 This six-volume collection draws together the most significant contributions to morphological theory and analysis which all serious students of morphology should be aware of. By comparing the stances taken by the different schools about the important issues, the reader will be able to judge the merits of each, with the benefit of evidence rather than prejudice.

CHAYKIN. Collects MIDNIGHT OF THE SOUL #1-5

The Living Church Image Comics

From acclaimed master of mystery Dick Francis comes a thrilling novel about the illusion of film and the reality of murder—a New York Times notable book. Thomas Lyon has finally been given the chance to direct a potential blockbuster, based on the true story of an unsolved crime that rocked the horseracing world twenty-six years ago. But a cryptic deathbed confession, an assault on an elderly woman, and a frightening threat lead Lyon to pick up the thread of this unfinished tale—and follow it through to its perilous end...

Poor's Register of Corporations, Directors and Executives, United States and Canada

A cheating wife, a senseless murder, a rogue cop, a beatdown by a hillbilly hipster, and a dark, sultry beauty who suffers no fools. Joel Breakstone is in way over his head and the night is young.
