"To understand the history and spirit of America, one must know its wars, its laws, and its presidents. To really understand it, however, one must also know its cheeseburgers, its love songs, and its lawn ornaments. The long-awaited Guide to the United States Popular Culture provides a

single-volume guide to the landscape of everyday life in the United States.

Scholars, students, and researchers will find in it a valuable tool with which to fill in the gaps left by traditional history. All American readers will find in it, one entry at a time, the story of their lives."--Robert Thompson, President, Popular Culture Association. "At long last popular culture may indeed be given its due within the humanities with the publication of The Guide to United States Popular Culture. With its nearly 1600 entries, it promises to be the most comprehensive single-volume

source of information about popular culture. The range of subjects and diversity of opinions represented will make this an almost indispensable resource for humanities and popular culture scholars and enthusiasts alike."--Timothy E. Scheurer, President, American Culture Association "The popular culture of the United States is as free-wheeling and complex as the society it animates. To understand it, one needs assistance. Now that explanatory road map is provided in this Guide which charts the movements and people involved and provides a light

at the end of the rainbow of dreams and expectations."--Marshall W. Fishwick, Past President, Popular Culture Association  
 Features of The Guide to United States Popular Culture: 1,010 pages 1,600 entries 500 contributors Alphabetic entries Entries range from general topics (golf, film) to specific individuals, items, and events  
 Articles are supplemented by bibliographies and cross references  
 Comprehensive index

IG USA on the Road is the ultimate travel guide to the ultimate trip. Five carefully planned routes feature all the practical information you need to plan and enjoy the trip of a lifetime, accompanied by stunning travel photography. It features fascinating essays on the history of road travel in the USA, plus money-saving tips and suggestions for interesting detours. Be inspired by our Best of the USA section, which highlights unmissable sights and experiences. Informative Photo Features show you how to make the most of a short stay in any of the major hub cities. In the Places section, each route is broken down into three or four parts, with full-color

route maps and detailed summaries of the key sights en route. A comprehensive Travel Tips section provides all the travel advice you need to plan your road trip. Our selective listings for hotel and restaurants direct visitors to authentic establishments with local character. Moon USA National Parks Nicholas Brealey  
 The United States of You is a game changer: it enables you to align your mind, body, and heart in a systematic way to gain sustainable access to your source of infinite energy. With this self-leadership book, you'll learn how to be balanced and constantly in touch with your creative power. You'll gain inner clarity by being aware of yourself and others. How? You see and manage yourself as a team of four: the four Mes or Formies. Each Formie represents a vital part of you: your mind, your body, your heart and your consciousness. You will become familiar with the language and the needs of all Formies, enabling you to be in command of yourself and your life. You will gain stamina, inner strength, wisdom, and joy. Especially in times of disruptive change, you'll benefit from an increased awareness level with which to master life. But be

aware: beginning this journey means buying a one-way ticket. You only can move ahead - there is no way back. Embarking on this journey means changing yourself, regardless of how tiring the trip gets. To smoothen your journey, you get a navigation system, the L-Loops which you can follow through each part of your inner map to locate self-limitations, let go of mental and emotional patterns, learn more about yourself and your issues, laugh about your quirks and the funny side of life, leverage your insights to changed behaviour and love what you do and who you are.

*The Oxford Guide to the United States Government* Turtleback Books

"Immerse yourself in the romance and beauty of nearly 150 years of American currency. It all comes alive in A GUIDE BOOK OF UNITED STATES PAPER MONEY, fifth edition. An engaging history book and a comprehensive catalog of valuations rolled into one, this guide covers all federal series issued from the Civil War to the present day. Paper-money collectors will appreciate the depth of the research, and American history buffs will find the narrative fascinating. Whether you're new

to the hobby or a longtime collector or dealer, you will benefit from the data provided for each currency series. Market valuations are compiled from recent sale and auction records, real-world analysis of the paper-money field, and the knowledge of recognized hobby leaders. Hundreds of notes are pictured in crisp, full-color detail, face and back--dramatically illustrating the nation's history and its ideals." -- page 4 of cover.

Ruff Guide to the United States features 365 of the BEST places to stay and play with your dog in all 50 states. Whether your pooch prefers to 'ruff it' on a hiking adventure or sit in the lap of luxury at a five-star resort, the assortment of trips in this book is sure to have him (and you) begging for a vacation!

