Debugging Teams

Simon and Schuster

Parks and Recreation

actor and Making It co-

host Nick Offerman shares

his humorous fulminations

on life, manliness, meat,

and much more in this

New York Times

bestseller. Growing a

perfect moustache,

grilling red meat, wooing

a woman—who better to

deliver this tutelage than

the always charming,

always manly Nick

Offerman, best known as

Parks and Recreation's

Ron Swanson? Combining

his trademark comic voice

and very real expertise in

woodworking—he runs his

own woodshop—Paddle

Your Own Canoe features

tales from Offerman's

childhood in small-town

Minooka, Illinois—"I grew

up literally in the middle of a cornfield"—to his theater days in Chicago, beginnings as a carpenter/actor and the hilarious and magnificent seduction of his now-wife Megan Mullally. It also offers hard-bitten battle strategies in the arenas of manliness, love, style, religion, woodworking, and outdoor recreation, among many other savory entrees. A mix of amusing anecdotes, opinionated lessons and rants, sprinkled with offbeat gaiety, *Paddle Your Own Canoe* will not only tickle readers pink but may also rouse them to put down their smart phones, study a few sycamore leaves, and maybe even hand craft (and paddle) their own canoes.

Planet X Gray & Gold Publishing

#1 New York Times

bestselling author Ilona

Andrews invites you to

experience the first novel

in the "intriguing world"

(Locus) of Kate Daniels

with this special edition of

Magic Bites... Kate Daniels

is a down-on-her-luck

mercenary who makes

her living cleaning up

magical problems. But

when Kate's guardian is

murdered, her quest for

justice draws her into a

power struggle between two strong factions within Atlanta's magic circles. Pressured by both sides to find the killer, Kate realizes she's way out of her league—but she wouldn't want it any other way... This special edition includes in-depth information about the world of Kate Daniels, with descriptions of its characters and factions. Explore Kate's Atlanta like never before with answers to FAQ and a quiz to find your place there. And don't miss the prequel story "A Questionable Client," as well as scenes of events in *Magic Bites* from Curran's point of view.

Inadequate Equilibria

(Draft Version) Rizzoli

Publications

The urge to tidiness

seems to be rooted deep

in the human psyche.

Many of us feel

threatened by anything

that is vague, unplanned,

scattered around or hard

to describe. We find

comfort in having a script

to rely on, a system to

follow, in being able to

categorise and file away.

We all benefit from tidy

organisation - up to a

point. A large library

needs a reference system.

Global trade needs the

shipping container. Scientific collaboration needs measurement units. But the forces of tidiness have marched too far. Corporate middle managers and government bureaucrats have long tended to insist that everything must have a label, a number and a logical place in a logical system. Now that they are armed with computers and serial numbers, there is little to hold this tidy-mindedness in check. It's even spilling into our personal lives, as we corral our children into sanitised play areas or entrust our quest for love to the soulless algorithms of dating websites. Order is imposed when chaos would be more productive. Or if not chaos, then . . . messiness. The trouble with tidiness is that, in excess, it becomes rigid, fragile and sterile. In *Messy*, Tim Harford reveals how qualities we value more than ever - responsiveness, resilience and creativity - simply cannot be disentangled from the messy soil that produces them. This, then, is a book about the benefits of being messy: messy in our private lives; messy in the office, with piles of paper on the desk and unread spreadsheets;

messy in the recording studio, the laboratory or in preparing for an important presentation; and messy in our approach to business, politics and economics, leaving things vague, diverse and uncomfortably made-up-on-the-spot. It's time to rediscover the benefits of a little mess.

The Art of Thinking Clearly
Hachette UK

An exciting crossover between the Starfleet's finest crew and Earth's greatest mutant heroes who must team together to stop a deadly threat to the Federation. On the planet Xhaldia, ordinary men and women are mutating into bizarre creatures with extraordinary powers. But is this a momentous evolutionary leap or an unparalleled catastrophe? The very fabric of Xhaldian society is threatened as fear and prejudice divide the

transformed from their own kin. Dispatched to cope with the growing crisis, Captain Picard and the crew of the Starship Enterprise™ receive some unexpected visitors from another reality -- in the form of the group of mutant heroes known as the uncanny X-Men®. Storm, leader of the X-Men, offers their help in resolving a situation that is agonizingly similar to the human/mutant conflicts of their own time and space. But when hostile aliens appear in orbit around Xhaldia to try and abduct the transformed for use as a superpowered force in an attack on the Federation, even the combined forces of the crew of Starfleet and the X-Men may be unable to prevent an inferno of death and destruction. Starfleet's finest crew and Earth's greatest mutant heroes will need all their powers and abilities to save the Xhaldian people and stop a deadly threat to the Federation.

