*The Chronicles of the One Trilogy* Penguin

Fear, revenge and deadly superstition collide in these two exclusive J. D. Robb short stories. Haunted in Death Lieutenant Eve Dallas doesn't believe in ghosts. But when a very recent corpse shows up in a haunted abandoned nightclub, alongside the bones of the famous missing singer, Bobbie Bray, everyone is spooked - especially the new owner. Did Bobbie's ghost finally get her revenge, or is there a more earthly explanation? Set between Memory in Death and Born in Death. Eternity in Death When notorious it-girl Tiara Kent is found dead in her plush Manhattan apartment, the murder looks to everyone like a vampire attack - everyone but the ever-practical Lieutenant Eve Dallas. As the hysteria spreads, Eve must act fast. Discovering Tiara's secret lover, a Dark Prince, Eve and her team are led on a chase into the darkest corners of the city and deep into their own fears. Set between Creation in Death and Strangers in Death.

### **Year One** Mills & Boon

Outono de 2059. A corajosa tenente Eve Dallas se vê diante de assassinos que agem de forma fria e meticulosa e usam recursos militares precisos e cruéis para exterminar uma família inteira. Contudo, uma menina de nove anos sobrevive ao massacre. A missão da equipe investigativa é proteger a sobrevivente e, ao mesmo tempo, descobrir quem são as pessoas que assassinaram a família e porque a consideram tão importante. "Sobrevivência Mortal" tem muito mistério e ação, aliados, como os demais livros da série, a uma dose certa de romance. Diferentemente dos títulos anteriores, dessa vez Eve Dallas terá que proteger uma criança, tema difícil para ela por trazer à tona também lembranças muito marcantes e medos da sua própria infância.

### **Immortal in Death** Penguin

#1 New York Times bestselling author Nora Roberts presents Legacy, a new novel of a mother and a daughter, of ambition and romance, and of a traumatic past reawakened by a terrifying threat... Adrian Rizzo was seven when she met her father for the first time. That was the day he nearly killed her—before her mother, Lina, stepped in. Soon after, Adrian was dropped off at her grandparents' house in Maryland, where she spent a long summer drinking lemonade, playing with dogs, making a new best friend—and developing the stirrings of a crush on her friend's ten-year-old brother. Lina, meanwhile, traveled the country promoting her fitness brand and turning it into a billion-dollar business. There was no point in dwelling on the past. A decade later, Adrian has created her own line of yoga and workout videos, following in Lina's footsteps but intent on maintaining creative control. And she's just as cool-headed and ambitious as her mother. They aren't close, but they're cordial—as long as neither crosses the other. But while Lina dismisses the death threats that Adrian starts getting as a routine part of her daughter's growing celebrity, Adrian can't help but find the vicious rhymes unsettling. Year after year, they keep arriving—the postmarks changing, but the menacing tone the same. They continue after she returns to Maryland and becomes reacquainted with Raylan, her childhood crush, all grown up and as gorgeously green-eyed as ever. Sometimes it even seems like the terrifying messages are indeed routine, like nothing will come of them. Until the murders start, and the escalation begins...

*Morrigan's Cross/Dance of the Gods/Valley of Silence* Penguin

Nora Roberts escreve como J.D. Robb no novo volume da mais bem-sucedida série policial do mundo. Quando um caso de nove anos é reaberto, Eve Dallas sabe que pode estar diante do maior desafio de sua carreira. Uma jovem, exposta artisticamente e com o corpo marcado por sinais de tortura, é encontrada morta no East River Park. De imediato, os pensamentos da tenente Eve Dallas a levam para um caso semelhante ocorrido nove anos antes. Na época, Nova York se viu à beira de um ataque de nervos quando quatro mulheres foram mortas em quinze dias por um homem batizado pela imprensa de "O Noivo", porque colocava anéis de noivado no dedo das vítimas. O assassino está de volta e, dessa vez, torna-se claro que seus atos são um ataque pessoal. E existe uma grande possibilidade de que o seu maior objetivo seja raptar uma mulher em especial; aquela que vai testar suas habilidades de tortura e lhe proporcionará dias e dias de prazer antes de morrer em suas mãos: a própria Eve Dallas.
