North Atlantic Books

In CranioSacral Therapy: Touchstone for Natural Healing, John E.

Upledger, DO, OMM, recounts his development of CranioSacral Therapy. He shares poignant case studies of restored health: a five-year-old autistic boy, a man with Erb's palsy, a woman with a fifteen year history of severe headaches, and numerous others. And he offers simple CranioSacral Therapy techniques you can perform at home on yourself or loved ones.
