There Was an Old Lady Who Swallowed a Star! LB Kids

The surprising true story of Mexico's hunt, arrest, and conviction of its first female serial killer For three years, amid widespread public outrage, police in Mexico City struggled to uncover the identity of the killer responsible for the ghastly deaths of forty elderly women, many of whom had been strangled in their homes with a stethoscope by someone posing as a government nurse. When Juana Barraza Samperio, a female professional wrestler known as la Dama del Silencio (the Lady of Silence), was arrested—and eventually sentenced to 759 years in prison—for her crimes as the Mataviejitas (the little old lady killer), her case disrupted traditional narratives about gender, criminality, and victimhood in the popular and criminological imagination. Marshaling ten years of research, and one of the only interviews that Juana Barraza Samperio has given while in prison, Susana Vargas Cervantes deconstructs this uniquely provocative story. She focuses, in particular, on the complex, gendered aspects of the case, asking: Who is a killer? Barraza—with her “manly” features and strength, her career as a masked wrestler in lucha libre, and her violent crimes—is presented, here, as a study in gender deviance, a disruption of what scholars call mexicanidad, or the masculine notion of what it means to be Mexican.

Cervantes also challenges our conception of victimhood—specifically, who “counts” as a victim. The Little Old Lady Killer presents a fascinating analysis of what serial killing—often considered “killing for the pleasure of killing”—represents to us.

The Little Old Lady Who Broke All the Rules Houghton Mifflin Harcourt

#1 International Bestseller The Best Exotic Marigold Hotel meets The Italian Job in internationally-bestselling author Catharina Ingelman-Sundberg's witty and insightful comedy of errors about a group of delinquent seniors whose desire for a better quality of life leads them to rob and ransom priceless artwork. Martha Andersson may be seventy-nine-years-old and live in a retirement home, but that doesn't mean she's ready to stop enjoying life. So when the new management of Diamond House starts cutting corners to save money, Martha and her four closest friends—The Genius, The Rake, Christina and Anna-Gretta (a.k.a. The League of Pensioners)—won't stand for it. Fed up with early bedtimes and overcooked veggies, this group of feisty seniors sets about to regain their independence, improve their lot, and stand up for seniors everywhere. Their solution? White collar crime. What begins as a relatively straightforward robbery of a nearby luxury hotel quickly escalates into an unsolvable heist at the National Museum. With police baffled and the Mafia hot on

their trail, the League of Pensioners has to stay one walker's length ahead if it's going to succeed.... Told with all the insight and humor of *A Man Called Ove* or *Where'd You Go Bernadette?*, *The Little Old Lady Who Broke All the Rules* is a delightful and heartwarming novel that goes to prove the adage that it's not the years in your life that count, it's the life in your years.

NATIONAL BESTSELLER Another bestselling, hilarious crime caper featuring the League of Pensioners from the author of the #1 bestselling *The Little Old Lady Who Broke All the Rules*. This time, the gang has their sights set on Saint-Tropez . . . Nothing can stop the League of Pensioners. They have a plan, and it's going to need money. Lots of money. Sure, another bank robbery could finance their endeavour, but they're going to need a lot more than a few million dollars for what they have in mind. So Martha and her friends set out to catch the biggest financial fish in the sea: venture capitalists. In their hunt for big bucks, the gang plans to cheat billionaires out of their luxury yachts in the south of France's sun-bleached Saint-Tropez. But with the police hot on their heels—not to mention a couple of ruthless ex-cons—how will this wily group of walker-equipped conspirators ever accomplish their dangerous mission?
