Children's Books  
The award-winning,  
best-selling Baby  
Touch series is back  
with a sleek and playful  
design. In the first few  
years of life, babies'  
vision is still  
developing. They see  
first of all in black and  
white, and in bright,  
high contrast colours  
such as yellow and red.

Designed to develop  
babies' eyesight, this  
book of large, friendly  
faces will stimulate  
vision from birth. With  
clearly-defined simple  
images that even the  
youngest children will  
respond to, it provides  
a multi-sensory  
experience that will  
help focus a baby's  
attention and  
concentration. Wave to  
mummy, daddy, the  
animals, the sun, the  
flower... and who's that  
in the mirror?

**Baby Touch: Food**

Silver Dolphin Books  
Simple text, illustrations, and touch-and-feel objects introduce young readers to words and concepts pertaining to objects such as animals and household items.

*Peepo!* Ladybird Books  
Baby Touch: Feelings is a bright, interactive board book from Ladybird's best-selling Baby Touch series. With touch-and-feel areas on every double page and high-contrast colours, this book is perfect for sharing and helps to stimulate your baby's senses while introducing them to first feelings. Read along with your little one and explore all kinds of emotions - and look out for a mirror surprise at the end!  
*Little Creeping Things*

## Ladybird

This book catches some of the classic expressions that moms and dads are always trying to elicit when Grandma and Grandpa are visiting: smiles, pouts, wrinkly noses, and more. This new mini edition of the original best-selling board book is perfect for little hands!

Baby Loves Peekaboo!

## Ladybird

The brand-new exciting, Baby Touch Big Noisy Playbook from Ladybird is an interactive experience for babies. The bright colours and bold images encourage focusing skills and there is also a built-in shiny crinkle, soft padded rattle and clicky dial to stimulate developing senses and hand-eye coordination. Use these with your

baby on every page for hours of noisy playtime fun together! Can you find the star on every page, too? Visit Baby Touch online to see all the books in the series *This Little Potty* DK Publishing (Dorling Kindersley) Lift the flaps to discover the different colors, shapes, and textures underneath in this delightful, interactive installment of the Baby Touch series. Explore this tactile board book from the interactive Baby Touch series, a new innovative format that introduces the youngest of readers to colors, textures, and shapes. Little hands will love touching the different textures and playing peekaboo with the large integrated flaps and bold illustrations to match.

Peekaboo National Geographic Books "Explore the farm in this bright, interactive touch-and-feel book for babies. Baby Touch: Farm is part of Ladybird's best-selling Baby Touch series, designed to help stimulate babies' senses from birth. With simple text, bold illustrations and a touch-and-feel on every double page, little ones can explore the farm and spot all their favourite farm animals in this bright, interactive book"-- Publisher's description. Animals Ladybird With touch and feel patches and sparkly areas to explore, this baby dinosaur board book encourages early learning, and is just right for sharing with your little one. Inside, on 12 sturdy pages,

you meet engaging baby dinosaurs hatching, hiding, playing, and sleeping, from long-necked Diplodocus with leathery skin, to baby T. rex with twinkly teeth, and bumpy, plated baby Stegosaurus. The delightful baby dinosaurs are unique, full of character, entertaining, and immediately appealing, and every page of Baby Touch and Feel Baby Dinosaur has tantalizing texture or an eye-catching shiny area to expand a baby's senses. Easy for very young children to follow, there's one main picture per page to focus on that's clear and life-like, which help a young child's identification skills. The short, fun text is great for reading aloud and

building language. All the dinosaurs are also labelled, with helpful pronunciation guides for their names. This small padded book is perfect for little hands to hold. Babies and toddlers will love turning the tough board pages themselves, which develops their fine motor skills. Part of DK's popular Baby Touch and Feel series, this exciting preschool dinosaur book with its super sparkly jacket makes an ideal baby gift. Age Range- 0-5 years

The Rainbow Ladybird Babies can lift the big flaps and play peekaboo in this board book title with a mirror at the end.

**Tummy Time** Penguin Who can you spot hiding behind each flap? Play peekaboo

with your baby and help them lift the flaps to spot the different animals. This bright board book is full of textured patches to touch, feel and explore, with a mirror finale! This is the perfect first book for sharing together with your baby or toddler. The touch-and-feel patches, large flaps and high-contrast colours encourage interaction and stimulate a baby's senses.
