MGR, the Man and the Myth Pen and Sword History

Anticipating the great amount of interest in Tolkien's writings due in part to the major theatrical movie release on his classic *The Lord of the Rings*, this highly readable collection of writings celebrates J.R.R. Tolkien's great literary legacy and the spiritual values that undergird his imaginary Middle-earth. *Tolkien: A Celebration* includes personal recollections by George Sayer and Walter Hooper, and many fascinating pieces by authors such as James Schall, S.J., Stratford Caldecott and Stephen Lawhead, exploring the threads of inspiration and purpose in his major works. These dip into subjects such as *The Sense of Time in Lord of the Rings*, *Tolkien: Master of Middle-earth*, and *Tolkien, Lewis and Christian Myth*. Fourteen writers contributed to this insightful work on Tolkien, and it will be much-treasured by those who regard him as a literary hero. - Publisher.

What a Man's Gotta Do Wipf and Stock Publishers

"Finally, the cliché is peeled away and the essence of this utterly American character is so revealing. John Chapman comes alive here and it is a thrilling experience to escape the specific gravity of the decades of myth" (Ken Burns). This portrait of Johnny Appleseed restores the flesh-and-blood man beneath the many myths. It captures the boldness of an iconic American and the sadness of his last years, as the frontier marched past him, ever westward. And it shows how death liberated the legend and made of Johnny a barometer of the nation's feelings about its own heroic past and the supposed Eden it once had been. Howard Means does for America's inner frontier what Stephen Ambrose's *Undaunted Courage* did for its western one.

The Myth of Male Power Vintage

One of the most influential works of this century, *The Myth of Sisyphus and Other Essays* is a crucial exposition of existentialist thought. Influenced by works such as *Don Juan* and the novels of Kafka, these essays begin with a meditation on suicide; the question of living or not living in a universe devoid of order or meaning. With lyric eloquence, Albert Camus brilliantly posits a way out of despair, reaffirming the value of personal existence, and the possibility of life lived with dignity and authenticity.

Long Walk to Freedom Maggie Dallen

A rare behind-the-scenes look at John Wayne: the legend, hero, and Hollywood icon of numerous epic Western films, including an Academy Award-winning performance in *True Grit*. No legend ever walked taller than "The Duke." Now, author Michael Munn's startling new biography of John Wayne sets the record straight on why Wayne didn't serve in World War II, on director John Ford's contribution to Wayne's career, and the mega-star's highs and lows: three failed marriages, and two desperate battles with cancer. Munn also discloses publicly, for the first time, Soviet dictator Josef Stalin's plot to assassinate Wayne because of his outspoken, potentially influential anti-Communist views. Drawing on time spent with Wayne on the set of *Brannigan*—and almost 100 interviews with

those who knew him—Munn's rare, behind-the-scenes look proves this "absolute all-time movie star" was as much a hero in real life as he ever was on-screen.

Bill Gardner: the Man, the Myth, the Legend Vintage

Dad: *The Man, The Myth, The Legend* is an epic--and totally unexaggerated--tale for dads everywhere! Heroic, hilarious, and heartwarming, it's the sweet saga of Dad: protector, provider, and child's best friend.

Political biography of M.G. Ramachandran, 1917-1987, a former chief minister of Tamil Nadu.

Cyrus the Man the Myth the Legend Penguin Books

Did Jesus Really Exist? The search for the historical Jesus continues to be headline news. Any speculative theory seems to get instant attention as the debate rages about His real identity and the claims made in His name. Did Jesus really exist? Is there real historical evidence that demonstrates that He lived and actually said and did the things the Gospels record? Is there any validity to the speculative claims that the Jesus story was a myth, borrowed from a variety of pagan cultures of the ancient world? In this follow-up to the book *God's Not Dead* (that inspired the movie), *Man, Myth, Messiah* looks at the evidence for the historical Jesus and exposes the notions of skeptics that Jesus was a contrived figure of ancient mythology. It also looks at the reliability of the Gospel records as well as the evidence for the resurrection that validates His identity as the promised Messiah. *Man, Myth, Messiah* will be released concurrent to the *God's Not Dead* movie sequel, which will cover the same theme.

...lies understanding. This is what bestselling author Warren Farrell discovered when he took a stand against established views of the male role in society, and pursued a course of study to find out who men really are. Here are the eye-opening, heart-rending, and undeniably enlightening results...

Adolf Hitler Little, Brown

Covers the religions of the world, the myths that mankind has created, and the supernatural.

