Paul Darby has an international reputation as a Feng Shui master who specializes in practical solutions to everyday problems in the home or workplace. Steeped in the energy wisdom of ancient China, but refreshingly modern and no-nonsense in his approach, he takes from tradition what is

relevant to 21st-century living and distills it into his own distinctive blend of up-to-the-minute practical alchemy. The Feng Shui Doctor is a complete how-to manual, to help us optimize energy flows inside or out to create an environment in which we feel happy, healthy and at peace. Paul conveys his twelve years of experience in the form of concise principles and precepts, tackling questions such as: how can we enhance our well-being by arranging the elements of a room along the principles of chi (natural energy)? What can we do if the layout of a room is radically out of step with the chi and cannot be changed without inordinate expense? How can we prevent

interference from TVs and computers from damaging the natural energy flow within the home? How can we use water, wind-chimes and mirrors to correct energy imbalances? How should we decorate different rooms to ensure that they are serving our deepest inner needs? Full of down-to-earth solutions and creative suggestions, The Feng Shui Doctor will help you make your home a source of healing and harmony in your life.

Feng shui is an ancient Chinese practice based on principles from design, ecology, architecture, mysticism, and common sense. In this masterful work, Sarah Rossbach interprets the teachings of feng shui master Lin Yun for contemporary Westerners, offering the classic essentials on achieving harmony with one's environment. They apply not only to the layout of a building, but also to the arrangement of furniture within a room and to the best design of offices and public spaces -- in short, to any arrangement of man's environment. Learn the philosophy of this centuries-old art to help you achieve financial prosperity, good health, and

The prosperity of Hong Kong, Taiwan, Malaysia and Singapore has been based on and nurtured by the practice of Feng Shui, so any doubt regarding the validity of this ancient craft must cease to exist. Then, compare the close-knit unity of Eastern families against their fragmented Western counterparts, leaving no doubt that we should activate this ancient wisdom to attract enrichment needed for a pleasant and fruitful life's journey. Yin and Yang are the dualism in everything, from the protons and electrons forming an atom to our sun's creative and receptive ability to develop atomic fuel to stoke its furnace. Yin/Yang represents

the balancing forces of the universe that see-saw eternally. The marriage of Yin and Yang, symbolised by an equally divided, ever-turning circle, shows that each half contains a seed from its other, indicating change through the constant interaction of energies that manifest all things, life, and actions.

Feng Shui is a body of ancient Chinese knowledge that aims at creating a harmony between environment, buildings and people. It represented the most significant set of architectural theory and practice in Chinese history. Feng Shui knowledge reflected the traditional Chinese attitudes towards the natural and built environment. With a desire to improve the relationship between human and the environment, there is an increasing interest

for architects, building professionals and other property practitioners to apply the concepts of Feng Shui in building design. As Feng Shui knowledge represents a holistic view in creating harmonized built environment, research into the application of Feng Shui to the built environment needs to be addressed.
