distance of 163 miles. The trail traces the beautiful coastline, through Exmoor National Park, Clovelly, and Tintagel, following England's natural acorn waymarks. This is the complete, official guide for the long distance walker or the weekend stroller.

Aconcagua

The only English-language guidebook to South America's highest mountain, featuring 27 routes from the three major approaches and thoroughly researched advice on lodging, permits, equipment, seasons, weather and more. Reaching the highest summit in the Western hemisphere requires careful preparation and detailed instruction. R. J. Secor draws upon his extensive mountaineering experience to give climbers all that's necessary to top Aconcagua's 22,841-foot peak. This updated and revised guide features comprehensive information on recommended equipment, safety and health precautions, and conservation issues. It details both the popular and less-travelled routes reached via the Horcones Valley, South Face, and Vacas and Relinchos Valleys. Also included are a climbing history of Aconcagua and a glossary of valuable Spanish mountaineering phrases.

MICHELIN MAP GREAT BRITAIN

An effortlessly artful blend of travel book, memoir, and affectionate portrait of a people Calabria is the toe of the boot that is Italy—a rugged peninsula where grapevines and fig and olive trees cling to the mountainsides during the scorching summers while the sea crashes against the cliffs on both coasts. Calabria is also a seedbed of Italian American culture; in North America, more people of Italian heritage trace their roots to Calabria than to almost any other region in Italy. Mark Rotella's *Stolen Figs* is a marvelous evocation of Calabria and Calabrians, whose way of life is largely untouched by the commerce that has

made Tuscany and Umbria into international tourist redoubts. A grandson of Calabrian immigrants, Rotella persuades his father to visit the region for the first time in thirty years; once there, he meets Giuseppe, a postcard photographer who becomes his guide to all things Calabrian. As they travel around the region, Giuseppe initiates Rotella—and the reader—into its secrets: how to make *soppresata* and *'nduja*, where to find hidden chapels and grottoes, and, of course, how to steal a fig without actually committing a crime. *Stolen Figs* is a model travelogue—at once charming and wise, and full of the earthy and unpretentious sense of life that, now as ever, characterizes Calabria and its people.

Madagascar Wildlife

Bradt's fully illustrated wildlife guides focus on regions of the world particularly celebrated for their amazing and often unique species. With spectacular photography or exclusive watercolour drawings throughout, each visitors' guide provides an introduction to the region's principal flora and fauna alongside suggested wildlife itineraries, practical information on when to go and what to take and photography tips. Written in a deliberately engaging way, they offer something different from dry field guides, and will appeal to the interested layman as much as the wildlife devotee. Ideal as a lightweight companion to any wildlife trip they also make a handsome souvenir. Beautifully illustrated with full-colour photographs throughout, *Madagascar Wildlife* is a celebration of the unique fauna of a remarkable island. Featuring over 250 species - from lemurs to millipedes - this guide is ideal for natural history enthusiasts and travellers alike. Newly discovered species and recently protected habitats are all covered in this fully revised edition. Also included is practical advice on visiting the key national parks and reserves plus special features on the evolution, camouflage, night-time wildlife and conservation issues.

Baselitz, Richter, Polke, Kiefer

A guidebook to 24 days walks and short treks, plus 2 link routes, in Tajikistan. The graded routes vary in terms of difficulty, although many involve high altitude and remote terrain calling for self-reliance. The book includes 5 day walks in the Dushanbe region, ranging from 6 to 17km. Covering the Fann Mountains, the Zerafshan and Hissar ranges and Yagnob Valley, and the western, central and southern Pamir, the treks range from 2 to 9 days. Also included is a 10-day trek in Afghanistan's Wakhan Corridor. Route description illustrated with 1:100,000 mapping GPX files available to download Can be used either to plan an independent trek or to select, prepare for and enhance an organised expedition Practical advice on transport and visas, trekking support, equipment, cultural awareness, safety and security Insight into Tajikistan's rich culture and history Russian/Tajik/Pamiri language notes and useful phrases

Helmut Newton

Made up of the old counties of Wigtownshire and The Stewartry, Galloway covers a vast swathe of Scotland's quiet southwest corner. This under-discovered area offers 260km of coast, full of sandy beaches and towering cliffs, lonely heather-clad moors and quiet hills. Add to this plenty of wildlife, a rich artistic heritage, strong spiritual influences and a climate kissed by the warming Gulf Stream, and you have a region beckoning to be visited.
