Multi-Ethnic Coalitions in Africa Routledge
 Notions of crisis have long charged the study of the European avant-garde and modernism, reflecting the often turbulent nature of their development. Throughout their history, the avant-garde and modernists have both confronted and instigated crises, be they economic or political, aesthetic or philosophical, collective or individual, local or global, short or perennial. The seventh volume in the series European Avant-Garde and Modernism Studies

addresses the myriad ways in which the avant-garde and modernism have responded and related to crisis from the late nineteenth to the twenty-first century. How have Europe's avant-garde and modernist movements given aesthetic shape to their crisis-laden trajectory? Given the many different watershed moments the avant-garde and modernism have faced over the centuries, what common threads link the critical points of their development? Alternatively, what kinds of crises have their experimental practices and critical modes yielded? The volume assembles case studies reflecting upon these questions and more from across all areas of avant-garde and modernist activity, including visual art, literature, music, architecture, photography, theatre, performance, curatorial practice, fashion and design.

Les communautés nouvelles Mardaga

T. F. Torrance is widely regarded as the most significant British academic theologian of the twentieth century. He is especially noted for his ground-breaking contribution to the study of the relationship of Christian theology and the natural sciences. He is unquestionably one of the most prolific of theological writers and is the most senior member of the nearest thing to a 'theological dynasty' that Great Britain has ever produced. Here, Alister McGrath, himself one of this country's leading theologians, traces

the development of Torrance's theological thought and provides a comprehensive account of his life and career. Particular attention is paid to the important role played by Torrance in the English-language reception of the theology of Karl Barth, and to his pioneering engagement with the relation between theology and science. While making extensive reference to Torrance's published works, McGrath also draws on important unpublished writings and private papers. The book contains many unpublished photographs, together with a complete bibliography of Torrance's works.

War and Identity Routledge

The Extreme Right in France, 1789 to the Present surveys the history of a fascinating but contentious political and intellectual tradition. Since 1789 the far right has been an important factor in French political life and in different eras has taken on a range of guises including traditionalism, ultra-royalism, radical nationalism, anti-Semitism and fascism. This book is structured around the five main phases of extreme right activity, and the author explores key questions about each: * Counter-revolution - what was the legacy of Joseph de Maistre's writings? * Anti-Third Republic protest - how was the 'new right' of the 1880s and 1890s different from the 'old right' of previous decades? * Inter-war fascism - how should we characterise the phenomenon of fascisme française? * Vichy - why did Pétain and Laval collaborate with the Nazis? * The Post-war far right - what is the relationship between Poujadism, Algérie Française and Le Pen's FN?

Le Sacré-Cœur de Montmartre Routledge

Arthurian Literature has established its position as the home for a great diversity of new research into Arthurian matters. It delivers fascinating material across genres, periods, and theoretical issues. TIMES LITERARY SUPPLEMENT

A one-volume library of essential and comprehensive data on all the countries of sub-Saharan Africa, including essays on regional issues, statistical surveys and directories of invaluable contact names and addresses

Journal général de l'imprimerie et de la librairie McGill-Queen's Press - MQUP

Institutionalization has become a paramount concept to compare party systems in regions spanned by the third wave of democratization. Based on raw electoral data from 30 sub-Saharan African countries observed between 1966 and 2016, this text explores the causes and mechanisms of Party System Institutionalization (PSI) and its relationship with the processes of mobilization and democratization. Posing key theoretical and empirical questions in cross-regional comparison, it examines and reveals the defining properties of PSI, how they should be measured and under what conditions it varies. In doing so, it contributes with a new explanatory framework of party system development - that gives primacy to modes of transition, political institutions and party-citizen linkages - to further cross-regional comparisons among third-wave party systems. This text will be of key interest to scholars and students of democratization, elections, and African politics, and more broadly to comparative politics.

Bilingual English/French Book (Livre bilingue anglais/français)
French Riviera is one of the first modern resort areas. It began as a winter health resort at the end of the 18th century. With the arrival of the railway it became the playground and vacation spot of British, Russian, and other aristocrats, such as Queen Victoria and King Edward VII, when he was Prince of Wales. In the summer, it also played home to many members of the Rothschild family. In the first half of the 20th century, it was frequented by artists and writers, including Pablo Picasso, Henri Matisse, Edith

