Guadeloupe, Marie-Galante and Saintes Islands Guides Gallimard Get inspired and plan your next trip with Fodor's ebook travel guide to Martinique, Dominica, and Guadeloupe. Easy navigation makes it simple for you to move through each section of the ebook with a simple touch. To get your bearings, browse a brief overview and peruse full-color maps of the islands. You'll immediately develop a sense of each island's awe-inspiring beauty as you flip through a vivid full-color photo album. Read more about the island and find all of the essential, up-to-date details you expect in a Fodor's guide: From the best dining and lodging to top beaches and attractions, Fodor's has it all. Discover three great Caribbean islands in one ebook. Martinique is home to excellent French food, music, fashion, and beautiful beaches. Surrounded by the Atlantic Ocean and the Caribbean Sea, Martinique offers activities for every type of water lover. Dominica is a perfect escape from the other more crowded islands, with an unspoiled natural environment, great hiking, and diving along its pristine reefs, which are full of colorful sea life and bubbly volcanic water. Guadeloupe offers a blend of Afro-Caribbean customs, French style, and tropical delights. There is something for everyone: adventure sports in Parc National, affordable escapism in La Désirade, and gorgeous beaches on the island of Marie-Galante. Fodor's helps you unleash the possibilities of travel with the insightful tools you need to experience the trips you want. Plan your ideal trip armed with the assurance of our expertise, the guarantee of selectivity, and the choice details that define a destination. Note: This ebook edition includes photographs and maps that will appear on black-and-white devices but are optimized for devices that support full-color images.

Petit Futé Guadeloupe Hachette Tourisme

Pour voyager moins cher et malin dans cette île des Antilles françaises.

Guadeloupe, the Island of Lovely Water Rowman & Littlefield Fully colour-illustrated travel guides packed with information on the history and culture of a destination.

Guadeloupe Cristina Rebiere

Guadeloupe is an archipelago in the center of the Lesser Antilles. The main island is actually two irregular ovals hinged together like an open oyster shell. Smaller outer islands float nearby like spilled pearls in the turquoise sea. Grande-Terre, the eastern half of the shell, is basically a flat field of lush sugarcane dotted with colorful towns and rimmed by long, sandy beaches. Basse-Terre is a mountainous forest marked by waterfalls, rivers, hot springs

and a volcano. The two are joined by a bridge over the Rivière-Salée, a channel that connects the Caribbean Sea and Atlantic Ocean. Grande-Terre and Basse-Terre: Why, you may wonder, is the smaller, flatter half of the island called Grande-Terre (big land), and the larger, mountainous half called Basse-Terre (low land)? The only theory that makes sense is that early sailors, with their obligatory obsession for wind, noticed that northeastern trade winds blew grande when they hit the flat eastern shore, but basse when they pushed over the mountains in the west. The less developed islands of Marie-Galante, Les Saintes and La Désirade stretch out along the double island's southern shore. Les Saintes is actually a collection of mini-islands that are rocky and steep like Basse-Terre. Marie-Galante is flatter and similar to Grande-Terre topographically. La Désirade is a long, narrow, rugged rock with one road, only a few residents and limited facilities a nature-lover's dream. Most visitors choose to stay on the main island and take day-trips or overnight excursions to the outer islands. Grande-Terre and Basse-Terre are connected by a highway that bridges the channel between them, so driving from one to the other is simple. Boats leave for the outer islands from four towns on the main island's southern coast, and they are the quickest and least expensive way to island-hop. Air Guadeloupe flies daily from the international airport near Pointe-à-Pitre to Les Saintes, Marie-Galante and La Désirade. Because the island is so diverse, in a single day you can enjoy a drive along both the jagged coast of the wild Atlantic and the pristine coves of the calm Caribbean or hike uphill into the rain forest then nap on a sunny beach. Several towns on both Basse-Terre and Grande-Terre offer gourmet dining, lively entertainment and world-class lodging. Because the archipelago is a legitimate région of France, you will enjoy French-style comfort and cuisine with a tropical twist wherever you stay. This tropical twist is one of Guadeloupe's many charms. Shops and offices close between noon and 2 o'clock for a leisurely gourmet lunch with wine, as they typically do all over Europe. But, out on the streets, the music has a decidedly African beat. The women wear madras headdresses as they do in India, and the aroma of West Indies spices permeates the air. Another appealing quality is the stable economy that makes Guadeloupe neither rich nor poor. Towns aren't filled with tourist-badgering hustlers or begging street people. At the same time, the islanders are friendly, and a simple bonjour breaks the language barrier. There aren't a lot of fancy boutiques or glitzy nightspots, but everyone seems to have plenty of everything they need. This is a complete and highly detailed guide to Guadeloupe - the restaurants, the hotels, what to see and what to do. It is excerpted from our 650-page Martinique, Guadeloupe, Dominica & St. Lucia Alive guide.

