A graduate of the Bunka Fashion Institute, Yuko Takada provides patterns and instructions for making twenty spare and streamlined wardrobe items, including: Versatile tops that can be either casual or dressy Jackets that are timeless and unique Dresses and skirts that are straight-line or draped Three different pants lengths, from culottes to full-length trousers And much, much more! Patterns can be easily adjusted to suit any body size, and Takada shows readers how to select inexpensive, readily available fabrics and transform them into an elegant new wardrobe.