Wharton, Somerset Maugham, and Aldous Huxley, as well as wealthy Americans and Europeans. After World War II, it became a popular tourist destination and convention site. Many celebrities, such as Elton John and Brigitte Bardot, have homes in the region. The French Riviera is a major yachting and cruising area with several marinas along its coast. According to the Côte d'Azur Economic Development Agency, each year the Riviera hosts 50% of the world's superyacht fleet, with 90% of all superyachts visiting the region's coast at least once in their lifetime. As a tourist centre it benefits from 300 days of sunshine per year, 115 kilometres (71 mi) of coastline and beaches, 18 golf courses, 14 ski resorts and 3,000 restaurants. Although the Riviera is famous for the glamour of St. Tropez, Monaco or the Cannes Film Festival, there are many other less well known attractions, such as the perched villages of Eze and Gourdon, the perfumeries of Grasse and the glass blowers of Biot, the potters in Vallauris. The Riviera has been the inspiration for many well-known artists such as Picasso and many of their works are on display in local museums and art galleries. Avec l'arrivée du chemin de fer dans le milieu du 19e siècle, il est devenu l'endroit aisé de jeux et de vacances d'aristocrates britanniques, russes et autres, telles que la reine Victoria et le roi Edouard VII, quand il était prince de Galles. En été, il a aussi joué à la maison à beaucoup de membres de la famille Rothschild. Dans la première moitié du 20e siècle, il a été fréquenté par des artistes et des écrivains, comme Pablo Picasso, Henri Matisse, Edith Wharton, Somerset Maugham et Aldous Huxley, ainsi que des riches Américains et Européens. Après la Seconde Guerre mondiale, il est devenu une destination touristique populaire et lieu du congrès. De nombreuses célébrités, comme Elton John et Brigitte Bardot, ont des maisons dans la région. La Côte d'Azur est une voile principale et une zone de croisière, avec plusieurs marinas le long de ses côtes. Selon l'Agence de Développement Economique de la Côte d'Azur, chaque année, la Côte d'Azur accueille 50% de la flotte de superyacht du monde, avec 90% de tous les superyachts visitant la côte au moins une fois dans leur vie. En tant que centre touristique il bénéficie de 300 jours de soleil par an, à 115 kilomètres (71 miles) de côtes et de plages, 18 parcours de golf, 14 stations de ski et 3.000 restaurants. Bien que la Côte d'Azur est célèbre pour le glamour de Saint-Tropez, Monaco ou le Festival de Cannes, il y a de nombreuses autres attractions moins bien connus, tels que les villages perchés de Eze et Gourdon, les parfumeries de Grasse et les souffleurs de verre de Biot, les potiers de Vallauris. La Côte d'Azur a été l'inspiration pour de nombreux artistes bien connus tels que Picasso et beaucoup de leurs œuvres sont exposées dans les musées et galeries d'art. Répertoire Des Partis Politiques Au Mali OUP Oxford

This volume presents a broad array of contributions on Byzantine literature and culture, in which well-known Byzantinists approach topics of ceremonial, education, historiography, hagiography, homiletics, law, philology, philosophy, prosopography, rhetoric and theology. New editions and analyses of texts and documents are included. The essays combine traditional scholarship with newer approaches, thus reflecting the current dynamics of the field.

Les Discours de vœux des Présidents de la République
Editions du CERF

Mali is currently the seventh largest country in Africa. It shares borders with Mauritania and Senegal in the west, Algeria in the north, Guinea and Ivory Coast in the south, and Burkina Faso and

Niger in the east. After decades of dictatorship, in 1992, a new democratic constitution was adopted and today Mali is one of the most politically and socially stable countries in Africa. While Mali still has a long way to go with their economy, they are considered to be among the 10 poorest countries in the world, they continue to make progress and their increase in cereal and gold production are steps in the right direction. The fourth edition of the Historical Dictionary of Mali, through its chronology, bibliography, introductory essay, and over 500 cross-referenced dictionary entries on important persons, places, events, and institutions and significant political, economic, social, and cultural aspects, provides an important reference on this African country.

Africa South of the Sahara 2003 Nicolae Sfetcu

Why are politicians able to form electoral coalitions that bridge ethnic divisions in some countries and not others? This book answers this question by presenting a theory of pecuniary coalition building in multi-ethnic countries governed through patronage. Focusing on sub-Saharan Africa, the book explains how the relative autonomy of business from state-controlled capital affects political bargaining among opposition politicians in particular. While incumbents form coalitions by using state resources to secure cross-ethnic endorsements, opposition politicians must rely on the private resources of business to do the same. This book combines cross-national analyses of African countries with in-depth case studies of Cameroon and Kenya to show that incumbents actively manipulate financial controls to prevent business from supporting their opposition. It demonstrates that opposition politicians are more likely to coalesce across ethnic cleavages once incumbents have lost their ability to blackmail the business sector through financial reprisals.

