BRYANT GRANT

Blueprint Crochet Random House (NY)
 Leonie Morgan is back with another wonderful book, showcasing her vibrant colour and stitch combinations. Featuring both block patterns and stitch patterns, there is plenty to please granny-square lovers and row-by-row enthusiasts. Each of the 40 designs comes with a clear written pattern, an easy-to-follow chart, a skill-level indicator, and a large photograph. Instructions and yardage are also provided for making afghans in three sizes: baby blankets, lap throws and bedspreads. With advice on picking lovely colour combinations and a selection of edgings to finish your project, and a comprehensive collection of crochet stitches and techniques, you'll have all you need to create your own unique afghan.

A Lace Guide For Makers And Collectors; With A Bibliography And Five-language Nomenclature, Profusely Illus. With Halftone Plates And Key Designs Storey Publishing, LLC

"Dozens of mix and match combos and fabulous projects"--Cover.

The Art of Leather Inlay and Overlay Martingale

Students of all ages will delight in these 26 simple piano arrangements of familiar melodies such as Jesu, Joy of Man's Desiring and Wachet Auf, plus other fun-to-play pieces.

Knitting Brioche Jacqui Small

A LACE GUIDE for MAKERS and COLLECTORS. This book includes a bibliography and a five-language nomenclature. It is hoped that this little manual will prove of use to students of stichery in general, - or of bobbin lace in particular, - to see hhow certain meshes are woven; that it may aid those planning to produce lace either by hand or machine, in comparing and judging effects, in advance, and that it may assist collectors and classifiers to identify lace: for after all, it is the actual lace which finally determines a variety, only certain meshes being used in a lace of pure type. Originally published in 1917. Many of the earliest books on weaving, textiles and needlework, particularly those dating back to the 1900s and before, are now extremely scarce and increasingly expensive. We are republishing these classic works in affordable, high quality, modern editions, using the original text and artwork.

Celestia Lulu.com

A source of idiosyncratic clip art for graphic artists and designers and a celebration of the printed word in all its diversity. Over 130 unusual and rare alphabets, monograms, numerals, ampersands, ornaments, arrows, and more accompany a fascinating essay on the philosophy of alphabet design.

Modern Crochet Operina LLC

FROM THE INTERNATIONALLY BESTSELLING AUTHOR OF WHAT I LOVED AND A WOMAN LOOKING AT MEN LOOKING AT WOMEN 'Richly intelligent insights on every page' Financial Times 'A rare kind of quiet intellectual confidence' Sunday Telegraph In these fascinating, lively and engaging essays, Siri Hustvedt shows what lies behind her fiction: an abiding curiosity about who we are and how we got that way. Covering a wide range of subjects, from the nature of desire to false memories and the paintings of Goya, she draws on her own life and on the insights provided by both the arts and sciences to deepen our understanding of what it means to be human - to live, think and look. 'There is something refreshingly straightforward about her style. It has the confidence born of complex but well digested thoughts' Observer PRAISE FOR SIRI HUSTVEDT: 'Hustvedt is that rare artist, a writer of high intelligence, profound sensuality and a less easily definable capacity for which the only word I can find is wisdom' Salman Rushdie 'It is Hustvedt's gift to write with exemplary clarity of what is by necessity unclear' Hilary Mantel 'Her novels have received a deserved acclaim. But to my mind, she is even more to be admired as an essayist . . . in this regard I feel that she resembles Virginia Woolf ' Observer 'Few contemporary writers are as satisfying and stimulating to read as Siri Hustvedt' Washington Post

Westknits Bestknits EU Version Obscure Press

Using graphic illustrations and clear guidelines, this straightforward crochet resource is essential for the visual crafter - anyone who understands maps better than verbal directions, and images better than basic step-by-step instructions. Covering a wide range of skill levels, it introduces the universal symbol language of crochet to newcomers, while also satisfying the need for intermediate level patterns. Each crochet design is broken down stitch-by-stitch in a diagram format so that visual learners can see, as well as read, each step. With contemporary designs from trendy to classic, each project offers a fresh take on crochet, providing modern patterns for purses, necklaces, belts, dresses, shawls, and more.