The Guide to United States Popular Culture

Colchis Books

The Oxford Guide to the United States Government is the ultimate resource for authoritative information on the U.S. Presidency, Congress, and Supreme Court. Compiled by three top scholars, its pages

brim with the key figures, events, and structures that have animated U.S. government for more than 200 years. In addition to coverage of the 2000 Presidential race and election, this Guide features biographies of all the Presidents, Vice Presidents, and Supreme Court Justices, as well as notable members of Congress, including current leadership; historical commentary on past elections, major Presidential decisions, international and domestic programs, and the key advisors and agencies of the executive branch; in-depth analysis of Congressional leadership and committees, agencies and staff, and historic legislation; and detailed discussions of 100 landmark Supreme Court cases and the major issues facing the Court today. In addition to entries that define legal terms and phrases and others that elaborate on the wide array of government traditions, this invaluable book includes extensive back matter, including tables of Presidential election results; lists of Presidents, Vice Presidents, Congresses, and Supreme Court Justices with dates of service; lists of Presidential museums, libraries, and historic sites; relevant websites; and information on

visiting the White House, the Capitol, and Supreme Court buildings. A one-stop, comprehensive guide that will assist students, educators, and anyone curious about the inner workings of government, The Oxford Guide to the United States Government will be a valued addition to any home library.

 You may think you know the South for its food, its people, its past, and its stories, but if there's one thing that's certain, it's that the region tells far more than one tale. It is ever-evolving, open to interpretation, steeped in history and tradition, yet defined differently based on who you ask. This *Is My South* inspires the reader to explore the Southern States--Georgia, Kentucky, Louisiana, Mississippi, North Carolina, South Carolina, Tennessee, Virginia--like never before. No other guide pulls together these states into one book in quite this way with a fresh perspective on can't-miss landmarks, off the beaten path gems, tours for every interest, unique places to sleep, and classic restaurants. So come see for yourself and create your own experiences along the way!  
Insight Guides Rowman & Littlefield

**Travel Guide to United States** Oxford  
 [England] : New York : Oxford University  
 Press

The Supreme Court has been the site of  
 some of the great debates of American  
 history, from child labor and prayer in the  
 schools, to busing and abortion. The  
 Oxford Guide to United States Supreme  
 Court Decisions offers lively and insightful  
 accounts of the most important cases ever

argued before the Court, from *Marbury v. Madison* and *Scott v. Sandford* (the Dred Scott decision) to *Brown v. Board of Education* and *Roe v. Wade*. This new edition of the Guide contains more than 450 entries on major Supreme Court cases, including 53 new entries on the latest landmark rulings. Among the new entries are *Bush v. Gore*, *Nixon v. United States*, *Gonzales v. Planned Parenthood Federation of America*, and *Rumsfeld v. Forum for Academic and Institutional Rights*. Four decisions (*Hamdi v. Bush*, *Hamdan v. Rumsfeld*, *Rasul v. Bush*, and *Rumsfeld v. Padilla*) are considered in a single essay entitled "Enemy Combatant Cases." Arranged alphabetically and written by eminent legal scholars, each entry provides the United States Reports citation, the date the case was argued and decided, the vote of the Justices, who

wrote the opinion for the Court, who concurred, and who dissented. More important, the entries feature an informative account of the particulars of the case, the legal and social background, the reasoning behind the Courts decision, and the cases impact on American society. For this edition, Ely has added an extensive Further Reading section and revised the Case Index and Topical Index. For anyone interested in the great controversies of our time, this invaluable book is a must read primer on the epic constitutional battles that have informed American life.

*Welcome to the United States Lonely Planet*

This essential guide sheds light on the unique American psyche and national character, now in a third edition. Whether you're a businessperson beginning to work in the United States or a foreign student

visiting for a semester, this new edition of *American Ways* will help you navigate America's diverse and changing culture. From the deep-seated attitudes that mark the American character to customs and everyday activities, *American Ways* explores the tapestry of the country's life, providing invaluable information on cultural values, politics, education, religion, and relationships. In this revised edition, Gary Althen and Janet Bennett have added material that reflects some of the important changes that have occurred over the last decade. This edition features new material on American politics, reflecting the impact of the Bush administration as well as the election of the nation's first black president, and an updated chapter on the effects of social networking sites on meeting people and creating friendships.
