Harlequin Faking the best summer ever is a lot harder than it looks... At the start of summer, Jack and Nate find themselves	dumped as their respective exes, Dylan and Tariq, start up a new relationship together. Not only that, their exes start
---	--

posting pics on social media, showing the whole world how fabulous their new life together is! Jack and Nate are reeling. Not to be outdone, they decide to create their own 'highlights reel' and show their exes that they're having an even better time. But between the depressing motorway service station motels, damp campsites, and an ultimate showdown with the exes, something

epic really is happening: Jack and Nate are learning to get over their heartache and open themselves up to new possibilities for love. A hilarious story of heartbreaks and hijinks from award-winning author Simon James Green. [A Court of Frost and Starlight](#) Bloomsbury Publishing USA Held captive in the barbarian kingdom of Venda, Lia and Rafe have little chance of escape . . .

and even less of being together. Desperate to save her life, Lia's erstwhile assassin, Kaden, has told the Vendan Komisar that she has a magical gift, and the Komisar's interest in Lia is greater than either Kaden or Lia foresaw. Meanwhile, the foundations of Lia's deeply-held beliefs are crumbling beneath her. Nothing is straightforward: there's Rafe, who lied to her, but has sacrificed his

freedom to protect her; Kaden, who meant to assassinate her but has now saved her life; and the Vendans, whom she always believed to be barbarians but whom she now realizes are people who have been terribly brutalized by the kingdoms of Dalbreck and Morrighan. Wrestling with her upbringing, her gift, and her very sense of self, Lia will have to make powerful choices that

affect her country, her people . . . and her own destiny. A Court of Wings and Ruin Bloomsbury Publishing A tender addition to the #1 New York Times bestselling Court of Thorns and Roses series by Sarah J. Maas, bridging the events of A Court of Wings and Ruin and upcoming books. Feyre, Rhysand, and their friends are still busy rebuilding the Night Court and the vastly

altered world beyond, recovering from the war that changed everything. But Winter Solstice is finally approaching, and with it, the joy of a hard-earned reprieve. Yet even the festive atmosphere can't keep the shadows of the past from looming. As Feyre navigates her first Winter Solstice as High Lady, her concern for those dearest to her deepens. They have more wounds than

she anticipated-scars that will have a far-reaching impact on the future of their court. Bridging the events of *A Court of Wings and Ruin* with the later books in the series, *A Court of Frost and Starlight* explores the far-reaching effects of a devastating war and the fierce love between friends.