An insider's guide to Barcelona's hidden gems and lesser-known spotsWritten by a true local, filled with independent advice, based on thorough research and the author's personal opinionsAn inspirational and practical guide to the city's most interesting places, buildings, restaurants, shops, museums, galleries, neighbourhoods, gardens and cafes, into 100 lists of 5 secrets.Photography by Tino van den BergA recently updated edition in Luster's successful and attractive series of city guidesWhere's the best place to go out on a Saturday night in Barcelona? What off-beat museums can be discovered after Sunday brunch (and where to have it)? Which locations offer the

best viewpoints of the Catalan capital? What Gaudí buildings are essential? Where does Barcelona's modernism reach its zenith? Where to take the children? What's the best place to buy wine? And where do the locals hang out? The 500 Hidden Secrets of Barcelona reveals hundreds of good-to-know addresses, avoiding the touristy places and pointing out the urban details you are likely to miss. Mark Cloostermans, a Belgian journalist living in Barcelona, unlocks the various districts, pointing out historical details in the streets of the old town, taking you from green Montjuïc hill to the beach and back. The best places to eat halal, the must-visits for Barça fans and the various festivals you can plan your visit around: The 500 Hidden Secrets of Barcelona reveals it all.

Hugh Johnson's Pocket Wine 2020 Schiffer Craft

More than 470 color photos bring in-depth detail to this comprehensive look at the almost forgotten decorative art of leather inlay and overlay. Leather is an often-overlooked textile, with very little documentation on its tools and techniques; this guide fills a crucial gap for the aspiring leather worker. Inlay and overlay skills have historically been passed along orally, and the book begins with a brief introduction of the cowboy boot, since this is the discipline that's become a repository for the art of leather inlay and overlay. Learn what these decorative methods can bring to your work with details on the tools and machinery needed, and clear explanations of the techniques. Also covered are the history of leather inlay and overlay, choosing the best leather, how to pattern and create leather art, and basic sewing machine maintenance. The book finishes with an illustrated, step-by-step guide to three leather projects.

Hungry for new knitting techniques? Try knitting brioche! Knitting Brioche is the first and only knitting book devoted exclusively to brioche stitch, a knitting technique that creates a double-sided fabric. This complete guide will take you from your first brioche stitches to your first (or hundredth) project, and even to designing with brioche stitch, if you desire. Whether you're new to brioche

knitting or experienced at "brioching," author Nancy Marchant provides the information and inspiration you need. Inside Knitting Brioche, you'll find:

- Detailed instructions and step-by-step photos that will guide you through all of the techniques you'll need for brioche knitting.
- A stitch dictionary including 60 beautiful stitch patterns with many multicolor options.
- 25 patterns for garments and accessories, all made with brioche stitches, some combined with other design elements including cables, lace, intarsia and more!

Grab your needles and yarn and take a bite out of brioche knitting.

THE ASHLEY BOOK OF KNOTS Hachette UK

All of life can be found in Macanudo, except for the really awful stuff that's left to the daily news.

Orge de Brasserie Cruachan Hill Press

In this book from Leonie Morgan you'll discover a delightful collection of hexagons to crochet in bright and inspiring colourways. With 75 original designs to choose from, a further 50 vibrant colour variations, as well as five eye-catching projects to try, there's plenty here to spark the imagination. Each design comes with a clear written pattern, an easy-to-follow chart, and a large photograph of the crochet hexagon. Complete with designs that range from simple to more advanced in skill level, simply pick your favourite hexagon pattern and get crocheting, or mix and match some of the designs to create your own unique project. Containing a step-by-step guide to all the basic crochet techniques you need to get started, as well as advice on how to add finishing touches to the designs, this book will appeal to beginners and more experienced crocheters alike.

A Lace Guide for Makers and Collectors BoD - Books on Demand

The world's best-selling annual wine guide Hugh Johnson's Pocket Wine Book is the essential reference book for everyone who buys wine - in shops, restaurants, or on the internet. Now in its 43rd year of publication, it has no rival as the comprehensive, up-to-the-minute annual guide. Hugh Johnson provides clear succinct facts and commentary on the wines, growers and wine regions of the whole world. He reveals which vintages to buy, which to drink

and which to cellar, which growers to look for and why. Hugh Johnson's Pocket Wine Book gives clear information on grape varieties, local specialities and how to match food with wines that will bring out the best in both. This latest edition of Hugh Johnson's Pocket Wine Book includes a colour supplement on 'Wine Flavour: How, What, Why?'

The University of Chicago Spanish Dictionary Fox Chapel Publishing

Written in the epic style of such classics as the Silmarillion and the Iliad, the Tale of Manaeth tells the story of a young princess reluctantly thrust into a position of leadership among her people and faced with a hostile and powerful foreign aggressor. Through much hardship and many savage battles she leads her people to triumph and becomes the foundress of a nation. As the youngest girl in a family of six, Manaeth is an unlikely candidate for the throne of the Kingdom of Asyria. But when her entire family is murdered by agents of a cruel foreign king, she becomes the heir to the throne and the unexpected source of unity for her scattered and persecuted people. Though desiring peace she is forced to become a sovereign of war, and through fortitude and the shedding of much blood she labors to free her people from foreign oppression. The battle scenes are intense; the book is not for children under age 13.
