A unique combination of biblical teaching, scientific research, and personal biography shows those who follow Jesus how to live joyful, purposeful lives. Hopelessness has invaded much of our culture, even reaching deep into the church. But while the world is awash in negativity, Christians have resources to live differently. In *The Happy Christian*, professor and pastor David Murray blends the best of modern science and psychology with the timeless truths of Scripture to create a solid, credible guide to positivity. The author of the acclaimed *Christians Get Depressed Too*, Murray exposes modern negativity's insidious roots and presents ten perspective-changing ways to remain optimistic in a world that keeps trying to drag us down. *The Happy Christian* invites readers to shed negativity and become countercultural missionaries by demonstrating the positive power of the gospel in their lives.

For a Christian woman, motherhood is the subtle art of building a house in grace: "The wise woman builds her house, but the foolish pulls it down with her hands" (Prov. 14:1). Each day's work is significant, for it contributes toward the long-term plan. Each nail helps a house stand in a storm. But motherhood isn't a simple formula. Building a home -- childbirth, education, discipline -- requires holy joy and a love of beauty. The mother who fears God does not fear the future.
