The Great  
 Chain of Being  
 Cambridge  
 [Eng.] :  
 Published for  
 the Hakluyt  
 Society at the

University  
 Press  
 With this  
 translation,  
 one of the  
 classics of  
 German  
 historical  
 literature  
 becomes  
 available in  
 English. In

Weltburgertu  
 m und  
 Nationalstaat  
 the eminent  
 historian  
 Friedrich  
 Meinecke  
 attempted to  
 trace the  
 transition in  
 Germany from  
 eighteenth-

century cosmopolitanism to nineteenth-century nationalism, and to clarify the genetic history of the German nation through an analysis of the relationship between Prussia and Germany. The insights and arguments that Meinecke developed in this work have influenced two generations of historians, as has his superb methodology, which integrated the two areas of ideas and politics with

rare effectiveness. Originally published in 1970. The Princeton Legacy Library uses the latest print-on-demand technology to again make available previously out-of-print books from the distinguished backlist of Princeton University Press. These editions preserve the original texts of these important books while presenting them in durable paperback

and hardcover editions. The goal of the Princeton Legacy Library is to vastly increase access to the rich scholarly heritage found in the thousands of books published by Princeton University Press since its founding in 1905. Primitivism and Related Ideas in Antiquity Llewellyn Worldwide The blind Country and Western singer recounts his difficult childhood,

describes the highlights of his professional career, and discusses the people and events that contributed to his success

**Historism**  
Llewellyn Worldwide Now, for the first time, there is a book of specific tarot spreads that will provide the answers to the most commonly asked questions about love and romance, home and family, business and finance, major life events,

and spiritual growth and past lives. These 37 time-tested spreads help readers to see real-life readings for each spread and bring each reading into focus for the seeker. 36 illustrations.

*The Serpent Power*  
McGraw-Hill Companies  
From later antiquity down to the close of the eighteenth century, most philosophers and men of science and, indeed, most educated men, accepted

without question a traditional view of the plan and structure of the world. In this volume, which embodies the William James lectures for 1933, Arthur O. Lovejoy points out the three principles—plenitude, continuity, and graduation—which were combined in this conception; analyzes their origins in the philosophies of Plato, Aristotle, and the Neoplatonists;

traces the most important of their diverse samifications in subsequent religious thought, in metaphysics, in ethics and aesthetics, and in astronomical and biological theories; and copiously illustrates the influence of the conception as a whole, and of the ideas out of which it was compounded, upon the imagination and feelings as expressed in literature.  
*Ethnic Identity Retention*

Createspace Independent Publishing Platform Bring Enchantment and Luminous Energy into Your Readings Tarot is more than a card trick. It's a chance to empower your intuition, dive into your dreams, and get to the heart of the matter. The Magic of Tarot is a fantastic guide to creating your own marvelous and magical practice. With her irresistible charm and straightforward guidance,

Sasha Graham shows you how to craft a divine, sparkling destiny using spreads, exercises, spells, and prompts. The Magic of Tarot opens your eyes to a richer, more enlightened style of divination. Sasha encourages you to flex your intuitive muscles, confidently use tarot magic and rituals, and perform readings for other people. She also walks you through every card

meaning, introduces you to dream and shadow work, helps you interpret colors, numbers, and patterns, and so much more. This book lets you fearlessly jump in and enjoy magical experiences that you'll never forget.

**The Magic of Tarot** JHU Press

journey to achieve enlightenment every day. Praise: "What tarot needs—right now—is Sasha Graham."—Rachel Pollack, award-winning author of *78 Degrees of Wisdom*  
**Almost Like a Song**  
 Llewellyn Worldwide  
 Sir John George Woodroffe (1865-1936), also known by his pseudonym Arthur Avalon, was a British Orientalist whose work helped to unleash in the West a deep

and wide interest in Hindu philosophy and Yogic practices. Woodroffe's *The Serpent Power - The Secrets of Tantric and Shaktic Yoga*, is a source for many modern Western adaptations of Kundalini yoga practice. It is a philosophically sophisticated commentary on, and translation of, the *Satcakra-nirupana* ("Description of and Investigation into the Six Bodily Centres") of Purnananda (dated c.AD

1550) and the Paduka-Pancaka ("Five-fold Footstool of the Guru"). The term "Serpent Power" refers to the kundalini, an energy said to be released within an individual by meditation techniques. *Events in the Philippine Islands* Harvard University Press Originally published in 1948. In the first essay of this collection, Lovejoy reflects on the nature, methods, and

difficulties of the historiography of ideas. He maps out recurring phenomena in the history of ideas, which the essays illustrate. One phenomenon is the presence and influence of the same presuppositions or other operative "ideas" in very diverse provinces of thought and in different periods. Another is the role of semantic transitions and confusions, of shifts and of

ambiguities in the meanings of terms, in the history of thought and taste. A third phenomenon is the internal tensions or waverings in the mind of almost every individual writer—sometimes discernible even in a single writing or on a single page—arising from conflicting ideas or incongruous propensities of feeling or taste to which the writer is susceptible. These essays do not contribute to

metaphysical and epistemological questions; they are primarily historical. *365 Tarot Spreads* Princeton University Press Celebrate more than 25 years of Kirby, the popular pink hero of the best-selling series of video games from Nintendo. A stylish new collection of art and designs from the best-selling Kirby video games. Featuring twenty-five years worth of
