Peek-a-Boo Sliders: Baby Animals Bloomsbury Publishing

On each spread of this delightful book there's an animal hiding, which you can find by lifting the big flap. Charmingly illustrated by Gareth Lucas, this is a perfect way to make little children smile as they enjoy playing hide and seek with all the different animals around the pond.

*The Finger and the Nose* Richmond Hill, Ont. : Firefly Books

A captivating series of board books with amazing real-life sounds! This brand-new edition includes replaceable AAA batteries and an exciting 'Look and Find' game on the final page.

*Jean Carriès, imagier et potier* Nubeocho

Join Duck, Frog, and Fish as they introduce readers to their pond habitat in an environmentally friendly board book made from 100% recycled materials. Duck, Frog and Fish live in the pond and introduce readers to their home: showing what plants grow on the banks, which plants thrive in the pond water, and even what tadpoles look like. Elegantly designed with spare text, these gentle earth tone illustrations complement the sustainable format. Printed on thick, 100% recycled board, this eco-friendly book encourages little readers to enjoy nature--inside and out

**The Strange** Little Simon

Includes, 1982-1995: *Les Livres du mois*, also published separately.

*What's Happening to Me?* Silver Dolphin Books

Let's play peekaboo with baby animals! Make the baby chick hatch or the baby joey peek out of its mother's pouch with Peekaboo Sliders: Baby Animals. Children 1 and up will find entertainment learning about baby animals in this hands-on board book.

**Listen and Learn First French Words** Listen and Learn

A collection of surrealist and silent short stories, inspired by everyday life and human relationships.

What's Inside Silver Dolphin Books

The timeless Christmas story comes alive for even the youngest child without a word of text!

Charmingly simple illustrations "tell" the story of Jesus' birth.

*My Little Forest* Chronicle Books

Growing up is a whole lot easier if you have some idea what to expect. This book describes exactly what will happen to your body in a straightforward, easy-to-understand way, and it explains some of your feelings too - all you need to know for this important time in your life. This is a highly illustrated ebook that can only be read on the Kindle Fire or other tablet. "Look no further: the What's Happening to Me? Books are nothing short of brilliant. They aim to help children aged nine and above understand bodily changes and they do this extremely well. Susan Meredith answers the questions young girls want to ask but might feel afraid to. It's all there: getting measured up for a bra, periods, using towels and tampons, feeling, diet, health and hygiene and there is also a section

on what happens to boys. The text is informal, chatty, full of useful facts and packed with considerate advice and support. A book like that wouldn't work as well without graphics and diagrams, and the illustrations are colourful and engaging as well as informative." - John Dabell, TES Magazine

**Babys Very First Slide and See Dinosaurs Bb** Chronicle Books

Little tiger is hiding! Very young children will love peeking through the holes and touching the textured pages in this beautiful hide-and-seek board book, spotting monkeys, bears and chameleons along the way. Part of a gorgeous series for babies and toddlers, perfect for fans of That's not my...

*Baby's Very First Touchy-Feely Book* Chronicle Books

A board book following the adventure of a runaway ball. Charming illustrations by Yayo will delight both very young children and those adults reading aloud to them.

**My Little Pond** Kane/Miller Book Publishers

A word book that lets you listen to 12 French words, spoken by a native speaker. Simply take one of the 1 cards (each features 12 words) out of the envelope and slot it in as instructed. For preschool children learning French as either a first or second language.

Who Are They? Severn House Paperbacks

Little ones can journey through the heart of the forest and into a lovely garden in these environmentally friendly board books made from 100 percent recycled materials. Full color.

Mommy, Pick Me Up Drawn & Quarterly

Somewhere in the world, a child opens a book. At the same time, somewhere else...

Livres de France Baby's Very First Books

In this charming follow-up to 2015's hit *Who Done It?*, each page asks the reader a question about the lineup of characters featured on the spread. Sharp eyes and keen observation are necessary. There's only one right answer, and it's not always easy! Kids will love learning early concepts like expressions and positions as a natural consequence of their hunt for clues in the details of the lineup. It's a book for all audiences: the seek-and-find call to action of every page makes *Who What Where?* a wonderful lap or parent read. Plus, this is the fixed format version, which looks almost identical to the print edition.

Les six livres de Grabinoulor Puffin

Turn the colorful die-cut pages of this irresistible board book to discover just what makes little deer's forest so cozy. Is it the fluffy snow? No, it's their loving families! Bright pictures, sweet reassuring messages, unique layered pages, and an adorable finger puppet combine to create interactive reading and playtime fun!

*At the Same Time* HarperCollins UK

The Strange follows an unnamed, undocumented immigrant who tries to forge a new life in a Western country where he doesn't speak the language. Jérôme Ruillier's story is deftly told through myriad viewpoints, as each narrator recounts a situation in which they crossed paths with the newly-arrived foreigner. Many of the people he meets are suspicious of his unfamiliar background, or of the

unusual language they do not understand. By employing this third-person narrative structure, Ruillier masterfully portrays the complex plight of immigrants and the vulnerability of being undocumented. *The Strange* shows one person's struggle to adapt while dealing with the often brutal and unforgiving attitudes of the employers, neighbors, and strangers who populate this new land. Ruillier employs a bold visual approach of colored pencil drawings complemented by a stark, limited palette of red, orange and green backgrounds. Its beautiful simplicity represents the almost child-like hope and promise that is often associated with new beginnings. But as Ruillier implicitly suggests, it's a promise that can shatter at a moment's notice when the threat of being deported is a daily and terrifying reality. *The Strange* has been translated from the French by Helge Dascher. Dascher has been translating graphic novels from French and German to English for over twenty years. A contributor to *Drawn & Quarterly* since the early days, her translations include acclaimed titles such as the *Aya* series by Marguerite Abouet and Clément Oubrerie, *Hostage* by Guy Delisle, and *Beautiful Darkness* by Fabien Vehlmann and Kerascoët. With a background in art history and history, she also translates books and exhibitions for museums in North America and Europe. She lives in Montreal.

**In Pieces** Usborne Books

Offers humorous drawings comparing things before and after storms, meetings with elephants, and

trips to the hairdresser.

**Les animaux** Clarion Books

What lives on and under snow and ice? Quite a lot, actually. This book takes readers over and under the polar ice caps where specially adapted animals and birds live. It covers a variety of wildlife and how they interact: Land animals: polar bears, arctic foxes, muskox Sea mammals: seals, walruses, whales Birds: penguins, arctic owls, albatrosses Marine life: fish and plankton. About the series: *Explore Your World* -- a captivating interactive series for young explorers. This new series covers a wide variety of science, nature and technology topics in an innovative and interactive way. The books make use of a profusion of engaging line drawings and colorful illustrations along with delightful pullouts, pop-ups, fold-outs, transparency overlays, reveal wheels, books-within-books and more.
