Like 'Fight Club,' but for English professors - The ... The Professor In The Cage In The Professor in the Cage, Gottschall's unlikely journey from the college classroom to the fighting cage drives an important new investigation into the science and history of violence. The surging popularity of MMA—a full-contact sport in which fighters punch, choke, and kick each other into submission—is just one example of our species' insatiable interest both in violence and in the rituals that keep violence in check. Amazon.com: The Professor in the Cage: Why Men Fight and ... Community Reviews. The Professor in the Cage is author and

scholar Jonathan Gottschall's study of these collected and often contradicting combat disciplines, blow by blow, for fifteen months. Disciplines which, when set simultaneously in concert and at odds inside a steel cage, allow for seemingly limitless results,... The Professor in the Cage: Why Men Fight and Why We Like ... The Professor in the Cage An English professor begins training in the sport of mixed martial arts and explores the science and history behind the violence of men When a mixed martial arts (MMA) gym moves in across the street from his office, Jonathan Gottschall sees a challenge, and an opportunity.
