An ancient bomber conceals a devastating secret - a stunning Covert-One thriller from the master storyteller. On a desolate island deep within the Arctic, a scientific expedition photographs the wreckage of a bomber. It seems to be a relic from the Cold War - but a handful of insiders know that it is a Soviet Air Force biological warfare platform, still armed with weaponised anthrax. Covert-One's Lt. Col. Jon Smith leads a team to secure the site. But on the island they find themselves confronted with a traitor from within their ranks. Gradually they become aware that the ancient bomber conceals something else: a secret so deadly that it could trigger a Third World War...

A blown mission and a dead team leave Adam Hayes the last loose thread in a tapestry of betrayal

in this latest high stakes international thriller from the world of Robert Ludlum. The most pressing issue on Adam Hayes' mind is planning his son's upcoming 5th birthday party. After years of operating in the world's most dangerous spots for Treadstone, he's ready to call it quits, but the feeling isn't mutual. Levi Shaw, Treadstone's director, calls Hayes back for one more mission. "It's a walk in the park. You don't even have to go in with the strike team. I just need you to set up the safe house. You'll be home in time to pick up the birthday cake." But nothing is ever easy where Treadstone is concerned. When the mission is blown only Hayes is left alive, and everyone, it seems, is determined to correct that oversight.

Ben Hartman is on holiday in Switzerland when he meets a childhood friend - who promptly tries to kill him. In self-defence, Ben kills his attacker, but soon the body and all evidence of the confrontation have disappeared. Anna Navarro, a US government agent, is sent to look into a string of deaths around the world. The only thing the victims have in common is an old OSS file, codenamed SIGMA. But as soon as she starts to get somewhere, she is dragged off the case and

declared rogue. Someone wants this secret kept, and not only the future of Hartman and Navarro is at stake, but that of the world...

In Europe, Bourne's investigation into the Black Legion turns into one of the deadliest and most tangled operations of his double life-the pursuit of the leader of a terrorist group with roots in the darkest days of World War II--all while an assassin as brilliant and damaged as himself is getting closer by the minute. . . . Jason Bourne returns to Georgetown University and the mild world of his alter ego, David Webb, hoping for normalcy. But after so many adrenaline-soaked years of risking his life, Bourne finds himself chafing under the quiet life of a linguistics professor. Aware of his frustrations, his academic mentor, Professor Specter, asks for help investigating the murder of a former student by a previously unknown Muslim extremist sect. The young man died carrying information about the group's terrorist activities, including an immediate plan to attack the United States. The organization, the Black Legion, and its lethal plot have also popped up on the radar of Central Intelligence, where new director Veronica Hart is struggling to assert her authority. Sensing

an opportunity to take control of CI by showing Hart's incompetence, National Security Agency operatives plan to accomplish what CI never could-hunt down and kill Bourne.

Jason Bourne tackles a global media conspiracy in the latest electrifying entry in Robert Ludlum's #1 New York Times bestselling series. Jason Bourne has faced many killers before, but none as dangerous or as cruelly inventive as the assassin who calls himself Lennon. Bourne thought he had Lennon cornered in Iceland, only to have the killer escape in a fiery explosion. Now Lennon's trail leads Bourne to New York and then to Washington - and the body count rises with each deadly encounter. But who is Lennon working for? Bourne believes the assassin has a shadowy new employer called the Pyramid. The only clue to the group's agenda is a young German woman murdered in Washington on her way to a covert meeting. But the woman's entire identity turns out to be a lie, and news reports of her death have been strangely twisted and suppressed. Finding the truth about this woman may be Bourne's only chance to catch Lennon - and uncover the conspiracy behind the Pyramid. But the chase comes with high stakes. Bourne's former lover, journalist Abbey Laurent, is digging into the mystery too, and Jason's perilous battle against Lennon and the Pyramid will soon put Abbey in the assassin's crosshairs. Bourne will need to use every bit of his tradecraft and his genius for mayhem to expose this web of lies and murder before Lennon kills the woman he loves.

An explosive thriller from the world's No.1 bestselling international writer. Nicholas Bryson spent years as a deep cover operative for the American secret intelligence group, The Directorate. After a disastrous mission, Bryson was retired to a new identity. Now, years later, his cover is cracked and Bryson learns that The Directorate was not what it claimed to be - and that he was, in fact, a pawn being used against his country's interests. The Directorate is headed for a dangerous endgame, and the CIA recruits Bryson to stop them. But after years on the sidelines, Bryson's field skills are rusty, his contacts unreliable, his instincts suspect and he no longer knows who - if anyone - can be trusted.

From the creator of the JASON BOURNE series, a brand new thriller by the undisputed master of the genre. Reformed from his days of assassination and conspiracy, Paul Janson has a new mission and a new partner. Working with kick-ass sharpshooter Jessica Kincaid, he helps other disenchanting covert operatives to create new lives. He also accepts independent jobs, but only missions he believes will contribute to the greater good. Janson takes the job to rescue a doctor who has been kidnapped by West African rebels. At first, it appears that the doctor's life was spared in order to treat the rebels' wounded leader, but when the mission goes haywire, Janson realises he's in the middle of something much bigger - and that he may be fighting for the wrong side...

*The Bourne Legacy* Hachette UK

Jason Bourne is on the run. The NSA believes Bourne controls the cyber weapon devised by his old friend, General Boris Karpov, capable of penetrating the heart of America's final defence: nuclear launch codes. Flushed from cover, hunted by assassins and nearly killed, Bourne must join forces with his bitterest enemy, Keyre, the Somali terrorist, whose organization Bourne once decimated. From the Greek island of Skyros to Somalia and the underbelly of Moscow, Bourne must unravel the mystery of Boris Karpov's last legacy, a weaponized code that may very well bring about the unthinkable: a violent end to America.

