Revelation Abundant Truth Publishing

Revelation reveals the truth about the last days and the signs leading up to the last days. This book is an in depth study of the book of Revelation. It is a verse by verse study put together in a chronological sequence. It reads like a novel, but it is truly non-fiction. This book is unique in that it describes a different, but more scripturally accurate time line for the Rapture, Seals, Trumpets and Bowls than the current and popular view. This book will answer questions like these: * What are the signs of the end times? * What is the Rapture? * What events immediately precede and follow

the Rapture? * What is the Tribulation? * What happens during the Tribulation? * How long does the Tribulation last? * Why do I need to be concerned with this anyway? God does want us to know about the end times. He has revealed the truth to us in the book of Revelation. Come with me on this journey and let's take a look at it.

Jesus spoke words of life and truth. How well are you listening? True listening isn't simply hearing the words of Jesus; it involves belief that results in active commitment. Throughout His earthly ministry, Jesus interacted with people from all walks of life. In every case, those individuals could choose to believe His words and reap the rewards of faith—or resist the truth and miss out on everything that truly matters. This same choice is yours today. In this second book in a three-part study of the gospel of Mark, you can read for yourself the words of Jesus in Mark 7-13. If you then align yourself with the One who is truth, you'll experience for yourself the freedom that comes from truly listening for and following the voice of the Savior.

[The Spirit of Revelation](#) AuthorHouse

The most important work of God on earth is the speaking out of His word through man. In the Old Testament God's word was released through the ministry of the prophets, and in the New Testament it was released through the ministry of the Lord Jesus and later through the apostles. Even though God is pleased to allow us to speak His word, the greatest measure of our usefulness as a minister of the Word is not the amount of our Bible knowledge or even the ability to

eloquently present the truth; rather, it is the degree to which our inward parts have been molded and shaped by the Holy Spirit. The Ministry of God's Word contains a series of messages given by Watchman Nee in 1948 and 1949 after nearly thirty years of ministry. These messages are deep, profound, subjective, and full of light, revealing both the depth of his experience and extent of our need to open to the Holy Spirit's inward operation.

What we propose doing in this book, namely, to make a serious attempt to assist some of those who have inhaled the poisonous fumes of infidelity and been left in a state of mental indecision concerning sacred things. Our principal object will be to set forth some of the numerous indications that the Bible is something far superior to any human production, and give some of the rules which require to be heeded if the Scriptures are to be properly interpreted; and though their scope will go beyond the general title of "Divine revelation," yet they will complement and complete the earlier ones.
