Thomas Nelson Inc
Examining Jesus' parable of the prodigal son (Luke 15:1-32), C. Baxter Kruger focuses on how the character of the father is revealed in his attitudes and behavior toward his two sons. In this brief booklet, you'll find fresh perspective on a familiar

story. And you'll gain insight into the ways that God the Father is at work in your own life. *Tyndale Bible Dictionary* Harper Collins In Parable Church, pastor and author Mike Burnette discovers in Jesus's parables a better approach to church life, one focused not on growth strategies or trendy principles, but on a focus towards cultivating the culture of the kingdom revealed

through the teachings of Jesus' parables. **Parable of the Dancing God** Arch Books A concise but thorough survey of current scholarly thinking on Jesus' parables, for the ordinary reader. The Parable of the Prodigal Son Arch Books The stories of girls of color are often overlooked, unseen, and ignored rather than valued and heard. In Parable of the Brown Girl,

minister and youth advocate Khristi Lauren Adams introduces readers to the resilience, struggle, and hope held within these stories. Instead of relegating these young women of color to the margins, Adams bring their stories front and center where they belong. By sharing encounters she's had with girls of color that revealed profound cultural and theological truths, Adams

magnifies the struggles, dreams, wisdom, and dignity of these voices. Thought-provoking and inspirational, Parable of the Brown Girl is a powerful example of how God uses the narratives we most often ignore to teach us the most important lessons in life. It's time to pay attention. *Fascinating Bible Studies on Every Parable* InterVarsity Press With rhyming text, tells the story of Saul,

who was a Pharisee trying to end Christianity until Jesus called him, blinded him, renamed him Paul, and showed him how to understand the grace of God. *For Personal or Small Group Use* HarperOne Tells a parable in which the farmer turns a simple pumpkin into a glorious sight to illustrate that God wants His children to be full of light. *The Bible Is A Parable* Abingdon

Press Phillips was born in Madison, Indiana. After graduating high school Phillips entered Asbury College following which he degreed from College of New Jersey in 1887. After completing his education, Phillips worked as a newspaper reporter in Cincinnati, Ohio before moving on to New York City where he was employed as a columnist and editor with the New York

World until 1902. In his spare time, he wrote a novel, The Great God Success that was published in 1901. The book sold well enough that his royalty income was sufficient enough to allow him to work as a freelance journalist while dedicating himself to writing fiction. Writing articles for various prominent magazines, he began to develop a reputation as a competent investigative

journalist. Considered a progressive, Phillips' novels often commented on social issues of the day and frequently chronicled events based on his real-life journalistic experiences. The Power of Parable Paulist Press In his gospel, John gives eyewitness details that help us "be there" with Jesus. Now, Michael Card, with his unique blend of artistic craft and scholarly research-- including his

own translation of the gospel from the original Greek text-- introduces us to the apostle and his gospel in a fresh new way. Scholarly insights and imagination make John's stories come to life and help us know in our hearts that his friend Jesus is truly the Son of God. "But these things have been written so you might believe that Jesus is the Christ, the Son of God, and that by believing you may have life

in His name" (John 20:31). How the Teachings of Jesus Shape the Culture of Our Faith Salvage America Publishing The Arch® Book series tells popular Bible stories through fun-to-read rhymes and bright illustrations. This well-loved series captures the attention of children, telling scripturally sound stories that are enjoyable and easy to remember. *A Spiritual Journey* Discovery House Pub The publication of the King James version of the Bible, translated between 1603 and 1611, coincided with an extraordinary flowering of English literature and is universally acknowledged as the greatest influence on English-language literature in history. Now, world-class literary writers introduce the book of the King James Bible in a series of beautifully designed, small-format volumes. The introducers' passionate, provocative, and personal engagements with the spirituality and the language of the text make the Bible come alive as a stunning work of literature and remind us of its overwhelming contemporary relevance. *The Parables* Eerdmans Publishing Company To properly interpret the Book of

Revelation, we must have a thorough understanding of the New Covenant Spiritual Life. We must learn to emphasize the spiritual over the material. We must have a Heavenly orientation, as opposed to an Earthly orientation, to life, history, and our future.

Twelve Parables of Jesus

Abingdon Press
The publication of the King James version of the Bible, translated between 1603 and 1611, coincided with an extraordinary flowering of English literature and

is universally acknowledged as the greatest influence on English-language literature in history. Now, world-class literary writers introduce the book of the King James Bible in a series of beautifully designed, small-format volumes. The introducers' passionate, provocative, and personal engagements with the spirituality and the language of the text make the Bible come alive as

a stunning work of literature and remind us of its overwhelming contemporary relevance. Growing in Grace Through the Stories of Jesus Canongate U.S. The renowned biblical scholar, author of *The Misunderstood Jew*, and general editor for *The Jewish Annotated New Testament* interweaves history and spiritual analysis to explore Jesus' most popular

