who was called the son of God. Announced by an angel, born in a humble manger, laid in a bed of straw, visited by shepherds and wise men—the age-old, awe-inspiring story of the birth of Jesus is lovingly brought to life by master pop-up artist Robert Sabuda in six gorgeously imagined scenes, culminating in a 3-D manger sheltering humans and beasts, guarded by an angel above. Glinting with touches of gold and pearlescent foil, The Christmas Story is a visual feast, a holiday treasure to be shared with the whole family.

The creators of the New York Times best-selling Encyclopedia Prehistorica series offer a mythic look at the mysteries of the past with an entire pantheon of remarkable pop-ups. For all of recorded history, humans have sought to understand Earth's mysteries in the realm of the divine — and aspired to conduct themselves as heroes. Only gods, of course, could push the sun across the sky, forge entire continents, and impel mountains to touch the clouds. In this stunning volume, the incomparable team of Matthew Reinhart and Robert Sabuda take us to Ra-Atum's land in Ancient Egypt; above the Grecian clouds to Zeus's Mount Olympus; up to Norse god Odin's frozen north; to the Far East, where the Jade Emperor sits in the heavens; into the wilds of Oceania, where Pele's volcanic rage simmers below the earth; and to many more lands and times, all rich with sacred myths and legends.