A Snarky Adult Colouring Book Pan Macmillan

Out of all the mysterious boarders who call Sanctuary home, no one is more antisocial or withdrawn than Maxis Drago. But then, it's hard

to blend in with the modern world when you have a fifty foot wingspan. Centuries ago, he was cursed by an enemy who swore to see him fall. An enemy who took everything from him and left him forever secluded. But Fate is a bitch, with a wicked sense of humor. And when she throws old enemies together and threatens the wife he thought had died centuries ago, he comes back with a vengeance. Modern day New Orleans has become a battleground for the oldest of evils. And two dragons will hold the line, or go down in flames, in *Dragonbane*, the next explosive Dark-Hunter novel from #1 New York Times bestselling author Sherrilyn Kenyon.

COLOURING BOOKS FOR GROWN-UPS HUMOR

Some people need a high-five. In the face. With a chair. *Snarky AF: Volume 2* Just because our current political discourse has inspired an entire line of Swear Word Adult Coloring Books, doesn't mean we need another coloring book with the F-bomb on the cover. Let's combine that anger and negativity, add a cup of

sarcasm, a dash of passive aggressiveness, and a sprinkle of sass. Let this simmer on low, deep in your brain, for 20 minutes (or until it glows bright red). Your SNARK is now ready. As with revenge, this dish is best served cold. Popular recipients of this dish include: your boss, your mother in law, your ex, and of course, any telephone customer service representative. Happy Coloring? Shrug. Product Details: Printed single-sided on bright white paper Premium matte cover finish Soothing seamless patterns on reverse pages Perfect for all coloring mediums High quality 60 pound (90gsm) paper stock Large format 8.5" x 11.0" (22cm x 28cm) pages

Nobrow Nick Rhodes Books

An Instant New York Times Bestseller! Winner of the Coretta Scott King - John Steptoe for New Talent Author Award Filled with mystery and an intriguingly rich magic system, Tracy Deonn's YA contemporary fantasy reinvents the King Arthur legend and "braids together Southern folk traditions and Black Girl Magic into a searing modern tale of grief,

power, and self-discovery" (Dhonielle Clayton, New York Times bestselling author of *The Belles*). After her mother dies in an accident, sixteen-year-old Bree Matthews wants nothing to do with her family memories or childhood home. A residential program for bright high schoolers at UNC-Chapel Hill seems like the perfect escape—until Bree witnesses a magical attack her very first night on campus. A flying demon feeding on human energies. A secret society of so called "Legendborn" students that hunt the creatures down. And a mysterious teenage mage who calls himself a "Merlin" and who attempts—and fails—to wipe Bree's memory of everything she saw. The mage's failure unlocks Bree's own unique magic and a buried memory with a hidden connection: the night her mother died, another Merlin was at the hospital. Now that Bree knows there's more to her mother's death than what's on the police report, she'll do whatever it takes to find out the truth, even if that means infiltrating the Legendborn as one of their initiates. She recruits Nick, a self-exiled

Legendborn with his own grudge against the group, and their reluctant partnership pulls them deeper into the society's secrets—and closer to each other. But when the Legendborn reveal themselves as the descendants of King Arthur's knights and explain that a magical war is coming, Bree has to decide how far she'll go for the truth and whether she should use her magic to take the society down—or join the fight.

Legendborn Penguin
From Onjali Q. Rauf, the award-winning and best-selling author of *The Boy*

at the Back of the Class, comes another incredible story, told with humour and heart. 'The boy's an absolute menace.' 'He's a bully. A lost cause!' 'Why can't he be more like his sister?' I've been getting into trouble for as long I can remember. Usually I don't mind 'cos some of my best, most brilliant ideas have come from sitting in detention. But recently it feels like no one believes me about anything - even when I'm telling the truth! And it's only gotten worse since I played a prank on the old man who lives in the park. Everyone thinks I'm just a bully. They don't believe I could be a hero. But I'm going to prove them all wrong... Told from the perspective of a bully, this book explores themes of bullying and homelessness, while celebrating kindness, friendship and the potential everyone has to change for the good.
Never Let Me Go Simon and Schuster
OVER 3 MILLION COPIES SOLD This book will change the way you think about decision-making. If you want to lead a happier, more prosperous life, you don't need shiny gadgets, complicated ideas or frantic activity. You just need to make

better choices. From why you should not accept a free drink to why you should keep a diary, from dealing with a personal problem to negotiating at work, *The Art of Thinking Clearly* is a simple, straightforward and always surprising guide to a better, smarter you. Making better choices will transform your life at work, at home, forever. 'A treat - highly relevant, scientifically grounded and beautifully written' Claudio Feser, Senior Partner, McKinsey 'Intelligent, informative and witty' Christoph Franz, former Lufthansa CEO PRAISE FOR ROLF DOBELLI 'Dobelli has a gift for identifying the best ideas in the world' Jonathan Haidt, author of *The Righteous Mind* 'One of Europe's finest minds' Matt Ridley, author of *The Evolution of Everything* 'A virtuosic synthesizer of ideas' Joshua Greene, author of *Moral Tribes*