Canadian Journal of Urban Research Martinus Nijhoff Publishers

Benin is now perceived of as a model of democracy in Africa because it has successfully established a democratic political system based on consensus and regular and fair elections, and it continues to improve its electoral and parliamentary systems. Since its democracy it has taken important steps towards laying the foundation for the rule of law by establishing stable political institutions that can withstand the test of time. It has also engaged in an important legal, institutional, and regulatory reform to establish a more favorable environment for private initiative. The fourth edition of Historical Dictionary of Benin covers its history through a chronology, an introductory essay, and an extensive bibliography. The dictionary section has over 900 cross-referenced entries on important personalities, politics, economy, foreign relations, religion, and culture. This book is an excellent access point for students, researchers, and anyone wanting to know more about Benin.

Arthurian Literature XXX Cambridge University Press

'sense too definite cancels your indistinct literature' Stéphane Mallarmé was the most radically innovative of nineteenth-century poets. His writings, with their richly sensuous texture and air of slyly intangible mystery, perplexed or outraged many early readers; yet no writer has more profoundly influenced the course of modern poetry - in English as well as in French. In both form and content, his poems created new ways of conveying existential doubt, fragmentation, and discontinuity. This is the fullest collection of Mallarmé's poetry ever published in English, and the only edition in any language that presents his Poésies in the last arrangement known to have been approved by the author. Apart from verse, it includes all the prose poems and the unique, unclassifiable *Un Coup de dés...* (*A Dice Throw...*). The lucid, wide-ranging introduction and invaluable notes help an understanding of this astonishing poet's work. ABOUT THE SERIES: For over 100 years Oxford World's Classics has made

available the widest range of literature from around the globe. Each affordable volume reflects Oxford's commitment to scholarship, providing the most accurate text plus a wealth of other valuable features, including expert introductions by leading authorities, helpful notes to clarify the text, up-to-date bibliographies for further study, and much more.

Missionnaires Oblates FeniXX

As one of the most significant and widely performed composers of the nineteenth century, Brahms continues to command our attention. Rethinking Brahms counterbalances prevailing scholarly assumptions that position him as a conservative composer (whether musically or politically) with a wide-ranging exploration and re-evaluation of his significance today. Drawing on German- and English-language scholarship, it deploys original approaches to his music and pursues innovative methodologies to interrogate the historical, cultural, and artistic contexts of his creativity. Empowered by recent theoretical work on form and tonality, it offers fresh analytical insights into his music, including a number of corpus studies that interrogate the relationships between Brahms and other composers, past and present. The book brings into sharp focus the productive tension that exists between the perceived fixedness of musical texts and the ephemerality of performance by considering how historical and modern performers shape established understandings of Brahms and his music. Rethinking Brahms invites the reader to hear familiar pieces anew as they are refracted through historical, artistic, and philosophical prisms. Bringing us up to the present day, it also gives sustained attention to the resounding impact of Brahms's compositions on new music by exploring works by recent composers who have engaged deeply with his oeuvre. Combining awareness of overarching contexts with perceptive insights into Brahms's music, this book enlivens our understanding of Brahms, providing a dynamic, multifaceted, complex, and invigoratingly fresh portrait of the composer.

A New Dictionary French and English, with another English and French, etc Rowman & Littlefield

The Academy is a prestigious international institution for the study and teaching of Public and Private International Law and related subjects. The work of the Hague Academy receives the support and recognition of the UN. Its purpose is to encourage a thorough and impartial examination of the problems arising from international relations in the field of law. The courses deal with the theoretical and practical aspects of the subject, including legislation and case law. All courses at the Academy are, in principle, published in the language in which they were delivered in the "Collected Courses of the Hague Academy of International Law".

Regional Balance and National Integration in Cameroon

Editions de l'Atelier

Dans cette importante analyse féministe, Rosa Bruno-Jofré présente un portrait sensible et nuancé de comment un groupe de femmes -- les Soeurs Missionnaires Oblates, une congrégation bilingue d'enseignantes au Manitoba -- composait avec les structures patriarcales et les opinions, traditions et attitudes divergentes des Soeurs qui provenaient de diverses communautés canadiennes-françaises du Manitoba, du Québec, du Saskatchewan, de l'Ontario et des États-Unis. Puisant en profondeur dans des archives privées et dans l'histoire orale, Bruno-Jofré illumine la vie intérieure de la congrégation et de son travail éducatif. Elle démontre que les Soeurs jouèrent un rôle important dans la construction d'une identité canadienne-française au Manitoba et au Québec. Elle offre une fenêtre sur les relations complexes entre les Soeurs et les Pères Oblates, incluant le rôle des Soeurs en tant qu'auxiliaires dans les pensionnats. En conclusion, le livre offre une analyse des efforts

de la congrégation depuis 1973 à reformuler sa vision et sa mission dans le contexte de Vatican II, ce désir de vivre en tant que communauté qui motivait les Soeurs à réexaminer leurs souvenirs et leurs interprétations du passé.