Petit Futé Guadeloupe Hachette Tourisme

Pour visiter Basse-Terre, Grande-Terre, les îles de l'archipel de la

Guadeloupe et de la Dominique, des informations sur l'histoire, l'économie, la culture, les arts. Avec des suggestions de visites, des renseignements pratiques pour organiser son séjour et des adresses : hôtels, restaurants, loisirs, etc.

Guadeloupe Createspace Independent Publishing Platform Guadeloupe History, Travel and Tourism. Guadeloupe eBook and Book, Guadeloupe travel guide, Guadeloupe Island, Guadeloupe map, Guadeloupe tourism. Introduction; Guadeloupe is an archipelago of eight inhabited islands in the Lesser Antilles, between the tropical Atlantic and the Caribbean Sea. The two principal islands, Basse-Terre and Grande-Terre, are separated by a channel, the Rivière Salée. The capital, Basse-Terre, is on the western wing; the commercial center, Pointe-à-Pitre, is on the eastern wing. The other islands, known as "dependencies," are Marie-Galante, la Désirade, Petite-Terre (uninhabited), and the archipelago Les Saintes, along with Saint Barthélemy and the northern half of Saint Martin to the north. The total area is 660 square miles (1,705 square kilometers). Grande-Terre, essentially limestone, consists of plateaus, plains, and hills (mornes). Basse-Terre is volcanic with high mountains and a tropical rain forest. The climate is humid and tropical with a dry season from January to May and a wet season from June to December. The full history is found in this book "Guadeloupe History, Travel and Tourism" *Guadeloupe, les Saintes, Marie-Galante, la Désirade, Saint-Martin, Saba*, Editions Vagnon

The chain of islands from the Virgins to the southern Lesser Antilles is one of the most desirable tropical cruising grounds as well as the most accessible for North American and European sailors. The Caribbean Sea is usually benign but the conditions are very different from your home waters—you must learn to sail with the grain of wind, weather, current, and climate, or these forgiving waters will turn into a punishingly rough old sea. This updated third edition of Caribbean Passagemaking is an entertaining mine of information for the sun-soaked passage planner as well as the dreamer back home. Here is the full, vital background to help skipper and crew enjoy sailing the Caribbean islands.

Guadeloupe, Marie-Galante et les Saintes Hunter Publishing, Inc Written by locals, Fodor's travel guides have been offering expert advice for all tastes and budgets for 80 years. Cette édition 2005 du Petit Futé " Guadeloupe " propose une présentation complète du pays, des conseils pour s'y rendre, des sites à visiter, des adresses à ne pas manquer...

Guadeloupe Alive Guide Rebiere

En écrivant ce " Guide Vagnon - Les plus belles plongées de Méditerranée et de Corse ". Au fil des années et des descentes, Sandrine Kolau s'est attachée à noter toutes les informations qui lui paraissaient utiles à un plongeur. Une minutieuse topographie sous-marine détaille ainsi chacun des 85 sites de plongée décrits. Les sites sélectionnés sont ceux qui, à ses yeux et au regard des plongeurs locaux, représentent ce qu'il y a de plus beau, de plus émouvant et de plus impressionnant (variété des espèces, beauté des fonds, particularités de la faune et de la flore, etc.) Toutes les informations relatives à ces spots ont été pêchées directement sur le terrain auprès des professionnels. Ainsi, ce guide n'aurait pas existé sans la volonté d'instructeurs de plongée qui ont souhaité lui faire partager leur passion et leur connaissance de la mer. Leur expérience et leur compétence lui ont permis de concevoir les cartes et la création d'itinéraires sous-marins. Les photographes et les dessinateurs dont vous découvrez les illustrations dans cet ouvrage lui ont transmis le meilleur d'eux-mêmes, à savoir leur conception de la vie marine. Ce " Guide Chagnon - Les plus belles plongées de Guadeloupe " s'adresse aux plongeurs de tous niveaux, et particulièrement aux plongeurs de niveaux 1 et 2. Sur un plan géographique, il concerne la Guadeloupe, Saint- Barthélémy, Saint-Martin, les Saintes et Marie-Galante. Chaque site y est décrit selon le même canevas : une présentation du site avec l'itinéraire conseillé sur le site, la topographie du fond sous-marin, des photos sous-marines, des cartes du S.H.O.M. et les caractéristiques du site (géographiques et techniques, à savoir : accès au site, alignement avec amers et points G.P.S., météo, niveaux requis...), ainsi qu'un point sur la faune et flore ; les conseils d'un plongeur local ; les renseignements utiles (adresses des clubs et des écoles de plongée à proximité).
