Learn how to embroider all the components of a country garden and then use this knowledge to create six exciting projects to keep. Experienced embroidery teacher Lorna Bateman is passionate about teaching and about nature. This book will

appeal to and inspire both beginner embroiderers as well as more accomplished students. Learn from Lorna how to create beautiful flower designs, using raised and textured stitches to recreate your own idyllic English country garden. The book will walk you through a variety of stitches, how to embroider individual flowers from them and how to incorporate these into an original garden motif. For the nature enthusiast there is plenty to get excited about - an A-Z of English garden flowers and how to stitch them; a section on stitching common garden insects; and how to embroider iconic garden imagery such as birdbaths or garden ornaments. There are six elaborate

and practical projects to stitch: needlecase, scissorkeeper, pincushion, thimblepip, glasses case, thread storer, and these make great keepsakes as well as gifts. The book also features a full-size pattern insert for making a vintage bag in which to keep the individual projects. Embroidered Country Gardens is peppered throughout with seeds of wisdom: invaluable hints and tips from the author to help you develop your own skills and unique style. As well as step-by-step instructions, there are also detailed photographs, outline template drawings and a fully illustrated stitch directory.

Splendid Silk Ribbon Embroidery:

Embellishing Clothing, Linens and Accessories

Sally Milner Publishing
Silk ribbon embroidery is a handicraft that uses colorful and delicate ribbons as the main material to stitch floral patterns on fabric. The patterns are three dimensional with defined layering effects which are suitable to decorate evening gowns, sweaters, cushions, and even craft pictures. This ribbon embroidery book breaks through the traditional style of Western silk ribbon embroidery by incorporating traditional Chinese elements such as

simple layouts with liubai (leaving blank) as well as incorporating the contemporary Chinese art to create silk ribbon embroideries that are unique and ethereal. Readers will find dozens of basic stitching techniques with detailed steps and illustrations that are ranging from small scale decorations on mirrors and handheld fans to large scale stitch art. The patterns include flowers, trees, fish, prawns, architecture and more. Among the different stitches, the prawns, peony and lotus leaf are originated by the author with years of experience.

The Handbook of Silk Ribbon Embroidery

One of a series that provides the depth of

information required for extended study of different countries, this book isolates themes to compare and contrast aspects of countries at different stages of economic development.

Emphasis is placed on human geography, with some coverage of physical geography, with links go the geography curriculum at KS 3 and 4.

Textile Artist: The Art of Felting and Silk Ribbon Embroidery

Sally Milner Publishing
Silk ribbon embroidery, with its varied textures and sculpted effects, is a magical medium for stitching floral designs. Whether it's a field of lavender or a single gardenia, these embroidered images can be as fresh, colorful, and eye-catching as Mother

Nature's originals. Some even take the form of lifelike three-dimensional flowers. Readers who love to sew, whatever their skill level, will find instructions on the techniques and materials of this rewarding art, along with a varied assortment of projects—all inspired by actual color photographs and delicate watercolors, which appear along with the detailed stitch patterns. The projects include 12 different floral panels ready for framing, depicting flowers from daffodils and daisies to grape hyacinths and roses.