Return of the Gentleman HarperCollins Publishers

"Borsch has not answered all the questions, of course. Who can? But his view of the Man tradition makes more sense to me than, for example, Perrin's rather cavalier dismissal of the evidence, and it not only enlightens but also enlivens the discussion. As against the extreme skeptics, Borsch is also convincing to me in arguing the case for a large measure of authenticity in the Son of man tradition in the Gospels. If the proof of the pudding is in the eating, the book constantly calls me back to its

pages for insight regarding the problem, both in its historical dimension and in its bearing upon the meaning of Jesus of Nazareth for faith today. --'Theology' ""The author is well aware of the difficulties involved in entering a field wherein so much investigation has been done. And of this, with the positive and negative conclusions, he gives an excellent survey, crisp and critical The lines opened up will engage the attention of a new and more positive chapter in the form-critical argument. --'London Quarterly and Holborn Review' Frederick H. Borsch is the retired Bishop of the Episcopal Diocese of Los Angeles and Professor of New Testament and Chair of Anglican Studies at The Lutheran Theological Seminary at Philadelphia. He is also the former Dean of the Chapel at Princeton University. His other books include 'The Spirit Searches Everything: Keeping Life's Questions', 'The Bible's Authority in Today's Church', 'Introducing the Lessons of the Church Year: A Guide for Lay Readers and Congregations', and 'The Christian and Gnostic Son of Man'.

The Wild Man Oxford University Press

George "Professor" Burchett was arguably the most famous tattoo artist in the UK and Europe throughout the first half of the twentieth century. With a career spanning over fifty years he tattooed everyone from servicemen to royalty and earning himself the title of 'King of Tattooists'. Finding an early love for the art of tattooing he was expelled from school at age 12 for tattooing his classmates and joined the Royal Navy at age 13. He developed his tattooing skills while traveling overseas in the Navy. He constantly designed new tattoos from his worldwide travel, incorporating African, Japanese and Southeast Asian motifs into his work. In the 1930s, he developed cosmetic tattooing with such techniques as permanently darkening eyebrows. He continued tattooing until his death in 1953 at the age of 80.

Grandpa the Man the Myth the Legend William Morrow

Aurangzeb Alamgir (r. 1658-1707), the sixth Mughal emperor, is widely reviled in India today. ... While many continue to accept the storyline peddled by colonial-era thinkers--that Aurangzeb, a Muslim, was a Hindu-loathing bigot--there is an untold side to him as a man who strove to be a just, worthy Indian king.

Greg the Man the Myth the Legend Psychology Press

The book that inspired the major new motion picture *Mandela: Long Walk to Freedom*. Nelson Mandela is one of the great moral and political leaders of our time: an international hero whose lifelong dedication to the fight against racial oppression in South Africa won him the Nobel Peace Prize and the presidency of his country. Since his triumphant release in 1990 from more than a quarter-century of imprisonment, Mandela has been at the center of the most compelling and inspiring political drama in the world. As president of the African National Congress and head of

South Africa's antiapartheid movement, he was instrumental in moving the nation toward multiracial government and majority rule. He is revered everywhere as a vital force in the fight for human rights and racial equality. *LONG WALK TO FREEDOM* is his moving and exhilarating autobiography, destined to take its place among the finest memoirs of history's greatest figures. Here for the first time, Nelson Rolihlahla Mandela tells the extraordinary story of his life--an epic of struggle, setback, renewed hope, and ultimate triumph.

Dad Access Consciousness Publishing Company

Can a man be honorable, kind, and caring as well as potent? For over a decade, Dr. Dain Heer, internationally renowned author, speaker, and co-creator of Access Consciousness, has been providing resources to deal with these issues. Now, in this uniquely conversational and interactive work, he empowers men (and women who want to understand what the men in their lives may be facing) to answer the questions at the heart of this challenge. First and foremost, says Dr. Heer, "being a true gentleman is about being the greatest you can be as a man--whatever that looks like for you," and his book is full of tools and strategies to help you get there. With his trademark honesty, playful curiosity, and humor, he offers compelling insights and powerful, transformative questions that will help you open up to new possibilities. You'll explore how you may be cutting off parts of yourself to fit into the boxes of others' expectations--and an effective tool to let go of toxic beliefs, clearing the way for new, authentic experiences in your life. You'll discover the myths and ingrained patterns that can ruin your chances for a fulfilling relationship and how to build nurturing connections with both the men and women in your life (as well as with the man in the mirror). And finally, you'll learn keys for honoring others without losing yourself and for inspiring the next generation with the three gifts a gentleman can give to the children in his life. Today gender relations are at a crossroads. While there are many valuable conversations supporting women through this journey, our culture is also facing a masculinity crisis as we redefine views about manhood and what it means to be a gentleman.

Memoirs of a Tattooist Little, Brown Books for Young Readers

These days I'm a world famous rockstar, but the girl I left behind? She couldn't care less. At eighteen, I'm way too young to be so jaded. But then again, I've always been old for my age—a side effect of having to fend for myself when my parents bailed and the foster system shipped me from one home to the next. I'd had one friend back in those days, but I said goodbye to Daisy the day I landed my first big gig and left my hometown in the dust. Now I'm being sent back to the town I swore I'd never return to for a charity concert organized by the girl I thought I'd forgotten. One look in Daisy's pretty green eyes—eyes filled with loathing—and I realize she's never really left me. She's always been in my thoughts and in my heart. Unfortunately, the same can't be said for her. She'd written me off years ago, and she's not interested in second chances or new beginnings. She's more than happy to get this concert over with and say goodbye for the second time. For the last time. The problem is...I don't know if I can leave her behind again. Not when she still owns my heart.