teaching parables, exposing their misinterpretations and making them lively and relevant for modern readers. Jesus was a skilled storyteller and perceptive teacher who used parables from everyday life to effectively convey his message and meaning. Life in first-century Palestine was very different from our world today, and many traditional interpretations of Jesus' stories ignore this disparity

and have often allowed anti-Semitism and misogyny to color their perspectives. In this wise, entertaining, and educational book, Amy-Jill Levine offers a fresh, timely reinterpretation of Jesus' narratives. In *Short Stories by Jesus*, she analyzes these "problems with parables," taking readers back in time to understand how their original Jewish audience understood them. Levine reveals the

parables' connections to first-century economic and agricultural life, social customs and morality, Jewish scriptures and Roman culture. With this revitalized understanding, she interprets these moving stories for the contemporary reader, showing how the parables are not just about Jesus, but are also about us—and when read rightly, still challenge and provoke us two thousand years later.

A Marginal Jew Baker Books
A retelling in rhymed verse of the parable of the lost sheep.
Thomas Nelson
A multiple Hugo and Nebula Award winner's powerful saga of survival and destiny in a near-future dystopian America. One of the world's most respected authors of science fiction imagines an apocalyptic near-future Earth where a remarkable young woman discovers that

her destiny calls her to try and change the world around her.
Octavia E. Butler's brilliant two-volume Earthseed saga offers a startling vision of an all-too-possible tomorrow, in which walls offer no protection from a civilization gone mad.
Parable of the Sower: In the aftermath of worldwide ecological and economic apocalypse, minister's daughter Lauren Oya Olamina

escapes the slaughter that claims the lives of her family and nearly every other member of their gated California community. Heading north with two young companions through an American wasteland, the courageous young woman faces dangers at every turn while spreading the word of a remarkable new religion that embraces survival and change. Parable of the Talents: Called to the new,

hard truth of Earthseed, the small community of the dispossessed that now surrounds Lauren Olamina looks to her—their leader—for guidance. But when the evil that has grown out of the ashes of human society destroys all she has built, the prophet is forced to choose between preserving her faith or her family. The Earthseed novels cement Butler’s reputation as “one of the

finest voices in fiction—period” (TheWashingt on Post Book World). Stunningly prescient and breathtakingly relevant to our times, this dark vision of a future America is a masterwork of powerful speculation that ushers us into a broken, dangerously divided world of bigotry, social inequality, mob violence, and ultimately hope. **The Parable of the Pipeline** Harper Collins

The Parable of the Peacock takes a satirical look at the state of American politics as we approach the critical 2020 presidential election. Written in the style of a children's picture book, the work's rhyming couplets are best enjoyed read aloud. The book serves up ridicule to deserving parties, but it saves a heaping plateful for the Mocker-in-Chief. A Middle Ground

Between Science and Religion Elderberry Press (OR) This endearing tale, shared by Moore at many of her conferences, guides readers to learn about the unfailing and unconditional love that God showers upon His children. Illustrations. *Special 10th Anniversary Edition* WestBow Press A New York Times Notable Book: In 2025, with the world descending into madness and anarchy,

one woman begins a fateful journey toward a better future. "A stunner." —Flea, musician and actor, TheWall Street Journal Lauren Olamina and her family live in one of the only safe neighborhoods remaining on the outskirts of Los Angeles. Behind the walls of their defended enclave, Lauren's father, a preacher, and a handful of other citizens try to salvage what remains of a culture

that has been destroyed by drugs, disease, war, and chronic water shortages. While her father tries to lead people on the righteous path, Lauren struggles with hyperempathy, a condition that makes her extraordinarily sensitive to the pain of others. When fire destroys their compound, Lauren's family is killed and she is forced out into a world that is fraught with danger. With a handful of

other refugees, Lauren must make her way north to safety, along the way conceiving a revolutionary idea that may mean salvation for all mankind. This ebook features an illustrated biography of Octavia E. Butler including rare images from the author's estate. **The Parable of the Ten Bridesmaids** e-artnow "The fox knows many things, but the hedgehog knows one big

thing." This ancient Greek aphorism, preserved in a fragment from the poet Archilochus, describes the central thesis of Isaiah Berlin's masterly essay on Leo Tolstoy and the philosophy of history, the subject of the epilogue to War and Peace. Although there have been many interpretations of the adage, Berlin uses it to mark a fundamental distinction between human beings who are

fascinated by the infinite variety of things and those who relate everything to a central, all-embracing system. Applied to Tolstoy, the saying illuminates a paradox that helps explain his philosophy of history: Tolstoy was a fox, but believed in being a hedgehog. One of Berlin's

most celebrated works, this extraordinary essay offers profound insights about Tolstoy, historical understanding, and human psychology. This new edition features a revised text that supplants all previous versions, English translations of the many passages in foreign languages, a

new foreword in which Berlin biographer Michael Ignatieff explains the enduring appeal of Berlin's essay, and a new appendix that provides rich context, including excerpts from reviews and Berlin's letters, as well as a startling new interpretation of Archilochus's epigram.