The Extreme Right in France, 1789 to the Present Scarecrow Press

This invaluable Dictionary provides an essential guide to the politics and economics of the African continent. Each individual entry provides clear and concise information, and entries are fully cross-referenced to enhance the book's usability. Organizations listed include contact details wherever possible. Key features * Provides authoritative up-to-date information on a region that is changing fast, and for which reliable data is often hard to locate * Each country's recent history and economy are described and analyzed in separate essays. Entries include: Apartheid, Central African Republic, Christianity, Colonialism, Development Aid, Genocide, Great Lakes, International Monetary Fund, Languages, Nelson Mandela, Mining, Tobacco, Uganda. Countries covered in this volume include: Algeria, Angola, Benin, Botswana, Burkina Faso, Burundi, Cameroon, Cape Verde, Central African Republic, Chad, Comoros, Democratic Republic of the Congo, Republic of the Congo, Côte d'Ivoire, Djibouti, Egypt, Equatorial Guinea, Eritrea, Ethiopia, Gabon, Gambia, Ghana, Guinea, Guinea-Bissau, Kenya, Lesotho, Liberia, Libya, Madagascar, Malawi, Mali, Mauritania, Mauritius, Morocco, Mozambique, Namibia, Niger, Nigeria, Rwanda, São Tomé and Príncipe, Senegal, Seychelles, Sierra Leone, Somalia, South Africa, Spanish North Africa (Ceuta and Melilla), Sudan, Swaziland, Tanzania, Togo, Tunisia, Uganda, Zambia and Zimbabwe.

De la Terre des Dragons, Acte I, L'Antre d'Alpriade Psychology Press

Si l'on se penche sur les phénomènes de contestation de l'autorité politique par la littérature ou les arts qui constitue un axe de recherche majeur du Laboratoire aux travaux duquel contribue ce volume, il appert que, dans bien des pays d'Europe, l'autorité politique s'est identifiée avec celle du Monarque, alors qu'en Italie, cas exceptionnel – et pour cause, puisque le siège de la papauté y est implanté depuis deux millénaires sans autre interruption que le demi-siècle avignonnais –, c'est la papauté qui

s'est constituée en pouvoir politique, se revendiquant d'une double autorité, spirituelle et morale, et s'incarnant en un véritable organisme étatique. Le pape et la papauté représentent à leur tour deux "incarnations" de l'autorité : l'une institutionnelle (le gouvernement ecclésiastique), l'autre individuelle (le souverain pontife comme successeur de Pierre investi d'une mission de divine inspiration et exerçant à ce titre une autorité suprême). C'est en tout cas une spécificité italienne que d'être, par tant, un pays à la fois laïc et non-laïc, dans lequel la figure du Pape remplace celle du Roi, suscitant, depuis son affirmation comme telle, polémiques et défenses de l'Institution ecclésiastique autant que de papes en particuliers. De fait, l'affirmation de la primauté spirituelle et temporelle du pape sur le monde médiéval chrétien présente, in nuce, les failles juridiques et morales qui légitiment l'expression immédiate d'opposants à cette hégémonie, aussi les vingt études regroupées dans ce volume illustrent-elles à la fois l'ancrage et la permanence d'une tradition historique, artistique, littéraire... la remise en cause en quelque sorte "chronique" du pouvoir du pape et de l'Église du XIe siècle à nos jours. Chacune d'elles montre par ailleurs, en creux ou explicitement, selon les cas, l'idéal d'une Église, d'une papauté et de papes, que leurs partisans comme leurs opposants eussent voulu au-dessus des intérêts matériels et des stratégies de pouvoir, tous se présentant en mal d'une autorité morale incontestable et littéralement incomparable (celle des "Princes" telle qu'elle ressort de ces travaux n'échappant pas non plus à une sévère critique). Dans le balayage temporel et thématique qu'elles effectuent, ces études, du même coup, rendent compte du paradoxe proprement italien d'une tension ancestrale et originale entre la religion de la politique et la politique de la religion.

Historical Dictionary of Benin Hull, Que. : Canadian Museum of Civilization

The performance of sacred song often involves the talents of cantors, chanters, precentors, and criers--also known as chantres, djaky, psalom-shchniki, hazanim, protopsalti, and muezzins. The present volume explores this unique class of musicians from a variety of perspectives to offer the first survey of its kind. Folklorists join with ethnomusicologists, cantors, and enthusiasts to illuminate the many facets of this rich, living tradition.