New York Times bestselling author Phillip Margolin brings back reader favorites--private investigator Dana Cutler and lawyer Brad Miller--in CAPITOL MURDER, the thrilling new installment in Margolin's Washington Trilogy. Readers were first introduced to Brad and Dana in Executive Privilege, where they unmasked the President's involvement in serial murders. In Supreme Justice, Brad and Dana were able to save the life of a Supreme Court Justice while foiling a plot by rogue members of the CIA to fix a case headed for the Court. Now, in CAPITOL MURDER, Brad and Dana are reunited by wicked threats old and new. Convicted serial killer Clarence Little has escaped from death row in Oregon, and Brad receives threatening messages in DC, where he is working for Senator Jack Carson, a high-ranking member of the Senate Select Committee on Intelligence. A dead body, murdered according to Littl'es MO, is found in the senator's Georgetown home, and Carson has disappeared. While Dana is in Oregon digging into Carson's shady background, a terrorist cell is poised to destory a packed professional football stadium in one of the biggest attacks on American soil. As the senator's personal life begins to dovetail with the cell's eviil plan, Brad and Dana will risk it all again to uncover the truth and save their country. Phillip Margolin proves once more that he is a true master of suspense, delivering another high-octane thriller set in Washington's legendary corridors of power. CAPITOL MURDER's breathtaking pace and electrifying twists will have old fans and newcomers racing to the final, stunning page.

Already devastated by loss, Bourne is shattered by a report that his last friend in the world, Martin Lindros has gone missing. A CI deputy director, Lindros was in Ethiopia tracking suspicious shipments of yellowcake uranium and atomic bomb weaponry. His last lifeline to humanity, Bourne will not let Lindros go. Despite his hatred for CI, Bourne sets out to rescue his friend and finish the job: dismantling a terrorist network determined to build nuclear armaments by cutting off their source of money. But Bourne doesn't realize that these men, Islamic supremacists, are leaders of an incredibly dangerous, technologically savvy group with ties from Africa, across the Middle East, and into Eastern Europe and Russia. They have predicted Bourne's every move, and are counting on his unwitting help in their plans to destroy America.

US Senator James Wyckoff hires former government agents turned private security consultants Janson and Kincaid to locate his teenage son Gregory. Gregory's girlfriend Lynell, a translator, has been found dead in a Seoul hotel, and Gregory has fled the city. But Senator Wyckoff insists his

son is innocent, suggesting that Lynell may have been killed because of something she overheard at a recent international conference. And when Janson and Kincaid realise they're being hunted by an assassin, they suspect that the crime, and the cover-up, were orchestrated by a shadowy unit of the US State Department as part of a larger plot to provoke violence between North and South Korea.

*The Prometheus Deception* Hachette UK

To atone for the sins he committed serving his country, ex-covert government agent Paul Janson is determined to save the world: one person, one mission, one redemption at a time. THE JANSON OPTION Paul Janson--a former Consular Ops legend known as "The Machine" for his deadly speed and accuracy--has a new mission. Sickened by the "sanctioned serial killings" ordered by the state department, Janson has left covert operations and is now a private security consultant. In partnership with deadly sharpshooter Jessica Kincaid, he only takes assignments that he believes will lead to the greater good. When American Synergy Corporation oil executive Kingsman Helms begs Janson to rescue his wife, Allegra, from Somali pirates, Janson and Kincaid view it as the perfect opportunity to infiltrate ASC and disrupt the company's scheme to subvert independent oil-rich African countries into wholly-owned ASC subsidiaries. Once on the ground, Janson and Kincaid discover that the pirates may be the least lethal threat in the violent chaos of anarchic Somalia. Is Allegra's kidnapping for real, or is she merely a pawn in her husband's machinations for control of the country? Janson and Kincaid quickly find themselves embroiled in a bewildering storm of plots and counterplots, and their fight to survive threatens to disrupt the entire region, and beyond...

An excellent COVERT-ONE thriller from the bestselling writing team - Robert Ludlum and Gayle Lynds. A fiery explosion shatters a laboratory building in Paris. Among the dead is Emile Chambord, one of the leaders in the global race to create a molecular - or DNA - computer. Unfortunately, Professor Chambord kept the details of his work secret, and his notes were apparently destroyed in the fire. Then suddenly US fighter jets disappear from radar screens for a full five minutes and there's no explanation; utilities cease to function; and all telecommunications abruptly stop, with devastating consequences. This is not the work of a clever hacker - only the enormous power and speed of a DNA computer could have caused such havoc. Covert-One agent Jon Smith flies to Paris to investigate. Following a trail that leads him across two continents, he uncovers a web of deception that threatens to reshape the world for ever...

former power...

*The Cry of the Halidon* Hachette UK

The world's most ruthlessly efficient assassin, Jason Bourne, has carved a bloody swathe through all his opponents but now he's facing the one force he can't defeat--his own past--in the latest thrilling entry in Robert Ludlum's New York Times bestselling series. Three years ago, Jason Bourne

embarked on a mission in Estonia with his partner and lover, a fiery Treadstone agent code-named Nova. Their job was to rescue a Russian double agent who'd been smuggled out of St. Petersburg in the midst of an FSB manhunt. They failed. The Russian died at the hands of a shadowy assassin known only by the nickname Lennon. Now everything has changed for Bourne. Nova is gone, killed in a mass shooting in Las Vegas. Bourne is a lone operative, working in the shadows for

Treadstone, when he's called in for a new mission in London—to prevent another assassination masterminded by Lennon. But nothing about this mission is what it seems. As Bourne engages in a cat-and-mouse game with Lennon across the British countryside, he discovers that everything he thought he knew about the past was a lie. And with the body count rising, he comes to an inevitable conclusion: Some secrets should stay buried.
